CONGRESSIONAL.

SENATE.

Various.

WASHINGTON, 6.—The Vice-President called for the business on the calendar, and several bills relating to the District of Columbia were passed.

Sargent moved that the rest of the day be assigned to the consideration of the bills on the calendar and, that at the close of the session, Schurz' Louisiana resolution be taken up, in order that it might be the unfinished business on Monday, when he thought he would be able to address the Senate.

Chandler objected, and moved to take up the House bill to revise, amend and consolidate the steam boat laws; agreed to 27 to 16.

Conkling opposed the bill and declared that it was being urged by a paid lobby and subsidized newspapers, and that there was no reason for a change in the present laws.

Morton favored the bill and disputed Conkling's statements. Pending the decision Cameron moved an executive session. The chair laid before the Senate a number of House bills including the civil rights bill, which was read the first and second time, and referred to the judiciary committee. The Senate went into executive session and soon after adjourned.

HOUSE.

Debate on the Hennepin Canal.

Parker introduced a bill for the transmission of correspondence by telegraph; referred. This is the postal telegraph bill of last session.

Cox offered a resolution calling for information in regard to the materials used in labor on the public buildings by the late supervising architect of the Treasury; referred.

In the debate on the Hennepin canal bill McCrary, Cotton and Wilson, of Iowa, favored the passage of the appropriation, and Burchard, Holman and Dawes opposed it. Holman thought it the initial job of the session, and a pioneer measure which would, in the end, take a hundred millions from the government, and if the scheme stood by itself it would receive little support.

Burchard believed the construction of a canal by the proposed route would cost from twenty to twenty-five millions of dollars and, in view of the condition of the treasury, he was opposed to the bill in any shape, even although his own district might be benefited by it.

Maynard, of Tenn., favored the bill. At the close of the discussion Gunclate moved to table the bill, but pending the vote the House adjourned.

EASTERN.

The Arkansas Report.

WASHINGTON, 6.—The report of the select committee on Arkansas affairs, presented by Poland to-day, says that the committee regard the new constitution as republican in form and, in many respects, an improvement on that of '68; that the committee are satisfied that the convention to frame the constitution and the constitution were voted for, and are satisfactory to the majority of the people of the State; that the State officers were certainly elected by a majority of the votes cast, and the committee think by a majority of the votes in the State; the State has been as peaceful since the new government was inaugurated as it has ever been, and the mass of the people on both sides are inclined to peace and good governments, and to allow to all the enjoyment of all their legal rights. But there is a class of young men, the outgrowth of former society, who delight in disturbing colored people and northern people, and this class it is difficult to restrain. The changes caused by the war, giving freedom and political equality to the colored people are not relished by the southern people, but most of them would do nothing to disturb them, "but the class to which we have alluded feel that they may invade the right of colored men, especially in any political quarrel, and that their offences will be winked at. We are satisfied that the true prosperity of the Southern States depends more upon the just and stern dealing by them with this lawless class of men than upon any other cause. Arkansas, probably, presents no different condition from that of the other cotton States where political control has passed into the hands of the class who ruled before the war." The committee do not recommend any action by Congress, or by any department of the general government in regard to the State government of Arkansas. The report is signed by Poland, Schudder, Gayler and Gloss; the other member of the committee, Ward, dissents from the majority report, and presents a resolution, setting forth the election of Brooks as governor under the constitution of 1868, which constitution was never legally overturned or abrogated, and that he is the lawful governor of Arkansas.

Bills Approved.

NEW YORK, 6.—A Washington dispatch says the President has approved the following: an act to grant time to certain lands in the Territory of Arizona, and an act granting the right of way and depot grounds to the Oregon Central Pacific railroad, through the public lands of the United States, from Winnemucca, in the State of Nevada, to Columbia river, *via* Portland, in the State of Oregon.

A Wretch.

OMAHA, 6.—Mrs. John Grabach, at Kearney Junction, yesterday, killed her stepdaughter, four years of age, by knocking her down and jumping on her with her feet; she tried some time ago to poison the child.

General Rejoicing.

LITTLE ROCK, 6.—The majority report of the Arkansas Congress investigation committee reached here to-day, and caused general rejoicing; cannons were fired, &c.

$25,000 Fire.

NEW HAVEN, 6.—St. Patrick's Catholic church was damaged $25,000 by fire, this afternoon.

A Big Fire.

HUDSON, N. Y., 6.—A telegram from New Lebanon, this p. m., says that a large fire is raging in the Shaker settlement. The authorities of the neighboring towns were telegraphed to for aid. The fire began in the buildings of the Church family in Centrevillage, and at half past two eight buildings had been destroyed, the largest of which was worth $40,000. The Shaker village is located at a high elevation, in a very exposed position, is a continuous row of large wooden buildings lining both sides of a straight street nearly a mile long; it has no fire apparatus, and but a moderate supply of water.

Murder.

CLEVELAND, O., 6.—John McCormick, one of the wealthiest citizens of Mt. Vernon, O., was murdered in his store last night, for money; no clue to the murderers.

LAST NIGHT'S DISPATCHES.

EASTERN.

Postmaster at Cedar City.

WASHINGTON, D. C., 7.—Jno. Chatterly is appointed postmaster at Cedar City, Iron Co., U. T.

Correction by the Ways and Means Committee—New President pro tem.

The members of the committee of ways and means say that erroneous reports as to the action of the committee, and their votes on various topics, have gone out to the press to the serious injury of trade, and therefore a statement is authorized that no final action has been taken by them on any new duty or tax, and that the whole subject is still unsettled.

The election of a new senator to succeed Senator Carpenter will necessitate the election of a new president *pro tem.* of the senate for the forty-fourth congress, vice-president Wilson being from the east. It is claimed that the presidency *pro tem.* properly belongs to the west, therefore the name of Senator Ferry, of Mich., has been prominently named in this connection on sectional grounds, because of his qualifications for the position.

Attorney General Williams appeared before the select committee on Alabama affairs, yesterday, and was interrogated as to his sending troops into Alabama last fall, and it appeared that he had had no correspondence with the Governor of the State on the subject, but he acted on information from other sources.

Rewarded at Last.

A House bill just passed by the Senate, gives Jos. Petri $5,000 in recognition of his heroic efforts in rescuing from starvation a train of California immigrants, snowed in in the Sierra Nevadas and Trinity Mountains in '49.

On a Pleasure Trip.

CHARLESTON, S. C., 7.—The national grange, yesterday, engaged in a pleasure trip up the Ashley river, and met at night for business of a private character.

Robbers Arrested—Reduction of Telegraph Rates.

NEW YORK, 7.—Daniel Hovey, Jno. Sweeney, and James Drew are under arrest, charged with complicity in stealing a safe, said to have contained over half a million in bonds and money, from the Adams Express Co., on the 24th ult.; Hovey and Sweeney were employes of the Co. The safe it is said, contained in addition to $35,000 in South Carolina and Virginia State bonds, half a million dollars in greenbacks. It is said that $75,000 in greenbacks were recovered yesterday, and that superintendent Walling has received information which will lead to the recovery of nearly all the stolen money.

The *Mercury*, to-day, says that the Western Union Telegraph Co. have resolved to reduce their rates below those fixed upon by the Atlantic and Pacific Co.; the reduction will begin about the 15th inst.

$30,000 Fire.

MILWAUKEE, 7.—A fire at Ripon, Wis., last night, destroyed property valued at $30,000; insured for $16,000.

Sheridan Returned—The Investigation Committee.

NEW ORLEANS, 7.—General Sheridan returned to-day.

It is understood that the congressional committee are unanimous in their opinion that the action of the returning board was illegal, and that the conservatives elected a majority of the members of the legislature at the late election. The congressional committee will conclude the investigation to-morrow, and will leave at once for Washington.

Dead.

BOSTON, 7.—Brevet Brig. General William Hayes, of the U. S. A., died to-day, at Fort Independence.

FOREIGN.

GREAT BRITAIN.

LONDON, 7.—Charles Anderson Pelham, Earl of Yarborough, died to-day.

Election for the Assembly—The New French Loan.

PARIS, 7.—An election for a member of the Assembly was held to-day, in the Department of the Seine-et-Oise; incomplete returns show that Valentine, a republican candidate, was five thousand votes ahead of his Bonapartist competitor, the Due de Padone.

Subscriptions have poured in for the Paris municipal loan, until it will amount to forty-two times the sum required.

Fighting with the Carlists.

HENDAYE, 7.—Fighting continues in the vicinity of Estella; the Carlists have concentrated and occupy about the same positions they held when General Concha was killed.

UTAH AFFAIRS.

Congress and Polygamy,
Including the
POLAND BILL.

THE ABOVE IS A SERIES OF LETTERS by "VERITAS," intended to give the public some acquaintance with affairs in Utah; political, religious and otherwise, and to show, in some degree, the real objects certain men have in view, in urging upon Congress special and prescriptive legislation for Utah.

The writer has used, very frequently, the testimony of gentlemen and disinterested parties, knowing that such matter has the greater weight.

Price 25 Cents.
