Thirteenth Ward Sunday School southward. A fruitful source Excursion.—The scholars of the Thirteenth Ward Sunday School, with their parents, teachers, and friends, will ge on an excursion to Provo, on Friday next, and while there they will visit the Woollen there they will visit the Woollon has well on towards completion a very handsome and commodious frame residence. The studding, before receiving the clapboarding, was substantially stiffened by a di-agonal sheeting of inch red pine, breken joints. Inside the sheeting Factory, the finest building of its kind in Utah, and probably between the Missouri river and the Pacific Ocean. Tickets for the trip, in cars \$2 each, on flat cars 50 cents each, may be had of George Goddard at the General Tithing office.

broken joints. Inside the sheeting is a lining of concrete, plastered to make it air tight and leaving about two inches vacuum between that and the lathing, thus securing all the requisites of solidity, warmth, durability and freedom from trost Theatre. - To-morrow evening Mrs. Oates' English Comic Opera and damp, so desirable in dwel-Company will appear at the Thea-

linge. The co-operative store at Smith-field is doing thrivingly, under the superintendence of Mr. Wm. tre in the "Princess of Tiebi-Barber. In connection there-with a commodious shoe shop has recently been opened. A tannery, 64x25, two stories, 15 vats, is nearly completed; and it is calculated they will soon be able to sup-

ply the entire valley with those staple commodities, shoes and lea-ther. The grain crops in the valley pro

mise fairly, though some of the fields look thin.

Stage travel to Idaho and Mon tana is brisk. The stages of Gilmer & Salisbury, now leaving and arriving daily at the terminus of the Utah Northern, Franklin, have their capacity taxed to the utmost.

IMPORTANT TO THE TRAVEL ING PUBLIC,

It is the duty of all persons before starting on a journey to ascer tain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omsha and Chicago. Within the past two years the road bed has een put in admirable condition st the entire line has been re-laid with steel rails.
