COURT AT OODEN. edings before Judge Hender-

Proceedings before Judge Hender-son, In the Pint Diskrift Court In the case of the Ogden Invest-ment Company vs. Thomas Ma-ioney et al., an orbit was entered leaving motion for judgment on pleadings and allowing defoundants o amend their plea within five fays. a amount norm pairs within five days. In the case of M. D. Wells et al., vs. Zejh, S. Thomas, an order was entered for default, and also order for judgment in the sum of \$371.55. Samuel L. Klugan was admitted to the lar.

Is subjected to various strate or per-sections from Molaminesians. Dur-ing that time almost any eracly could be committed against the Jews-unchecked. A tone period the Pasha had a nution to demand from the Jews in Rehron the sum of 200,000 as an earlar tribute. The Pasha know very well that the poor people could not rule that sum among them, even if they excited themselves to the uttermost. Yet his consilitions were that they should pay the required amount in three days, with the al-toriative of being expedied in third. Three were crack persecutions, in-decst. The Table remeasibilities with the Pasha in behalf of the Jews, but in vain. The Pasha was immovable. In this distrass the Jews plane to 6 do with fashing and payer. And, behalf in the fash jews plane to 6 do with fashing and payer. And, behalf in the fash resonant to be into the synagogue. The amount distribute the the synagogue half removable. In this distrass the Jews plane to for which fashing and payer. And, behalf in the fash resonant in the size of a ga-peared to the itable and bold him to reasoning into the synagogue. The Rable followed this injunction, and when the earlier should be to be seen or year. Full of worker moded for the straing in the many house, and they containing nonce, the conted the content fue moment he synagogue half when he new the momey has every the fuel moment he may be re-ever year. The Fasha was furth-ies of how where the momey has a sim-ished when he aver the momey had come from. The Babbi told the stroy truthally. The Pasha on hearing the story locame as fright-ened the moment hearing how people in this fourse. The Babbi cold the story truthally. The Babbi told the story truthally. The Babbi contending to distribute it among his people as 4 was unable to lift my head and keep it even for a few minutes at a time. I experienced settler hunger nor thirst the whole day. In my head there was a seconditor of Re having icen inserted between a couple of millidones, grinding moderately fast. The following index exactly. moderately fast. The following night was again spent in redessones, and without shep. But the head-ache abated somewhat, and in the morning, what still was left of the pain hardly deserved the name. The semation was like as shough somebody had taken my head and head if that between two giant hands, pressing from side to shie. The semantical was 1 somebody had taken a hold it fast between hands, pressing from The effect of this pr kind of partial paraly tremities. I should memored walking, then

of bread secned a to However, I was on the covery again, but the e fever weeks of more, will give an itera of "A "The Pather of the Ko In Europe, people in that must strange thing Amarica. But some the Sch

to the coach and asked the driver who his passengers were. "Two Englishmen, a forman and a gen-ileman from Jerosalem," was the answer. The soldier then dismand-ed our passions. It handled over my furthis one. With the inpulse thus gathered, the soldier relived into the watchroom. A few min-uies later we were all ordered to descend from our seats in the cosch and to spear before the judg-ment seat of the angust repre-sentative of Tarkish inw. This rostor firied to look as if there was somelling awfully wrong womewhere. He held my mesorit in its hand, unopened, and

there was a considered as in wrong semewhere. He held my passport in his hand, unopened, and fanced around as if to find some-oid to sit down on. "Whose is this palle-

Eody to sit down on. "Whose is this paragort," he finally asked. "Whose is this paragort," he finally asked. "It's mine, sit," I replied with a little more emphasize, perhaps, than was actually necessary. "It is mine. What is the matter?" "There is no risk on it," he said. "O, yee, there is. Can yow not read?" "What is your name?"

"That is your name." "That name." he said, "is not in sur paspert." "Indecet! Look again." He looked.

"The name here is Yane." "Weil, my full name is Jame atten Sjodahl. Will that suit

Mattern Sponsni, with this series "What is your father's name?" "What is your father's name?" which I indeted upon fawing any paper relation, and is be allowed to proceed on my journey. "Ob?" the offleer suid, "that would not do. You will have to leave your passport here or with the Consult to nave it fixed." "I will do no such thing," I an-Priesthood Meeting.

Trestances accurag. The regular monthly meeting of the Pricethood of the Soli Lake State of Zion convened in the As-sembly, Hall at 11 a.m. today--Saturday, January 4th, 1850, Prosi-dent Asgus M. Cannon presiding. All the Wards of the State respend-si to the roll call, expending the we it fixed." "I will do no such thing," I an-tered. "I want my paper right way. It belongs to no, and there mobiling errors in 12." Now the pollcenium turned to the 'tree. "Ark you willing to be sponsible for this man?" (pointing me.) ed to the roll call, excepting the Fifth Ward of the city, and Union, Sandy Desper, and Pleasant Green. Seven quorums of Elders were properly represented, and seven young men were recommended as being worthy to receive erdination to the High Priesthood. President Joseph E. Taylor ad-dressed the meeting. He said that the Latter-day Salnts were now liv-ing in a very important period of ed to the roll call, excepting the

The driver seemed trightened at a bles. "I do not know him," he

the idea. "I do not know him," he said. I hastened to the relief of the driver, devining. "I do not want either this driver or anybody else to be responsible for ms. I am no criminal. My papers are in order. I want to be allowed to pass on." A length and noise consultation now ensured between its polleman, the soldier and the driver. It grees monotonous, allhough quite inter-orded the conference with. "What so you want me to do?" "Well," whil the driver, qive the solider absolider. What whole difficulty was settled, all partice order has been and the driver. A fereable response with a solider and the solider and the driver drive solider absolide." the Latter-day Saints were now inv-ing in a very important period of their history; a time when the Lord required much at the hands of His people, and near the time when all things that could be shaken, would be shaken. Men will be tried as they have never been before, and some may deny the faith. This

the whole difficulty was sense, and partice concurrend feeling happy and smilling. A *locabilit* represents 15 cents. Just think of fit All this fuss for such a triffed As my papers were in good shaps in every particular, I can think of no other reason for the fass than the 15 cents. Yet it was a terrible fass, although quite harmeles. It was a furious storm in a washink, such as independent Oriental tourists are likely to meet with whore government officials have a ward to say. Thave spent some time among the Jews a facily, and it has afforded me nuch pleasure to like about. A few of their nucleoties, et multions, thave preserved, in additions that. Here are two or three of them: $L \sim THE NYMERHOUS MONEY-BAG.$ The Jews in Heiron were former.

The Jews in Heiron were former-ly subjected to various kinds of per-secutions from Maintmeetans. Dur-ing that time almost any crucity could be committed against the Jews

He would not have such a powering the would not have such moments have been as a supervised of the supervised to intermed the moments of the people as a direct gift from food. But the next day if wave goes. Noted the next day if wave goes. Note the heard day if wave goes. Note the heard day if wave goes. Note the next day if wave goes, Noted the result of the supervised of the day could say where it had goes or how it. In all disappeared. If the disappear-ance wave as mysteristics as its ap-restruct.

1L-MIRACULOUS INTERPOSITION

11.— MIRACLOUS INTERFORMENTS, When the Jews first commenced to compregate at the "Walling Place," It very often happened that the Mohammedans durve them away with nocks and sitchs. Many of the poor Jews were acverely benten and sustained injuries of various kinds. They were not even allowed the poor privilege of weep-ing at the rains of their unce glori-ow bemple. On one particular oc-tion with a number of Moham.
