THE WHOLE WORLD KIN." When a rooster finds a big fat worm he calls all the hens in the farm yurd to come all dshire it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neigh-hors to share the benefits of his discov-ery. This is the touch of nature that makes the whole world kin. This explain why prople who have been cured by Chamberlain's Cough Remedy write let-ters to the manufacturers for publication, that others similarly alling may also use it and obtain relifer. Behind every one of these letters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by all drug-gists.
