

PREST. SMITH IN LOS ANGELES

Interesting Meeting Addressed by President of the Church.

Los Angeles, Cal., Sept. 23.—On Thursday evening, Sept. 21, a very interesting meeting was held at the Los Angeles Latter-day Saints chapel. A large and attentive audience assembled to hear President Joseph F. Smith and party, who were on their way home from Mexico. The choir rendered fine musical selections, and the services were presided over by Elder J. W. Summerhays, Joseph F. Smith, Jr., and President Joseph F. Smith.

The remarks of the visitors were most encouraging to the Saints, and the strong testimonies of the activity of the Gospel which were given made the Saints rejoice in the fact that they are participating in the work of the Lord. President Smith exhorted the Saints to diligence in the performance of their duties and exhorted them to lead lives of righteousness that will be worthy of emulation. His remarks led to a lasting impression upon all who were fortunate enough to hear them. It was a veritable feast of good things. At the conclusion of the meeting, President Smith shook hands with each of the assembled, and it was a privilege that was highly esteemed by the Saints. The party left for home Friday evening and the good wishes of all went with them. WILLIAM D. PHILLIPS.

BAPTISMS IN GIRARD, KANSAS

Girard, Kan., Sept. 26.—Although the local work was not with considerable exception in this city by the warping sects, the Elders have been very successful, and have cause to feel much encouraged. A few of the homes in heart were secured, and the various testimonies of the Lord's work have been given in their hearts that the plan of salvation as taught by Christ and the Apostles anciently was not to be found among the various Christian denominations. Hence they have listened to the humble testimonies as borne by the Latter-day Saint Elders, respecting the restoration of the Gospel, and have been revealed from heaven in these latter days.

Robert G. Stowe and family, consisting of his wife and daughter, have been baptized and are thankful to their Creator that they have come to an understanding of the truth. Mr. Stowe is well respected by the people who know him. He has been a resident of Girard for eight years, and has many friends. The prospects for more baptisms here in the near future are very favorable, as several honest souls are earnestly investigating.

The Elders here have made many friends among the people. Practically all the business men of the city are very friendly with the Elders, and respect them in their position. The Union church, of which we wrote some time ago, have come to us, through controversy that arose among the ministers. A great deal of prejudice that existed among the people, has been allayed, and a better feeling prevails regarding the "Mormon" people and their faith. The "News" of the city has also been looked for and read with interest by us. B. F. DUFFIN, JR., L. VIVIAN HINCKLEY.

FOREIGN MISSION FIELD.

The following interesting notes of the missionary work in various parts of England are taken from the Millennial Star of Sept. 14:

Baptisms at Sheffield.

President Joel R. Parrish writes from Sheffield as follows: "On Sunday, Sept. 3, 1905, a baptism was held in the Upperthorpe Baths, Sheffield, at which three persons were baptized. Elder D. S. Evans officiating. 'We have just moved into a comfortable meeting room in the Builders' Exchange, Chose Burgess Street, and we are all much encouraged in our work.'

Baptismal Service at Bradford.

A baptismal service was held Saturday, Sept. 2, 1905, at 3 p. m., in the Wapping Road school house, Bradford, where 23 souls were added to the fold of Christ. Elder William J. Salmon and President Reese M. Harper officiating. Confirmation meeting immediately followed in the Temperance hall. The services were inspiring. The Spirit of the Lord was poured out in abundance, and all who attended rejoiced exceedingly.

District Meetings at Clayton.

Two successful district meetings were held Sunday, Aug. 25, 1905, in the rooms of the Clayton Ward church, Clayton. The services were well attended by Saints and friends. The speakers were inspired by the Spirit of the Lord in their remarks, and a feeling of love was disseminated throughout the congregation. After the services, general hand-shaking was engaged in, and all who had assisted in any way to make the meetings a success were pleased with the results of their efforts.

Outdoor Meeting, Indoor Speaking

Elder Hugh R. Brown sends the following from Ipswich under date of Sept. 8, 1905:

"We are very pleased to report another successful baptismal service in the Ipswich branch of the Norwich conference, in which another honest soul was made partaker of the spirit and blessing of the Gospel. The ordinance was performed in the Colchester Public Baths on Sept. 6, 1905, after which a sacrament and confirmation meeting was held at the home of a brother, where the Spirit of the Lord was made manifest in such rich abundance that all present felt to rejoice and praise God."

"We feel very much encouraged with the prospects in Ipswich, for although we are not permitted to hold street meetings, our hall is so situated that by raising the windows the public can hear our hymns, and often we have a large audience on the street who can hear every word uttered by the speaker, and thus we are preaching the Gospel to many who are anxious to hear but have not sufficient courage to lead them inside. One by one they are venturing inside, and our attendance is constantly increasing as well as our membership. 'Truth shall prevail.'"

CONFERENCE IN ARNHEM.

Arnhem, Holland, Sept. 9.—Our semi-annual conference was held here Sept. 2. Three very interesting meetings were held. President Charles H. Dudley presided. Two of the sessions continued in our regular hall, the Walstraat 4, while the other one took place in the Logegebouwn Rijn straat. President Dudley made the address of welcome and announced that our longed for visitor, Elder Herbert J.

In the afternoon session on account of so many Elders being present they were only allowed five minutes each as follows: John Roghaar, John Openshaw, Jr., Walter F. Hogan, Rheinhold Schouten, J. Alfred Riehl, L. Grand Richards, A. J. Gold, Wells Brimhall, J. P. Lillywhite and Alexandria Nibley. Elder Nephi Anderson, the acting editor of the Millennial Star was also present and made a short address. The evening services were well attended by both Saints and strangers. All present heard some very instructive remarks from Elders Derk Koldewijn, Heber J. Wells and Paul Rodwell. The president of the mission, Jacob H. Trayner, urged our friends to thoroughly investigate "Mormonism."

On Monday a Priesthood meeting was held. The reports from all parts of the Netherlands disclosed the fact that the work of the Lord was prospering.

In this branch the Elders are all united and working like beavers to spread this great work of redemption. We have a number of investigators and look forward to a bounteous harvest. On the 25th of August Arnhem was started with a cloud burst which resulted in putting a good foot of water in the Rijn street, filling cellars.

On the 25th of August was Queen Wilhelmina's birthday. This eventful day was celebrated in a patriotic style. At 2 p. m. a historical procession took place. In the evening a magnificent display of fireworks was given after that a general merry making for all. ABRAHAM J. GOLD, Secretary of Conference.

STAKE CONFERENCES

DAVIS STAKE.

The quarterly conference of the Davis stake was held at Remondino, Sept. 21 and 22, 1905. The stake president, Joseph H. Grant, presided. The conference was largely attended. A full representation of stake and ward organizations was present. Of the general authorities present were Elder John Henry Smith of the Apostles' quorum, Elder George Reynolds of the First Council of Seventy, Elder Alvin R. Jensen, assistant Church historian. President Joseph H. Grant reported the stake in excellent condition, all stake organizations fully organized, etc. Additional and encouraging reports of the following stake organizations were given by Elder S. J. Parrish of the High Council, Sister Susan Grant, president of the Relief societies, Sister Mary Grant, president of the Primary associations, Elder William E. Stokes, assistant superintendent of Ballistic classes, Elder Judson Tolman, of the Patriarchs; Elder Thomas Stead, president of the High Priests' quorum; Elder Amasa L. Clark, superintendent of Sunday schools; and Elder William C. Davis, senior president of the One Hundred and Thirty-sixth quorum of Seventy.

The instructions and admonitions of the visiting brethren were timely and to the point and such as would encourage the Saints to more diligence in heeding the commandments of the Lord.

A conjoint meeting of the Young Men and Young Ladies' Mutual Improvement Association, south district, was held on Sunday evening, at which the stake officers of the two organizations reported their labors. After the reports Elder John Henry Smith delivered a powerful discourse, speaking on marriage, the first commandment of the Lord, etc. Elder Smith exhorted all to shun the evils of the world and to live lives of purity. The excellent singing of the Farmington choir under the able leadership of Elder Joseph E. Robinson was greatly enjoyed by those present during the four sessions of conference. Many choir selections were rendered at intervals during these meetings. JOHN J. SMITH, Stake Clerk.

HYRUM STAKE.

The Hyrum stake quarterly conference was held in Hyrum, Cache Co., Saturday and Sunday, Sept. 23 and 24. There were present of the visiting brethren Elders Charles W. Penrose of the Apostles' quorum; Joseph J. Cannon of Salt Lake City, and Israel Barlow, Jr., of Bountiful. On account of conference being held on Saturday instead of Monday Elders

Penrose and Cannon were not present at the Saturday sessions.

The conference was presided over by President Wm. J. Parkinson. Excellent singing was rendered by the Hyrum Third ward choir. All meetings were well attended, with the exception of the first meeting on Saturday.

President Parkinson reported the stake in a good condition. All the organizations are complete. The members of the High Council and the stake presidency make it a point to visit the various wards of the stake, and thus keep in touch with existing conditions and encourage the Saints in their duties.

Bishop Evan R. Owen reported the Wellsville ward and gave a splendid discourse on the necessity of discipline in the home. He said that discipline in Church organizations depends to a great extent on discipline in the home.

Elder Orville M. Wilson reported the work of the High Council. Exhorted the young people to live lives that are creditable to themselves and the Church.

Elder Israel Barlow, Jr., related instances which have occurred in the Church showing that the Lord is with this people and directing the Latter-day work.

Bishop Samuel Oldham gave timely advice to the Saints to get the Spirit of God and keep out the spirit of the evil one.

On Sunday most of the time was occupied by the visiting brethren, Elders Penrose and Cannon.

Elder Cannon spoke on religion class work. This organization does not, he said, duplicate the work of the Primary association, but is a part of the Church school system. The Lord has inspired the work to be done, and it should be supported loyally.

Elder Penrose expressed his pleasure in listening to the reports given, and gave some excellent instructions. We make a mistake when we forsake religion for business. True religion is to learn the will of God and do it. The Priesthood comes from God and has been given to man today to remain forever. It is eternal. It is the authority to act in the name of the Lord and direct His affairs here on earth. He also spoke of the duty of parents to teach their children the principles of the Gospel.

In the afternoon session Elder Penrose spoke on the Word of Wisdom and other timely topics. The general authorities of the Church were unanimously sustained. All the speakers were greatly blessed by the Spirit of the Lord, and the conference is conceded to have been one of the best ever held in this stake. The Sunday evening meeting was conducted by the stake M. I. A. and a good program was rendered.

JOHN W. JENSEN, Stake Clerk.
