THE sanctity of Diamonds, God and silver, and the difficulties with it in securing them, is a sure indication of their value.

Thus it is with a valuable medicine: Dr. Aug. Kaler's Celebrated German Pulmonary Elixir, through the jealousy of rivals, has been met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a hair.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cure is truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaler, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

The Latest Discovery.

Of more value than any silver mine in Colorado, is GERMAN CATARRH CURE—a remedy prepared especially for the cure of Catarrh and severe colds in the head, that invariably lead to catarrh, which are so common in this climate. Remember that catarrh, if not checked promptly, goes to the lungs and ends in consumption. Each day's delay lessens the chance of cure. Price only 50 cents. For sale by the manufacturers, Brown, Medford and Manufacturing Company, Leavenworth, Kansas, and all wholesale and retail druggists in the west.

Brown's Cough Balsam

Will cure that cough. It cures by allaying irritation and producing easy expectoration. It is the most reliable cough cure in the west. Beware of remedies that contain stupefying opiates. Is your throat sore? Are you hoarse? Is your voice not as strong as it should be? Do not neglect what may lead to a bronchial or lung disease? Brown's Tar Troches will cure that hoarseness and restore your voice. For sale by Z. C. M. I. Institution, Godbe, Pitts & Co., and Moore, Allen & Co., Salt Lake City.

No Deception Used.

It is strange so many people will continue to suffer day after day with Dyspepsia, Liver Complaint, Constipation, Sour Stomach, general Debility when they can procure at our store HENRY'S VITALIZER, free of cost if it does not cure or relieve them. Various Cancers.

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them tend to it. It is shed prematurely. AYER'S HAIR VIGOR will restore added gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brassy, wet, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Hair becomes sure in its operation, it is incomparable as a dressing, and is especially valued for the soft luster and richness of tone it imparts. It contains neither oil nor dye, and will not soil nor color white cap or any other article. It is safe, and keeps it fresh and vigorous.

For sale by all dealers.

Whooping Cough is successfully treated by separating the patient beyond hearing distance of each other, and by the employment of Fellow's Hypophosphites. Whooping Cough is a nervous disease of so sympathetic a nature, that a paroxysm may be produced in one susceptible, by simply hearing the cough of another person. The above-named treatment has been found singularly effective.

Evening News.

LOCAL AND OTHER MATTERS.

High Council.—The members of the High Council are requested to meet at the Council House this evening, at 7 o'clock.

Wm. W. Taylor, Clerk.

"Pets and Hobbies."—Professor T. B. Lewis will deliver his new lecture this evening in the 20th Ward Hall, at 7:30 o'clock, under the auspices of the Twentieth Ward Institute. The public are cordially invited. Admission free.

Information Given.—In answer to a request for information regarding the whereabouts of Edwin and Walter Steadman, we have been furnished with their address. Persons wishing to communicate with them may find them at West Jordan, Utah Valley, care Mr. James Turner.

Bishop's Meeting.—The meeting held in the Council House, last evening, notwithstanding the inclemency of the weather, was well attended by the officers of the various wards, and the time spent in a very interesting and profitable manner. Presiding Bishop, Edward Hunter, occupied the stand, with his Counselors L. W. Hardy and R. T. Burton. After the usual opening exercises, Bishop Hunter addressed the meeting, briefly but forcibly reminding them of the various duties that devolved upon them as judges in Israel, fathers to their wards, counselors and assistants to their bishops, and teachers and guardians of the people under their charge. Our hands were full already, but if we did not faithfully attend to our duties, they would be fuller yet, as sure as God lived. The law of the Lord must be studied and strictly observed, or we could neither claim his care nor his protection. But if we did His will, he would gladly open the windows of heaven and pour out His blessings upon our heads. Bishop R. T. Burton was then called upon to speak, and delivered a kind, fatherly discourse, full of instruction and the spirit of love and charity. He dwelt to some length on the difficulties and cares attending the office of a Bishop in this Church, and the anxieties which but few understood or appreciated, but exhorted the presiding officers to do their best, which was all that God expected of them, and the ward members to have charity and consideration for those who presided over them. Kindness should be manifested mutually; nothing was ever lost by it, but we had learned by experience that much was to be gained by it; while it was equally certain that harshness and cruelty gained nothing. In dealing with the erring, the parable of the "Ninety and nine" should be remembered, and every effort be made to reclaim the fallen, instead of trampling them in the dust. Reforms were necessary among us as a people, but moderation must be used to bring about those reforms. Extremes and radical measures would not do the work, they were only productive of violence and revolution. A firm but gradual influence must be exerted, and above all, love and charity, for perfection was not to be accomplished in a day, an hour or a year.

The speaker then exhorted the teachers to be alive, to visit their districts often and regularly, to comfort the hearts of the Saints and administer consolation and instruction. Complaints were made by some that the teachers had not visited them for months, and sometimes years. This was not right. The people must be taught continually or they would fall behind and get lost, and the teachers would have to answer for much of their wrong doing.

Bishop E. D. Woolley then arose and spoke at some length on the evils of round dancing, and was followed by Bishops L. W. Hardy, R. T. Burton, and S. A. Woolley. The meeting was an extended one, but very enjoyable throughout. It adjourned to meet on Thursday, Dec. 25th, (Christmas) at 6 o'clock p. m.

Another Goss.—Brother Henry Hoskins, an old member of the Church, well known in this community, died at his home in the 17th Ward, last evening, about 6 o'clock. He was born in Connecticut, joined the Church at an early day, was a member of the Mormon Battalion and served faithfully in that capacity, and remained firm to the last in his belief of the divinity of the Gospel as revealed through Joseph the Prophet. For many years he has been an employee on the Temple Block, was a skillful artisan in wood, and well liked by all his associates. He was upwards of 70 years of age.

"Dispatch" Notes.—F. J. Kimball, formerly conductor of a Pullman Car on the Union Pacific Railroad, between Ogden and Omaha, after serving four months in a house of correction for a series of offenses, in obtaining money under false pretenses, has now been arrested at Sacramento for forgery. It is understood on authority of Mr. Dunn, superintendent, that no more Utah and Northern track will be laid this winter. There is about twelve inches of snow on the level on the Pleasant Valley Divide, which precludes further work until spring.

Obsequies.—The funeral services over the remains of little Sidney Sharp, took place, at noon, today, at the residence of the father, Bishop John Sharp, 20th Ward. The family, relatives and a number of other friends were present. The opening prayer was offered by Elder C. R. Savage, the singing being conducted by Counselor W. C. Dunbar. Brief and effective addresses, full of consolation and instruction were made by Elder T. B. Lewis and Bishop L. W. Hardy, in turn, and the meeting closed with a benediction by Elder George Romney.

Arrived at Liverpool.—By private letter, we learn that Elder Henry A. Dixon, William H. Corry, John L. Jones, J. W. Vickens, Hane Funk, Isaac Sorenson, and Peter Nielsen arrived at Liverpool, Sunday, the 23d ult., per S.S. Nevada. All these brethren were in fair health, the condition of Brother Dixon, in that regard, having improved very much on the journey.

Ladies' Conference.—The Relief Society, Young Ladies and Primary Associations, of the Salt Lake Stake will hold their Annual Conference in the 14th Ward Assembly Rooms, Friday and Saturday, the 19th and 20th inst. Secretaries of these societies are requested to send their reports immediately to the office of the Women's Exponent.

Writing Name.—In our notice, last week, of the appointment of a postmaster at Johnson, Kane County, the name W. H. Lane should be W. H. Lave.

County Central Committee.

A meeting of the People's County Central Committee for Salt Lake County will be held at the City Hall, in this city, on Saturday, December 13, 1879, at 12 m. A punctual attendance is requested. By order of the Chairman.

THEO. MCKEAN, Secretary.

Dec. 11th, 1879.

Panorama.—Christiansen's "Mormon" panorama exhibits to-night in the 18th Ward, and to-morrow night in the Second Ward.

Sentenced for Twenty Years.—Morton Hicks, convicted of murder in the second degree, for the shooting of Charles E. Johnson, last May, was sentenced at Malad, on the 8th inst., to a term of twenty years in the penitentiary. He is now in the 21st year of his age.

"Junction" Jots.—There is some talk of producing the play of the "Marble Heart" in Ogden, soon.

Mr. E. C. Jacobs, United States Commissioner, of Corinne, died there yesterday morning, of consumption.

The Union Pacific express was six hours late last night. Delayed by snow.

Amy Sherwin.—The New York Tribune has this to say of Miss Sherwin, who recently appeared there in the opera of Elijah:

"God has given her precious gifts; a delicious soprano voice pure and full, a voice and heart in it; a highly musical organization; and, we should judge, intelligence and strong feeling. If fortune proves as kind to her as heaven has been, she should become not a good artist, but a great one."

Prepared Eggs.—A new article of merchandise has reached the Salt Lake market. It is a preparation of new-laid eggs. For all purposes to which eggs can be applied in cooking, such as custards, cakes, etc., this preparation answers the same as eggs just out of the shell. Each package contains material equal to one dozen eggs, and it will stand any climate or any season without spoiling. G. F. Culmer is agent for Utah, and has a quantity on hand for those who wish to make a trial. It is all that it claims to be, and is a valuable preparation.

SHORT AND SHARP.

A college student, in rendering to his father an account of his term expenses, inserted, "To charity, thirty dollars." His father wrote back, "I fear charity covers a multitude of sins."

It has reached that point at last, that the patent medicine men are leasing beautifully bound volumes of the British poets, holiday styles, with masses of plasters, tonics and bitters inserted between the stanzas. We knew it would yet have to come to that.

The doctors say that seal skin is unhealthy. Bless them! Now if they can be induced to say the same of salt-bacon kids, point lace and a few such trifles, coming generations of married men will rise up and call them blessed.—Boston Transcript.

A little girl in the infant class of a Sunday school thoroughly appreciated the difference between being good from choice and from necessity. At the close of the school one day the teacher remarked, "Beckie dear, you have been a very good little girl to day." "Yes, 'm, I couldn't help being good; I got a tiff neck," Beckie replied, with perfect seriousness.

They were meandering arm in arm up the street, and a short distance ahead of them walked a young lady very handsomely attired. The sun was about setting and its light was throwing a beautiful crimson glow all over the scene. The father and daughter had a very pleasant conversation. "How beautiful, perfectly grand!" etc. "Well, I don't know," was the response from the father on his side. "I don't admire her style, and the dress is a mighty poor fit." He weakened, and the sunset interested him no more.—Yonkers Gazette.

The editor of the Fort Plain Reporter has his office and residence connected by telephone. Yesterday Mr. Skidd, of Little Falls, an old friend, called on the editor and asked to remain for dinner. The editor hurried to the telephone and shouted to his wife: "Mr. Skidd will be up with me to dinner; lay out a pair of pants and don't keep a hotel on wash day." Mr. Skidd excused himself for a few moments and was next seen eating fried chicken at the residence of the editor.—Amsterdam Recorder.
