DAVID O. CALDER. EDITOR AND PUBLISHER.

Thursday, . September 23, 1875

NEWS OF THE DAY.

-The latest news from India nola more than confirms the pre-vious accounts of the destruction wrought there by the equinoctial storm. It is now said that out of three hundred houses in the place two hundred and ninety-five were back.

washed away by the sea, and that in all four hundred people were drowned, and that the stench aris-ing from the dead bodies of human beings and of animals on Monday last was frightful. To add to the horrors of the scene, a band of Mexican robbers commenced to pillage the dead, and chopped off hands, ears, and fingers of both men and women, to obtain the jewelry with which they were adorn-

- The schooner Eagan was sunk by a collision in Lake Huron, last night; two men were drowned.

-Mr. John Little, a rancher residing twenty miles from Fort Laramie, has been killed by Indi-BDS.

-At Piermont, N.H., a tramp roused a citizen and demanded money, enforcing his demand with a cocked pistol; the robber was directed to a hureau containing cash, and, laying down the pistol, he began to search for the treasure the owner of which seized the pistol and shot the scoundrel dead.

-At Bennington, Vt, a man suffering from disease ond poverty placed himself before a railway train, and was instantly killed.

-The mayor of Galveston is making appeals for help for the suf-ferers by the recent storm; Boston has responded with five thousand dollars.

-The Peekskill Iron and Min

Treasury is dead.

-Servia and Montenegro have

finally determined to remain neu-tral during the continuance of the troubles in Herzegovina.

-No frauds have been discovered by the recent investigation of the administration of affairs at the Osage Indian agency.

---- Philadelphians have badly beaten British officers in a game of cricket.

-By a fire at Kansas City, Mo., one man was burned to death and twenty thousand dollars worth of property destroyed.

----President Grant and his wife started west yesterday.

-The Von Arnim case is to be decided on the 17th of October. -Harvest prospects in South

Australia are unequalled for excel-

believing that the laxity of admin-istration of the criminal laws by the courts has something to do with it. The Neosho Journal states that there has not been a man hanged west of Springfield since the war, though murders are counted by the

class of characters-they are against Baron Boileau, who married Miss the local authorities anyhow. The Benton, and who was found guilty nature of their whines shows this. of association with Fremont in the Memphis and El Psso swindle, has been pardoned out of prison by the French government as being inno-cent of fraudulent intent. He sur-rendered his wife's dowry, \$140,000, to his creditors in that affair. Bhe died while he was in prison. Since his release he has fought two duels with his calumniators in that affair, slightly wounding his second ad-versary, and society will take him back.

they have they are very dexterous

An English traveller, Mr. Harts-horne, gave the British Association, the other day, an account of the Weddas, a wild tribe which lives in the interior of Ceylon. These Weddas are about five feet high, Weddas are about five feet high,

EASTERN.

Weddas are about hve feet high, live on water and roast monkeys, and are, he reports, incapable of laughter. After trying every way to make their chief lawgh, and fail-ing, he asked, in amazement, whe-ther they ever laughed. "No," replied the Wedda; "why should we? What is there to laugh at?"

The Government lately referred to the Medical Council of Great Bri-tain the question, if it was desira-ble that women should be admitted TO-DAY'S DISPATCHES.

to the profession, and the highest medical authority in the country has recommended that the present restrictions shall be removed, that women shall have the opportunity of attending lectures separately; and has promised that if the pre-sent licensing bodies will not admit women to the register, the Medical Council will.

The Women's Christian Temperance Union of Indiana have prepar-ed a memorial to Congress asking (1) the appointment of a commis-(1) the appointment of a commis-sion to investigate the consequen-ces of the liquor traffic of the U. S. on health, industry, orime, &c.; (2) the prohibition of the importation of alcoholic liquors; (3) the prohibi-tion of the manufacture of liquors in the District of Columbia and the Territories; (4) the requirement of total abstinence as a condition of office holding in the service of the U. S., whether the office be civil, military, or naval.

Query: Why do the press and the whole community fall into rap-tures when an ocean steamer makes

tures when an ocean steamer makes an unusually swift voyage, and then, after every ship-wreck, vehe-mently advocate careful passages, with no reckless speed? If the steamer that makes the "quickest time on recerd" is also the safest steamer and the most carefully managed, it is all right; but what will be the verdict of the people if a steamer striving to "make the quickest time on record" sinks her passengers?—Harper's Monthly.

The late Richard M. Blatchford stopped one day in the winter of 1873 at an old woman's stall on Nassau street to buy a banana. He laid a package down by his right right side while he selected the fruit and fumbled in his pocket for the selected the fruit and fumbled in his pocket for

CREAT BRIVAIN.

LONDON, 23.—The Paris corres-pondent of the Times reports that upon the meeting of the Assembly a new parliamentary group will be fermed, composed of radicals who follow M. M. Naguet and Louis Blanc; this defection from the left may possibly somewhat delay the dissolution of the Assembly. A special dispatch to the Daily Telegraph, from Vienna, states that Servia and Montenegro have notified the powers of their deter-mination to remain neutral in the troubles between Turkey and the north-west provinces.

WEST INDIES.

Dead. HAVANA, 23. - Senor Cayetono Benafot, secretary of the treasury, died on the morning of the 18th

vomito Sharkey, the murderer, attempt-ed to escape from a Kingston steamer touching at a port on the north coast of Cubs, and has been brought back to this eity.
