EXCITING FINISH IN FOURTH RACE

Ebel Day and Buckhorn Cause Two Thousand Turnites to Shriek With Joy at Buena Vista.

A most exciting and sensational finish race that between Ebel Day and Buckhorn in the fourth race, one of the sixteenth miles, at Buena Vista yesterday afternoon has not been run on any track in the country. The two drivers gave witness equal speed and endurance to the limit which going many miles in a race. Of the 2,000 persons at the new track yesterday it is safe to say that every one will forget it.

In the first race gray Mare got away on the start and when fairly into the race, Ebel Day, always ready to get away, started after him and the last mile was run in a dead heat. The two drivers came pounding into the wide home stretch. The crowd yelled狂atically for Ebel Day as Buckhorn, who had kept closer and closer just before the finish, reached the wire. Ebel Day was in the lead for a fraction of a second and then she seemed to shake herself together for the final burst of strength more in an effort. Buckhorn would have won, but there was a sign of relief followed by prolonged cheering when the officials announced that gray mare had lost to W. S. Morris' team.

The race was played at even money, while those who took Buckhorn were second and Cobbish third.

One of the features of the race was the winning of the race by Ebel Day.

The latter came in close to the favorite, but he fought it out to the very end, Swaggerator winning by a narrow margin.

In the first race Prudent got away well and led to the stretch when Mackay came in.

The last two long shots of the day was Swaggerator, played heavily at 8 to 1. Fisher was wise enough to let Henry on Parke take the pace and when it came to the finish he let his father out, winning with ease.

It was ladies' day yesterday and a large crowd of women were at the race. Mondays and Fridays have been designated as ladies' days.
