

Expectations of a Record-Breaking Trade in Christmas Specialties Being Realized.

WHEAT MOVEMENT IMPROVING

Much Complaint From South Dakota Where Elevators Are Overflowing With Grain.

New York. Dec. 7 .- R. G. Dun & Co.'s Weekly Review of Trade tomorrow will

"Lower temperature has stimulated retail trade in seasonable staples, but interest is most conspicuous in holiday goods. Expectations of a record-breaking run for Christmas specialties are being fully realized.

"Some improvement is noticed in the movement of wheat to primary markets, but there is still much complaint kets, but there is shift much comparing from the Dakotas, where elevators are overflowing and large quantities of grain are in danger of injury. "Liabilities of commercial failures re-ported for November are \$11,980,782, compared with \$5,866,798 a year ago."

STATEMENT OF FACTS IN JAPANESE PUPILS CASE.

San Francisco, Dec. 7 .-- The board of education, through City Atty. Wilham G. Burke, this afternoon submitted to United States Dist. Atty. Robert Devlin, a statement of the facts hearing on the segregation of Japanese children in separate schools, which is planned to make the basis of the legal planned to make the basis of the legal action that the federal government is to take to test the legality of the state statute under which the board of edu-cation made its ruling. The statement of facts presented to

The statement of their presented of M. Devils sets forth all the facts and conditions leading up to the segrega-ues of the Japanese and is in the na-use of an ultimatum from the local-suborities, who declare their intention of enforcing it. Mr. Deviln stated that it would be necessary for him to per-conally verify the facts as set forth and said that on next Monday he would be realy to state whether he could accept the statement as a basis for legal ac-

The statement was immediately tele-The statement was immediately tele-graphed to Washington, where it is ex-pected that it will be considered by Atty. Gen. Moody. The Japanese government, through its local consul, has collected a mass of data in connec-tion with the attendance of Japanese school children in the schools of this ity, some of which is at variance with he statistics of the board of education. To avoid the necessity of threshing out an enormous mass of evidence from both sides in the courts, the governand a sides and the call of the government is endeavoring to agree with the call authorities upon certain facts hich will be conceded by all parties. United States district attorney The United States district altorney match his intention to submit the mat-its to the state supreme court. He would assign no reason for choosing this cort, instead of a federal court, other than an intimation that he pre-ferred to have the matter decided by the judiciary of the state where it is in diamate

Bad Breath, leon Judson. Disagreeable Odor Arising From Indigestion or rom Any Habit or In-

Sample Package Mailed Free. Other people notice your bad breath

where you would not notice it at all. It is nauseating to other people to stand before them and while you are stand before them and while you are talking, give them a whiff or two of your bad breath. It usually comes from food fermenting on your stomach. Sometimes your have it in the morning --that awful sour, billous, bad breath. You can stop that at once by swallow-ing one or two Stuart Charcoal Lozen-rest the most percentil science of the

dulgence. Can be Instantly Stopped.

ing one or two Stuart Charcoal Lozen-ges, the most powerful gas and odor absorbers ever prepared. Sometimes your meals will reveal themselves in your breath to those who talk with you. "You've had onions," or "You've heen eating cabbage," and all of a sudden you beich in the face of your friend. Charcoal is a wonderful absorber of odors, as every one knows. That is why Stuart's Charcoal Lozenges are so quick to stop all gases and odors of odors. are so quick to stop all gases and odors of odorous fords, or gas from indiges-

of ederous fords, or gas from indiges-tion. Don't use breath perfumes. They never concea, the odor, and never ab-sorb the gas that causes the odor. Be-sides, the very fact of using them re-veals the reason for their use. Stuart's Charcoal Lozenges in the first place stop for good all sour breath and belch-ing of gas, and make your breath pure, fresh and sweet, just after you've eaten. Then no one will turn his face away from you when you breathe or talk; your breath will be pure and fresh, and besides your food will taste so much better to you at your next meal. Just try it. Charcoal does other wonderful things, too. It carries away from your stomach and intestines, all the impuri-ties there massed together and which causes the bad breath. Charcoal is a purifier as well as an absorber. Charcoal is now by far the best, most eave and mild insatires house A

Charcoal is now by far the best, most easy and mild laxative known, A whole boxful will do no harm; in fact, the more you take the better. Stuart's Charcoal Lozenges are made of pure willow charcoal and mixed with just a faint flavor of honey to make them palatable for you, but not too sweet. You just chew them like candy. They are absolutely harmless.

You just chew them like candy. They are absolutely harmless. Get a new, pure, sweet breath, fresh-en your stomach for your next meai, and keep the intestines in good work-ing order. These two things are the secret of good health and long life. You can get all the charcoal necosary to do these wonderful but simple things by getting Stuart's Charcoal Lozenges. We want you to test these little wonder workers yoursdif before you buy them. So send us your full name and address for a free sample of Stuart's Charcoal Lozenges. Then after you have tried the sample, and heen convinced, go to your druggist and get a 25c box of them. You'll feel bet-ter all over, more comfortabls, and "cleaner" inside. Send us your name and address to-day and we will at once send you by mail a sample package, free. Address F. A. Stuart Co., 60 Stuert Hildg., Mar-', shall, Mich.

Robels, George Warner, H. Farris, L. B. Wicks and John Wible. Reports as to the seriousness of the accident are conflicting, and from the office of Glass & Fisher, a contracting firm doing work for the Edison com-pany, it was stated tonight that but 70 feet of shafting was caved in and that work in the mine would be delayed that work in the mine would be delayed about one week. Coroner Mullins has been notified of

Coroner Mullins has been notified of the accident, but will not go to the scene until two weeks, being instruct-ed that it will take that length of time to reach the bodies. The accident occurred while the min-ers were removing timbers from the shaft. It is supposed that the work-men had become careless in their anxiety to make good time, and after removing a piece of timber had neg-lected to block it in the usual way. The failing earth gave impetus to the

wound is not regarded as serious. O'-Connor was arrested. The wounded man, when taken to a hospital, gave his name as Dr. Napo-lean Indean O'Connor declared to the police that the main was William Rodman Hennig a broker. He said the shooting was the result of trouble over a business traffs-

Hennig's wound proved not at all serious and he was permitted to leave the hospital.

ATTELL-WALSH CONTEST.

ATTELL-WALSH CONTEST. Los Angeles, Dec. 7.—Abe Attell and Jimmy Walsh of Chicago will meet to-bight in a 20-round go before the Pa-cific Athletic etub for the feather-weight championship. Tommy Burns will referee. A. Attell is favorite in the-betting at odds of 10 to 7. but Walsh is finding many backers who think well of his chamces at those odds against Attell. The latter has the advantage in experience, weight measurements and other essentials, and is confident that he will defeat his opponent easily. The winner of the fight will meat Harry Baker here on January 17. The present bout, coming so soon after the Burns-O'Brien heavyweight mill has "not aroused the interest which a champion-ship fight usually does here.

CHARGED WITH SCUTTLING SHIP.

ship fight usually does here.

Yokohania, Dec. 7.—The sensational trial of Albert A. Lewis, Charles A. Hill and F. M. Howard, accused of seutiling the American ship Agenor, which re-cently arrived from Scattle and was chartered to earry wheat to Kobe, in order to secure the insurance money, is still in progress here. Counter-suits for heavy damages have been brought by Sale & Frazer of Yokohann, owners of the wrecked vessel, and a protract-ed conest is expected.

WELLS FARGO HANDS.

Reported Raise in Wages is Dechared To be Premature.

To be Premature. Kansas City, Dec. 7.–R. A. Wells, general manager of the central division of the Wells-Fargo Express company, said today that the report from Hous-ton, Texas, that his company had de-cided to advance salaries was prema-ture. At a meeting of division super-intendents held Tuesday last it was decided to recommend to the president that salaries be advanced. However, the general offices in New York must yet pass upon the matter. Mr. Wells will go to New York on Tuesday next for a conference with the president when, it is expected, a final decision will be reached.

BIG FIRE IN HOLYOKE, MASS,

Holyoke, Mass., Dec. 7.-Two build-lags occupied fointly by McAulin and McCauley, dry goods, was destroyed by fire today. Loss \$200.000. Mrs. Frank G. Washburn, a hair dresser, went into the burning building twice to save some valuable papers and both times was overcome by smoke and was rescued with difficulty.

TO MAKE DENATURED ALCOHOL.

The falling earth gave impetus to the fourteen sections of the shaft, and they fell like a card house, causing the cave-in of the shaft, and burying the six men under tons of rock and earth.

As soon as word of the accident reached town, a score of miners were dispatched to the camp to assist in the work of clearing the shaft, in order to reach the bodies of the dead miners. This evening wagonloads of heavy timbers used in shafting left for the canyon and with the large force of men at its command, the company will rush work night and day.
