Horrible Accident. A soul-Street, during ed yesterday afternoon shortly before 4 o'clock near Dinwoodey's farm, on the Utah Central Railroad, a few miles this side of Wood's Cross and about a

mile and a half north of the Hot a of b Springs. The passenger train, which leaves this city at 3.40 p.m., was sed Febru-1881. The interfect of the hearing the locality indicated, where the section hands had been repairing ig to pay to the city tran the track, when the engineer, Robt. Buit, discerned some distance ahead, ouple of dark objects lying near e rails. Supposing them to be les of and left by the workmen, are received and the l for granted, with the understanding that if any reduction be made by or dinance in the license rate, the ap plicants shall be entitled to a rebat he allowed his locomotive to go on, but as the train drew nearer, that if any rec e perceived that the dark objects he.

asking for H

he perceived that the dark objects he had mistaken for sand piles in the distance were in reality human beings, men, one of them lying on the side of the track, to the right of the train, with his head upon the rail, and the other about 25 feet bey-ond, with his entire body extending crosswise of the track. Mr. Bult immediately reversed the engine, and blew the whistle. The shrili blast aroused the neurest man from this drunken stupor, for such it

his drunken stupor, for such it grounds.

the

this drunken stupor, for such it proved to be, and he lifted his head up just in time to escape decapita-tion. As it was, he was struck by the "cow-catcher" and thrown a little to one side which undoubtedly saved his life. The other man fared much worse. Being evidently more intoxicated than his companion, he manifested no signs of animation when the whistle blew, and the next moment the engine had reach-ed and passed over his prostrate form, mangling and crushing him in a frightful manner, causing, no

dered to be placed on file. The street supervisor reported an estimate of the cost of grading and covering with asphaltum the south sidewalk on First South Street, be-tween East and West Temple Streets, which was discussed, but prior to the adoption of a resolution authorizing the work and appointing the commissioners to make the re-could assessment, it was moved dured assessment, it was moved that a number of other sidewalks bo included in the estimate, and that the attorney be instructed to draft a resolution suitable for the improvement of them all. This motion prevailed, and the supervisor was instructed to make estimates of mangled; the other was found to have been slightly scratched by the the cost of grading those sidewalks recommended to be improved in a report on the subject, filed about engine as it ipassed him, but not at all seriously. following resolutions were presented at the last meeting of the McKenzle there discovered that he was posi-Reform Club, and will be discussed tively unhart. He had tried to inat its next session:

Resolved, By the McKenzie Reform Club, in public meeting assem-bled, that we approve the action of the city authorities in their efforts to restrain and repress the sale of intox-icating liquors in this city, and we pledge them our aid in this much-needed reform.

Resolved, That we request them to enact ordinances which will be effec-tual in the accomplishment of this

Resolved, That we will seek to have the Legislature of Utah pass a prohibition law at its next session.

George Items .- "Amram," ous St. George correspondent, writes on the 9th inst. Two of the items ait we have already published, viz. the death of young Jarvis, by lightning, and the breaking of the neck of a young gentleman who fell out of his wagon, between St. George and Washington. The former, when struck by the electric fluid, was standing on the Tabernacle steps. The lightning struck the spire of the allding and continuing down, shattered the lower flight of stairs.

Beautiful rains have fallen in that region of late. The people rejoice in the bounties of Providence.

"Amram" was to start on the 11th inst. for St. John, Arizona, having been called to make that place his future home. He will write to the News en route, and thereafter.
