A BAPTIST ELDER
Restored to Health by Vinol
"I was run down and weak from indigestion and general debility, also suffered from vertigo. I saw a cod liver preparation called Vinol advertised and decided to give it a trial, and the results were most gratifying. After taking two bottles I regained my strength and am now feeling unusually well." Henry Cunningham, Elder Baptist Church, Kingston, N. C.

Vinol is not a patent medicine—but a preparation composed of the medicinal elements of cod's livers, combined with a tonic iron and wine. Vinol creates a hearty appetite, tones up the organs of digestion and makes rich, red blood. In this natural manner, Vinol creates strength for the run-down, overworked and debilitated, and for delicate children and old people. For chronic coughs, colds and bronchitis Vinol is unexcelled.

All such persons in this vicinity are asked to try Vinol on our offer to refund their money if it fails to give satisfaction.
