WINS HER HEART

Food That Helps Baby and the Family. Pleases Mother.

Show a mother how to feed her baby so that it will be healthy, rosy and plump and grow up strong and sturdy and the mother's gratitude is everlastingly yours.

A mother says: "Five weeks ago I weaned baby but could not get her to eat any kind of food until I tried Grape-Nuts, which she relished from the first, and on it she has plumped up and blossomed into a fat, chubby little girl."

"I feed Grape-Nuts to her regularly and use three packages a week for baby and my three-year-old boy alone, and I find that it regulates and keeps them nourished, strong and in good health all the time."

"Since feeding my children on Grape-Nuts I have used absolutely no medicine for either of them. Such food as this that does such wonders wins its way to a mother's heart. Please accept our thanks for the good your food has done in our family where we all eat it."

Children will grow up strong and healthy, be weak and puny according to the food they eat.

Grape-Nuts is a complete and perfect food for adults and children, is made on scientific lines and this is easily proved by trial.

Popular Forester Succumbs to Acute Attack of Pneumonia, Following Kick of a Horse.

(Special Correspondence.)

LOGAN, Cache Co., July 21.—Much regret is felt here over the sudden death yesterday of W. W. Clark, supervisor of the Cache national forest. Mr. Clark died in Card's camp in Logan canyon of pneumonia, after a short illness, following the kick of a horse.

He was instructor of forestry at the Utah Agricultural college during this time, spending his summers as a forest inspector. He was a prince among men, being highly esteemed by all his associates, and his demise has cast a gloom over the community.

Two years ago, shortly after his arrival here, he was married to Miss Baner of Lockport, N. Y. Mr. Clark's former home was about three miles from Clark and her baby went on a visit to her former home. She was notified of her husband's death and sent instructions in return to have the body forwarded to Lockport for burial. This morning's train carried the remains east.
