

DEPORTED OFFICER ASKS REINSTATEMENT

Ex-Sheriff Robertson of Teller County Brings Suit to Oust His Successor.

HE WAS COMPELLED TO RESIGN

Informations Filed Against Rev. T. S. Leland and Others—Outrage By Masked Men.

Cripple Creek, Colo., Aug. 30.—The first of the promised actions by officers of Teller county who were deprived of their offices was filed in the district court today. Henry M. Robertson, former sheriff, petitions the court to oust Edward Bell from the office of sheriff and assess \$5,000 damages against him for usurping the office.

In the complaint Robertson recites the events that occurred on June 6 last when he was compelled to resign. Soon after the independence explosion he was induced to enter Arroyo hall where a large number of mine owners were congregated. The doors were immediately locked and a guard placed at them. Then he was informed that unless he resigned as sheriff he would be killed. He demurred and a rope with a noose was thrown to him and he was informed that unless he resigned quickly by the doors of the hall would be opened and the mob permitted to enter and lynch him. He resigned in order to save his life.

Informations were filed before District Judge Lewis today charging Rev. T. S. Leland, L. E. Jenks and Arthur Parker with a conspiracy to murder Sheriff Edward Bell and Deputy Sheriff Underwood. These cases are based on the shooting at Mr. Leland's house Sunday night when Sheriff Bell demanded admittance. Bell was killed and the accused are still in jail. E. S. Holden, former secretary of Engineers' union No. 15, has been brutally beaten by four masked men while on his way to the vindicator mine, where he works. He was opposed to the strike in this district and became identified with the non-union men, taking out a mine owners working card last December.

New York, Aug. 30.—Joseph Daniels, member of the Democratic national committee for North Carolina, who has been designated as chairman of the committee on editorial conference, arrived in New York today and began the work of the organization for the coming conference of the Democratic editors who will assemble here Sept. 6. Mr. Daniels has sent out 5,000 invitations, one having been addressed to the editor of every paper known to be supporting Parker and Davis. Acceptance from at least 1,000 are expected. Today Mr. Daniels was making arrangements for the banquet which is to take place on Wednesday evening, Sept. 7. The day following the editors will visit Boston by steamer.

Increase of Wages Denied

New York, Aug. 30.—The demand of motormen and firemen of the "L" road for an increase in wages and a decrease in the hours of labor in the subway was refused today by the officials of the Interborough Rapid Transit company. This decision was announced after a long conference between General Manager Bryan and General Superintendent Hadley of the Interborough company and a committee representing the employees. The question of wages arose when arrangements were being made for opening the subway.

REVIVAL OF "BOXERISM" REPORT FROM TAININGFU.

Shanghai, Aug. 30.—A revival of "Boxerism" is reported from Tainingfu, in the southwestern part of Pechili province, 215 miles from Tientsin. Over 200 American missionaries, including women and children, have been obliged to evacuate Tainingfu, owing to an intended massacre on the part of the Boxers, who call themselves "T'aiyuan." The local telegraph company refused to transmit a message from these missionaries to American Minister Conger at Peking. Fortunately, however, an English friend in Homan forwarded their message, whereupon Yuan Shi Kai, viceroy of Pechili province, dispatched urgent orders for their protection.

In view of the fact that the local authorities gave them no protection and there was no hope of continuing their work the missionaries came out. They traveled in safety.

Grave doubts are felt in some quarters here as to the real intentions of the Huiang, who is at present absent from Peking on a visit to the southern provinces. A similar mission undertaken by Kang Yi before the last Boxer rising is recalled.

The Manchuria's cargo consists of nearly 10,000 tons of general merchandise, most of it being consigned to Japan. It includes food, provisions and machinery, but no fear of seizure by the Russians is now entertained.

FIFTEEN TRUE BILLS.

Returned Against Denver Fidelity Savings Ass'n Officials.

Denver, Colo., Aug. 30.—The grand jury today returned 15 true bills against three persons as an outcome of the investigation into the affairs of the defunct Fidelity Savings association. They are: E. M. Johnson, president; John J. Jones, secretary; and Gibson W. Campbell and former Secy. Dan-noun.

Indictments against Johnson and Jones together charge intent to defraud and making false reports. Johnson is indicted alone on charges of embezzlement and grand larceny in sums aggregating nearly \$30,000. Campbell rests under indictments of embezzlement and larceny. The amount appropriated is \$7,000.

Jones was released on bonds of \$5,000, but Johnson and Campbell were placed in the county jail in default of bonds. In four of the charges against Johnson his bond was fixed at \$5,000 each, and on nine others \$500 each, making a total of \$24,500.

Campbell's bond was fixed at \$5,000. The embezzlement and larceny charges are all based on alleged manipulation of the books of the association.

CLARK AND A CRANK.

Montana Senator Followed by Man Bent on Mischief.

Missoula, Mont., Aug. 30.—United States Senator W. A. Clark was attacked here by a man named Joe Peg, who thought the senator had been breaking the game laws and was carrying a grouse in his pocket and who threatened to take the senator's life. Peg followed the senator several blocks, persistently calling upon him to hand over the grouse. Senator Clark ran putting into the lobby of the Florsheim hotel and demanding protection. He was sure that Peg had a gun, for several times the latter had made motions to pull it and threatened to shoot unless the senator gave up his game bird. Several persons sprang to his assistance and the man was overpowered.

A SERIES OF COLD BLOODED MURDERS

An Octogenarian of Colchester, Conn., Believed to be the Perpetrator of Them.

FOUR ARE TRACED TO C. B. MARX

Bodies of Two Victims Found—Motiv Of Crime Desire to Avoid Paying Debts.

Colchester, Conn., Aug. 30.—That Ger-shon B. Marx, aged 80 years, now held in the Norwich county jail, is the perpetrator of a series of cold-blooded murders is the belief of the officials, who today began a systematic search for bodies on the Marx farm. Four murders and an attempt to poison another man, it is believed by these officials, can be traced to Marx.

The bodies of two of Marx alleged victims, Joe Pavol and Joe Palm, have been found. Marx is awaiting trial charged with the murder of Pavol, his wife being held as a witness for the state. The two bodies for which the search was begun today are those of an 18-year-old boy and a Hebrew peddler.

The boy, known as Harry, arrived in New York from Russia about three years ago, and came here soon after to work for Marx. He worked on the farm six months and then suddenly disappeared. Marx said he had gone to Hartford to find employment. The Hebrew peddler went to the Marx home one evening two years ago and he has not been seen since.

The motive for the crime can only be traced to a desire on the part of Marx to escape paying money to persons to whom he was indebted. The two men whose bodies have been found were six months behind in their wages, as was the young boy Harry, of whom no trace has yet been found.

The theory is that Marx drugged his victims, then forced them from their hard for their wages and then crushed their heads with an ax, after which the bodies were dismembered and buried. Each of the bodies already found bears a ghastly hole in the forehead.

The missing peddler went to the Marx home with a large quantity of articles, including clothing, cheap jewelry, etc. and was never seen again. A few days after this Marx tried to sell a miscellaneous collection of clothing to a neighbor.

Marx had two farms, one of 165 acres and another of 105 acres. On the first farm was found the body of Pavol and on the second the body of Palm.

SOUTH CAROLINA DEMOCRATS Primary Elections Held Through-out the State.

Charleston, S. C., Aug. 30.—Democratic primary elections were held throughout South Carolina today for state and county officers and members of Congress. Success in this primary ensures success in the general election. The Republicans make no nominations, except possibly in some districts for Congress. The state officers nominated without opposition today were:

For governor, D. C. Heyward; lieutenant-governor, John T. Sloan; secretary of state, J. C. Gantt; attorney-general, U. X. Gantt, Jr.; state treasurer, H. J. Jennings; comptroller, A. W. Jones; superintendent of education, O. B. Martin; adjutant general, A. D. Frost.

It is impossible tonight to tell which of the six candidates for state railroad commissioner has been nominated. The returns are incomplete, but the re-nomination of Congressman George S. Fear of the First, Wyatt Allen of the Third, Joseph Johnson of the Fourth, D. C. Finley and A. C. Leever of the Seventh district are assured.

A second primary will probably be held in the Second and Sixth congressional districts.

Secy. Shaw in Portland.

Portland, Aug. 30.—Leslie M. Shaw, secretary of the treasury, who is making a tour of the Pacific coast under the direction of the Republican national committee, arrived in this city on the Northern Pacific train at 6:30 this evening from Puget sound. Mr. Shaw was met at the depot by a large delegation of prominent citizens, by whom he was driven directly to the Hotel Portland, where he had dinner. This evening Mr. Shaw was tendered an informal reception at the Commercial club. He did not speak.

Tomorrow night Secy. Shaw will open President Roosevelt's campaign in Oregon at a meeting in the Marquam Grand theater. He will address the gathering on political issues and will present the logic of the Republican party's claims to supremacy. During the day he will be driven to the Lewis and Clark expedition grounds and to other points of interest.

The McCarren Men Won.

New York, Aug. 30.—Both the Republican and Democratic parties held their primaries in New York city today, but the interest centered in the Democratic contest in Brooklyn, where Senator M. H. McCarren and Deputy Fire Commissioner Doyle, the latter the representative of Charles F. Murphy, the Tammany leader, fought. It was conceded that McCarren sympathizers would carry the majority of the Brooklyn districts. McCarren did carry 18 out of 21 assembly districts, but Doyle won the other five. It is said in political circles that McCarren is disappointed that Doyle carried even five districts, and that he expected to sweep Brooklyn and do away entirely with the Tammany influence. Tammany is elated at the result.

IRISH REFORM ASSN.

Adopts Platform Which Indorses Present Parliamentary Union.

London, Aug. 30.—The Irish Reform association has adopted a platform for the association, which, while firmly maintaining that the parliamentary union of Great Britain and Ireland is essential to the political stability of the empire and the prosperity of the two islands, expresses the belief that such a union is compatible with the devotion to Ireland of a larger measure of local government. It considers that such a devolution, while avoiding matters of Imperial concern and subjects of common interest to the United Kingdom, would be beneficial to Ire-

land, and would relieve the Imperial parliament of a mass of business occupying its time to the detriment of more important concerns.

The association also considers that the present financial administration of Ireland is wasteful, that it ought to be revised, and that the time has arrived to extend to Ireland the system of private bill legislation, which has been so successful in Scotland. It advocates urgently higher education and expresses the desire to do all in its power to further the policy of land purchase in the spirit of and on the general lines laid down by the land conference report.

Students on a Long Walk.

New York, Aug. 31.—Two members of a party of four Cornell students who started from Ithaca to walk to this city a week ago last Saturday to "have some fun," and incidentally to break records if they could, have concluded their journey. Those who finished were H. F. Porter of Bridgeport and H. H. Byrne of Washington, D. C. J. R. Mitchell of New York, and W. L. Du-rand of Ithaca, abandoned the contest at Albany.

No records were broken, but the walkers declare that they had an enjoyable time and averaged between 20 and 25 miles a day. They slept in barns and other convenient places, subsisting on chocolate, milk and eggs.

MYSTERIOUSLY LYNCHED.

Negro Confined in Texas Jail Suddenly Disappears.

Chicago, Aug. 31.—A dispatch to the Inter-Ocean from Weimer, Texas, says: While incarcerated in jail Oscar Lee Tucker, a 17-year-old negro under arrest for attempted rape, has mysteriously disappeared. The officials are unable to determine just when or how the act was committed.

Minnie Schultz, the 19-year-old daughter of a wealthy farmer, was attacked by Tucker.

He was arrested soon afterward and placed in jail. Three hours later, when the officers went to the cell to take the prisoner into court they found him hanging by his neck, dead.

The cage had not been broken into, but he had a 40-foot rope around his neck and his head was pressed up to a hole in the cell about eight inches in width and not over four feet from the floor, used to pass food through to the prisoners. His feet were tied close to his body with cords. There is no clue to the perpetrators.
