Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we are pleased to announce that this Company runs *Pullman Palace Sleeping Cars* for sleeping purposes, and *Palace Dining Cars* for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

EVENING NEWS.

Monday, - - April 10, 1882.

Correspondence.

HUNTINGTON, Emery County, Utah, March 27th, 1882.

Editor Deseret News:

Some time ago I sent you the particulars of a two days' meeting we had in this place, but as I have not seen any reference to it, I presume you did not get it.

On Feb. 25th, Presidents Larsen and Seely visited us, and according to previous notice, meeting convened at 2 o'clock p.m. After the usual opening exercises, President Larsen said the object of the meeting on that day was to organize a Relief Society, and gave those present especially the sisters, some very good instruction in regard to their duties, after which the following organization was effected:

Sister Tabitha Avery, president; Sisters Emma Leonard and Mary E. Cox, her counselors; Sister Anna Johnson, secretary, and Sister Eliza J. Avery, treasurer; after which the speakers were President Larsen and Bishop Elias Cox, who thanked the sisters for their good attendance.

Sunday, 26th, at 11.30 a.m., meeting opened with singing and prayer. The speakers were Elder W. Seeley, Prest. Orange Seeley, Prest. Larsen and Bishop Cox, who all spoke with the spirit of the Lord resting upon them. At the close of the meeting the universal feeling among the people was that they had enjoyed themselves very much.

We also have a very good Sunday school, presided over by Bro. Peter Johnson, with an average attendance of over 100 pupils. We also have a good day school taught by Bro. Elias H. H. Cox

Bro. N. T. Guymon has delivered several very interesting lectures this winter on the early rise and persecutions of the Church, having passed through the trials and mobbings of the Saints in Missouri and Illinois; he was able to handle the subject with ability. There has been considerable sickness among the children here, but as far as I can learn all are better now and we all feel very thankful that there have been no deaths among us.

The heaviest snow fall we have had here this winter, (or I might say last winter, for it is nice spring weather here now), has not been over one and a half inches deep, and otherwise the weather has been warm and pleasant.

Last Saturday, March 25, 1882, there was a county convention at Castle Dale, at which Hon. C. G. Larsen was chosen to represent Emery County in the State constitutional convention to be held in Salt Lake City April 10, 1882. Elias Cox was elected his alternate. The following preamble and resolutions was introduced in the convention by Wm. Howard, and after being slightly amended was unanimously approved by said convention:

Whereas, There are now pending in the Congress of the United States several bills, having for their object the persecution and disfranchisement of a large majority of the people of the Territory of Utah, commonly called Mormons, and some portions of said bill not only strike at the religious and political freedom of the Latter-day Saints (a right that is as dear to them as it ever has been or ever will be to any of the people of the United States) but also at the Constitution of the country in which we live, an instrument we hold to be sacred, and beyond the power of Congress to make laws in conflict with, as article I of the amendments to the Constitution expressly declares that Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof, and

Whereas, Some parts of said bill are bills of attainder, depriving the people of their just rights, without due process of law, while article five of the amendments to the Constitution declares that no person shall be held to answer for a capital or otherwise infamous crime, unless on presentment or indictment of a grand jury * * * nor be deprived of life, liberty or property without due process of law; and article six of the amendment says, in all criminal prosecutions the accused shall enjoy the right to a speedy trial by an *impartial jury* of the state and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and be informed of the nature and cause of the accusation, be confronted with the witnesses against him, have compulsory process for obtaining witnesses in his favor, and have the assistance of counsel for his defence, and

Whereas the Edmunds bill, lately passed by Congress, deprives us of these rights inasmuch as it takes from us our liberty and property which we hold in the right to vote at any election held in the County, City or Precinct in which we live, and perhaps our lives, without due process of law, and inasmuch as we hold as dear as life the privilege to worship God according to the dictates of our own consciences and what we know to be right, and also the right to speedy trial by *impartial jury*, the right to be informed of the nature of the crime held against us, and the right to be confronted with the witnesses against us and also the right of counsel for our defence. And,

Whereas our people in other more favored parts of the Territory have availed themselves of the privilege of sending petitions to Congress protesting against the enacting of such unlawful measures, and asking Congress to send a commission of honorable men to Utah to examine into its affairs that they may be properly informed of the condition of the people of Utah, which is greatly exaggerated for the worse by a small clique of our enemies who would like to possess our property, our homes, and destroy our peace and good will towards each other and our conscience void of offence towards our God and towards all truth-loving men and women (a thing they can never do), and

Whereas, Knowing as we well do that the cause of our people is just and that proscriptive legislation, whether against the people of Utah or of any other people, is not becoming the high dignity of a free and independent Republic, now, therefore, be it

Resolved, That we do heartily concur in and sanction all petitions sent by our people for that purpose, and be it further

Resolved, that the clerk of this convention send copies of this preamble and resolutions to the DESERET EVENING NEWS and *Salt Lake Herald* for publication.

Very respectfully, WILLIAM HOWARD, Clerk of Convention.

HALL'S VEGETABLE SICILIAN HAIR RENEWER.

This standard article is compounded with the greatest care.

Its effects are as wonderful and satisfactory as they are speedy.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff; and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

In a few days nothing has been found so effectual, and reliable.

Dr. A. Hayes, State Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purposes."

BUCKINGHAM'S DYE,

For the Whiskers.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color which will neither rub nor wash off.

Mr. P. D. Etue, Kansas City, Mo., one of the proprietors of the *Commercial Indicator*, says he knows the St. Jacobs Oil to be a most valuable remedy for rheumatism. Last winter, Mr. Etue says he had this disease in his left shoulder. The pain was excessive at times, and so severe while attacks lasted as to cause a strong desire to have it speedily eradicated. After vainly resorting to several remedies for relief, without success, he at last hit upon the Great German Remedy. He experienced decided and immediate relief from its use, and was entirely cured with the fourth application. Since then he has entertained a very high respect for the curative powers of the Oil. This respect is not at all lessened by its happy action in the case of his wife, who subsequently suffered with inflammatory rheumatism. She contracted the disease while visiting in Colorado. Upon arriving home the St. Jacobs Oil was used in conjunction with prescriptions for internal administration, and materially aided in her restoration to health.

No Preparation on earth equals ST. JACOBS OIL as a *safe, sure, simple* and *cheap* External Remedy. A trial entails but the comparatively trifling outlay of 50 Cents, and every one suffering with pain can have cheap and positive proof of its claims.
