### England's Greatest Trade Rival.

is being examined by numbers of par-ties of figure on going into the deal. All who have seen the mine thus far express themselves as being pleased with the showing, until Mr. Evans says Shanghai, June 11 -- Admiral Sir Edall the money needed to take up the bend is now practically assured. To ward H. Seymour, British commanderin-chief on the China station, was the principal guest of the China association at its annual banquet last evening. In illustrate the proposition, it may be stated that May Day, which consists of one claim, is selling for more than the price asked for the property included in the Uncle Sam option. A large comthe course of a speech protesting against the policy of trade exclusion the admiral said Great Britain had three powerful rivals, the United pany will probably be organized and it is safe to say that it will not be States, Russia and Germany. Of the three the United States was the greatlong thereafter before the Uncle Sam would be selling on a basis of a milest of her trade rivals, but the rivalry was not in conflict with Great Britain's policy of open door. Germany was a keen competitor both as regards trade and sea power. Great Britain, some day, would have to reckon with the lat. Reported That 225 Square Miles ter. Russia was not only extending her Kemmerer Camera quotes Maj. territory, but was repressing trade. Admiral Seymour insisted on the im-Frank M. Foote of Evanston as saying that about two hundred and twenty-five square miles of territory have been pottance of holding and defending China, in order to preserve the prestaken up in the oil fields of Uinta | tige of the foreign nations.
