We are secured by some of Mess Sages that they will wear away a a person gets used to them, but get ting used to them is like taking "Mark Twain" degree in Saw Hors Masonry. The nights are at presen	bave given above. The Quaker looked at it with imperturbable gravity, and continued: "Yes, I see thon art in luck; but as my demand is a very small I think I must insist on payment before thou comest in possession of thy large estates." A tap at the window here brought the county court balliff into the presence of the parties. The swin. dier was particularly instonished at the appearance of this functionary, who immediately began to execute his part of the drams. "What!" excisioned the rogue in an an angry tone; "you surely havn't sued me?"	dering your time in idienecs. SELF MADE.— ⁵¹ Do you see that old man near the frog-pond on the common? ²⁰ "Thirty-two years ago the old man came to Boston with one su- spender and a sore toe. He also had a neaket of apples which a farmer in Lexington had given bin. He	All Through Passengers enried on Past Papren Trains.
