## BAMBERGER SUES FOR RIGHT OF WAY

### Over U. P. Tracks for His Suburban Road—Kind of Crossing at Issue.

### QUARTERLY CONFERENCE.

**Will Be Held in Two Sections Tomorrow—Habeas Corpus Denied—Press Club's Big Show.**

Ogden, April 18.—The case of the Salt Lake & Ogden Railroad company against the Union Pacific, Southern Pacific, Oregon Short Line and the Ogden Union Railway & Depot company, which is better known as the Bamberger road against the Harriman system, was on trial in the district court yesterday before Judge Howell. The entire session was occupied in the examination of witnesses and was continued until Monday morning, when the arguments in the case will be made.

The case bears all the resemblance of a friendly suit and is brought more for the establishment of safety at a railroad crossing than anything else. Before the adjournment of court, P. L. Williams, attorney for the Harriman interests, said that the defendants would waive the question of compensation for the right of way.

There seems to be no question of doubt but what the right of way of the Bamberger road over the Union Pacific would be granted, but it is a question of the kind of crossing to be established. If it is a surface crossing an interlocking switch will be maintained by the Bamberger road, which has a small grade near the proposed crossing.

### QUARTERLY CONFERENCE.

**Will be Held in Two Sections Tomorrow.**

Ogden, April 18.—The quarterly conference of the Weber stake of Zion will be held tomorrow at 10 a. m. and 2 p. m. in the stake academy and the tabernacle. Those living south of Twenty-fourth street are requested to attend the sessions held at the Weber stake academy assembly hall, and those living north of Twenty-fourth street are requested to attend conference in the tabernacle.

Presidents Joseph F. Smith and Anthon H. Lund of the First Presidency and Elders Rudger Clawson and David O. McKay of the council of the twelve apostles are expected to be in conference.

The quarterly conference of the Y. M. and Y. L. associations will be held in the tabernacle at 7:30 p. m. on the same day, April 19.

M. I. A. BOARD SOCIABLE.

At the Weber stake academy hall last evening the stake boards of the Y. M. and Y. L. I. associations gave another of their select parties. The "board parties" do not occur often but when they are held a most enjoyable time is spent as was evidenced at last evening's party.

HABEAS CORPUS DENIED.

Ogden, April 18.—The habeas corpus application of John Radcliffe which came up for hearing before Judge Howell in the district court last evening was denied. The application for a bond on the amount on appeal will be heard and passed upon by the court upon a later date.

Radcliffe is the young man who was arrested in this city about two weeks ago by Deputy Sheriff Clark upon information received from Mansfield, Ohio, where he had escaped from the state reformatory. The charge against Radcliffe was that of attempting to kill his father-in-law. Immediately upon his arrest and upon the arrival of Field Officer Collar of the Ohio institution, Radcliffe refused to return without requisition papers and while the officer was getting the necessary papers from the Buckeye state Radcliffe attempted to gain his liberty by habeas corpus proceedings. In the event of the granting of the petition for the writ Radcliffe would have been immediately arrested upon the charge of being a fugitive from justice.

### BIG SHOW COMING.

**Ogden Press Club's Initial Appearance Promises to Be Great Hit.**

Ogden, April 18.—A committee has been selected by President Bossner of the Press club of this city to make a selection from the flood of names suggested for the show to be given by the Ogden Press club in the Grand theater, May 1. This committee comprises John Pingree, T. H. Carr, J. S. Lewis, S. W. Badcon, and A. R. Heywood, who will select the name most suitable, the person who contributed it will receive the $10 prize on the evening of the performance during the progress of the play.

This show is to be the first given by the local press club and from all accounts the first attempt will set such a standard as seldom found in amateur ranks. The play will be in three acts and will be brimming over with sparkling dialogue and "business," based on local topics. Geo. L. Geiger and E. Evans, using suggestions and ideas furnished by local persons and events, have written what will undoubtedly be one of the funniest things ever perpetrated on the theater going public. Elaborate scenery and no end of costumes and stage settings are necessary to the production and not one detail will be overlooked.

The first act of the melange of mirth and music will show the Ogden city council in session. The business to be transacted during a most lively session promises to keep the laughter and applause at bubbling point every second. This act will be followed by a burlesque on "Camile." This must be seen to be appreciated. The third act will be an example of the keenest in play-writing. It will tell of the purchase of a newspaper by one E. Gott, Shekels, who buys a paper to aid him in his shaping out of a congressional career. The things that happen to Shekels, the paper and everyone in general will be convulsing, as in every act, the dialogue in this last act will be most appropo to local conditions and persons. One act hinges upon another, keeping some plot in evidence.

Another thing that makes the show one of great promise is the fact that Frederick Moore, of the Moore stock companuy and an old theatrical man of fame, has taken the show in hand and is now putting his eager near-Thespians through a course of most fruitful rehersals. Talented people will assist with specialties.

REPUBLICAN PRIMARIES.

Ogden, April 18.—The Republican county central committee held a meeting at the court house last evening for the purpose of fixing the date for the primaries at which delegates will be elected for the state convention, which meets in Salt Lake City May 7 to elect delegates to the national Republican convention to be held in Chicago in June.

It was decided not to hold a county convention but let each voting district elect a delegate to the state convention. As there are 42 voting districts in the county, and the county is entitled to 44, the two districts having the largest vote will be entitled to the two delegates at large. The primaries in the county will be held May 4.

The meeting was presided over by F. J. Hendershot, chairman, and Thomas H. Davis as secretary. The following were present: E. T. Hulanicki, Rudolph Kuchler, David Jensen, Joseph Dana, Jesse Fowers and W. C. Howell.

## PARK CITY.

### CITY COUNCIL SESSION.

**Sudden Death of Miss Dickert—Don't Want School Consolidation.**

Special Correspondence.

Park City, April 17.—The city council met in regular meeting last evening with the mayor and all councilmen present. A number of liquor licenses were granted. Petition was also received from the Volunteer fire department, asking $15 per month to defray current expenses. After some discussion the petition was laid on the table, as the city was not in position to respond at present. The city marshal reported that the policemen were willing to lay off one week in each month if the council thought it necessary. The marshal was instructed to lay off one man one week in each month.

The marshal was instructed to advertize for bids for sprinkling the streets. He was also instructed to procure all the lumber needed to repair sidewalks and flumes. And then came the old chestnut of collecting license from hotels and restaurants. It appears that some have paid license and others have not. After discussion it was decided to collect licenses from the first of the year from all alike.

SUDDEN DEATH.

Miss Dickert of Salt Lake, who was visiting her brother William Dickert and wife, died very suddenly yesterday of heart trouble. The young lady was intending to go to California, in a few days, for her health, but wanted to visit with her relatives before going.

SCHOOL CONSOLIDATION.

Mr. A. C. Nelson, superintendent of state schools; W. M. Boyden, superintendent of Summit county; Thomas McKay of Weber county, and John Smith, one of the superintendents of Salt Lake county, were the speakers at a meeting held last evening in the L. D. S. church and discussed the consolidation of the school districts in Summit county. The people of Park City, it developed, are not in favor of the consolidation, as they have three splendid school buildings and are out of debt.

## AMERICAN FORK

### SCHOOL FACULTY ANNUAL.

**Pedagogs Enjoy Delightful Function—Handsome Presentations.**

Special Correspondence.

American Fork, Utah Co., April 16.—The public school faculty gave a very interesting evening in the Commercial club rooms Tuesday evening. The occasion was the annual closing party. The program was original and very cleverly arranged. It consisted of solos, choruses, duets, impersonations, dramatizations, etc., by distinguished members of the fculty. The solo rendered by Supt Eggertsen, and the singing of America in three part harmony by the trustees, elicited especial praise from the music supervisior, Miss Lottie Owen.

Good fun and fellowship reigned supreme during the delightful hours spent together. A most pleasing feature of the evening was the presentation of a ring to Supt. Justesen.

Trustee Clayson, in behalf of the school board then presented to the faculty, a most beautiful set of 10 volumes of Americanized Encyclopedia Britanica and a set of three volumes of Plutarch's Lives.

A dainty lunch was served.

Prof. Justesen has been engaged again by the school board. This will make his fourth year here as Superintendent of schools. Nearly all of the present faculty, numbering 22, have accepted positions again for next year.

# SPRING The TIME For Quick and Permanent CURES

### START RIGHT—YOU MAY NOT HAVE A SECOND CHANCE.

Sick people should remember that a mistake in selecting their Physician cannot be reckoned by the MONEY LOSS ALONE—for in serious ailments if a mistake is made there may not be time to RECTIFY THE ERROR.

Disease does not wait—and people who try first one Doctor and then another—always concluding that if one Doctor fails they can still secure another—must remember THEY MAY NEVER HAVE THE SECOND CHANCE—and should be sure THE FIRST TIME that the Physician selected is the most competent and most successful Doctor procurable, regardless of his charges.

### HOW TO TELL THE FRAUD FROM THE REPUTABLE SPECIALIS T

Everybody who needs Medical Aid would select the best Doctor if they know HOW—but where every Fraud and Fakir claims as much skill as the Honest Experienced Specialists they find it hard to select the best—to tell the true from the false.

### HERE IS THE TEST—APPLY IT

IF a Doctor will deceive you in his advertising he will deceive you in his office. If he makes statements that are palpably false and misleading BEWARE OF HIM—for he will surely treat you the same way. If you are impressed with the Claims put forth by ANY Physicians, Specialists, Company, Institute or firm—READ EVERY LINE IN SUCH ANNOUNCEMENT. Ask yourself if every statement made is TRUE—ask yourself if every statement made is REASONABLE—ask yourself if the claims made are such as are recognized as true and possible by the Medical Profession as a whole, and if you find that claims are made that are untrue, unreasonable or utterly impossible THEN REMEMBER THAT THE MAN WHO MAKES SUCH UNTRUE AND IMPOSSIBLE CLAIMS is unworthy your belief, and all statements he or they make are likewise unworthy your belief. USE COMMON SENSE—ANALYZE AND THINK OVER THE CLAIMS MADE BY EACH AND EVERY DOCTOR—and then Select only those who stick to the plain unvarnished truth, and back up every statement by unquestioned proof.

One month's treatment now is worth three months in curative effects at any other season of the year Your opportunity for a quick cure.

### FUNERAL OF MISS TALMAGE.

**Talented and Popular Young Lady Succumbs to Nervous Prostration.**

Special Correspondence.

Provo, April 18.—Impressive services were held at the Fifth ward meetinghouse yesterday afternoon over the remains of Susie Talmage, the daughter of Mr. and Mrs. J. J. Talmage of this city, who died at the Provo general hospital Thursday of nervous prostration and peritonitis after a very severe illness. Miss Talmage was a native of this city, being born here Feb. 11, 1878. Dr. James E. Talmage of Salt Lake City, Utah, is her brother. She was an industrious young lady, having recently returned from the east, where she had been attending college to fit herself to accept a position as a teacher in the training school department of the B. Y. university. From 12 to 1:30 at Berg's undertaking parlors the remains were viewed by many of her friends. The funeral cortege from the parlors to the meetinghouse and to the cemetery was led by the University band, rendering sweet, solemn music, followed by the pupils of the training school and also her Sunday school class. The Fifth ward ladies' quartet, and a quartet of the B. Y. U., rendered appropriate music. Miss Allison also sang a beautiful solo. The speakers, Presidents Brimhall, and Keeler, James Brown, Guy Wilson and Bishop Manwaring, all spoke of the noble character and sunny disposition of the esteemed young lady.

B. Y. U. UNIVERSITY NOTES.

The event of the week at the university has been the opera "Boccaccio," given by Prof. Lund and his school of music. In many features, this opera surpassed in excellence any other one that has been given by the university. The orchestra work was particularly fine. Crowded houses greeted the performers three nights, Wednesday, Thursday and Friday. An invitation has been extended to Prof. Lund to take the opera to Salt Lake. It is not definitely decided, however, whether he will accept or not.

It is with a great deal of regret that the death of Miss Susa Talmage is announced, which occurred at 12 o'clock on Thursday, April 16. Miss Talmage will be greatly missed, especially in the training school. Since her return from Columbia university, she has been supervisor of literature in the training school. She was particularly qualified for her line of work, and her death is a great misfortune. Memorial services were held at the university.

The librarian reports that during the week he has received 50 choice volumes, a gift from Mrs. M. H. Hardy.

Prof. Horace Secrist delivered his lecture on "Civic Righteousness," at Pleasant Grove last Sunday night.

W. E. Stoker delivered a lecture in College hall before the Commercial students on the subject on "Sales" Thursday night.

Mr. Monteville Flowers appeared in College hall last Saturday night. A large and enthusiastic crowd greeted the famous reader, and were not in the least disappointed in their expectations. He read in his usual charming manner Dickens' "Christmas Carrol." This was the last of the series of lectures given under the auspices of the university, and it is safe to say it was the best of the whole series.

WAY OF THE TRANSGRESSOR

Sheriff Nesbitt of Monterey county, California, arrived in Provo with extradition papers for Walter D. Smith, the jail breaker and forger whose capture was made by local officers as previously reported in the "News." Smith made his boast that he would escape from the California sheriff before he was again landed in jail, and also boasted of making the two other get aways.

Probation Officer Roper left this morning for Ogden with John Lawhorn, who was committed to the reform school for picking the pockets of visitors during the horse show day.

The charge of embezzlement against Charles Good was dismissed without prejudice upon motion of Dist. Atty. D. D. Houtz and the charge of larceny was filed against him. This is the case where he hired a rig from the Stark stables of Payson and received $10 from Crandall of Springville leaving the outfit for security, and whose wife gave Deputy Sheriff Hales a merry chase in Salt Lake before his capture, which was previously reported by the "News."

For throwing rocks upon the roof and otherwise disturbing the peace of John Daley, Joseph Daley, a nephew, Le Roy Daniels and Roy Reese, all young men ranging from 23 to 26 years old, were arraigned and found guilty. A fine of $5 was imposed upon Daley while the other two took until this afternoon to receive their sentence.

SUIT FOR DIVORCE.

Action for divorce has been filed in the district court by Brigham J. Anderson against his wife Rachel Anderson of Provo alleging that defendant did on Dec. 24, 1904, disregard the solemnity of her marriage vows, and that she has deserted and abandoned him and still refuses to live with him.

MARRIAGES.

Licenses to wed were issued by County Clerk Gee to the following couples:

William Bullock and Mary Warner, both of American Fork.

Wilson J. Smith, Pleasant View, and Lucie E. Ferguson, of Milford.

BIRTHS.

The following births have been recorded: To Mr. and Mrs. D. O. Calder, Mr. and Mrs. Loveless, and Mr. and Mrs. Chester Snow, each a boy, and to Mr. and Mrs. John H. Davis, a girl.
