CONGRESSIONAL.

SENATE.

WASHINGTON, 19.—Morrill, of Me., submitted a resolution directing the Secretary of the Interior to communicate to the Senate any information in relation to the present situation and disturbances in the Sioux reservation, and whether military force has been interposed therein, and if so if it was by authority of the Department of the Interior, and the reason for such interposition; agreed to.

Thurman called up his motion to reconsider the vote whereby the bill was passed for counting the votes for President and Vice-President. He said he did not think that the Senate bill could pass the House, so the result would be no new law on the subject. He desired it properly amended, when, no doubt, it would pass unanimously.

Morton objected, saying he was surprised to find that the measure was considered as a purely partizan one. He spoke long on the necessity of having a new law on the subject, and since the bill had passed the Senate a circumstance had been discussed, which would startle the country when published.

Bayard inquired what it was.

Morton would mention no names, but it was a case where a vice-president was counting the vote for himself, and where himself a candidate he carried a false or void return in his own favor.

Thurman said he had seen it in the newspapers, and there was no secret about the names, it was Jefferson, but that great man never did such a thing, and it would not do now to make such a charge against such a man.

After further debate the vote to reconsider was 31 to 22, and the bill was placed on the calendar.

Morton gave notice that he would call it up to-morrow.

HOUSE.

WASHINGTON, 19.—Finney was declared entitled to the seat now occupied by Walls, of Florida, the vote being 113 against 83.

EASTERN.

Bank Robbed.

FORT SCOTT, 19.—A special from Baxter Springs, Ks., says that at about 10 o'clock this morning two men entered the Baxter Bank, presented a pistol at the head of the cashier, went through the safe and escaped into Indian Territory, with $3,000; officers and a number of citizens are in close pursuit.

A Steamer Injured.

QUINCY, 19.—The steamer *Clinton*, of the Keokuk and Northern line, running between Keokuk and St. Louis, on her trip, to-day, was driven with great force against the pier of the Hannibal bridge, and considerably damaged. The steamer *Cricket*, lying at Hannibal, went to the *Clinton's* assistance, and took off the frightened passengers. The *Clinton* was loaded at Hannibal, and expected to proceed to St. Louis last night.

Wool.

BOSTON, 19.—There is no improvement in the wool trade. The following are the market prices—X & XX Ohio and Pennsylvania is 43 @ 45. The most desirable XX is in light stock and is held firmer at the latter rate. Wisconsin and Michigan fleeces 38 @ 40, the latter being the ruling price for choice lots. California wool 14 @ 20 for fall; 18 @ 30 for spring. Pulled wools plenty and dull, with super and X at 25 @ 28 as to quality, the principal sales of super having been in the range of 36 @ 42.

The Burlingame Treaty.

WASHINGTON, 19.—The President has directed the Secretary of State to instruct Minister Seward to officially call the attention of the Chinese government to the practical operations of the Burlingame treaty, with a view to modifying it so as to apply to commercial purposes only.

Will Hear Anti-Chinese Arguments.

The House judiciary committee have arranged to hear the arguments on Luttrell's bill to prohibit servile labor contracts, next week.

Centennial Coins—Proposition to be Given Confirmation.

O Brien introduced a bill, to-day, to authorize the coinage of Centennial coins, the words "First Centennial of American Independence" to be plainly inscribed on them, to be legal tender to the amount of five dollars, the coinage to cease by December 31, A. D.

The Secretary of War directs that orders be given to the department commander to grant the protection asked for by the American citizens at Laredo, the revolutionists having levied a forced loan, the amount to be divided between ten merchants, half of them Americans; the navy department also requires the gunboat operating on the Rio Grande to co-operate.

The Senate, to-day, confirmed Coghlan as U. S. Attorney for California, and White, postmaster for Carson City.

Paying Out Silver Coin.

The Treasury, to-day, disbursed, in exchange for fractional currency about $35,000. There was a steady stream of applicants for silver coin from the opening of the cash room, at 9 o'clock this a. m., until the close at 2 p. m. Several large amounts were sent to banks and others who had applied for it. The Sergeant-at-arms of the House had silver on hand, and exchanged it for members and others for fractional currency.

Nominations.

The President has sent the following nominations to the Senate: Michael Schaefle, to be Chief Justice of the Supreme Court of Utah; E. P. Farley, for Governor of Washington Territory; W. V. Rinehart, Indian Agent at the Malheur Agency, Oregon.

Another Bad Cremation.

MEMPHIS, 19.—A crevasse at Delhi, on Monday night, caused great alarm at Friars Point, and all citizens at that point turned out *en masse* to try and repair the levee, the break in which is reported to be a hundred yards wide, and the water was pouring through with fearful force at last accounts, and overwhelming the plantations on Moon Lake.

Disobedient and Starving.

ONEIDA MILLS, N. Y., 19.—

Swedes, John Burgeson and Eric Lynde, while mad with drink, drove Mrs. Burgeson, wife of the former, from her house and murdered her five year old son, terribly bruising the body and fracturing the skull in seven places; both have been arrested.

Arrived.

JEFFERSON CITY, Mo., 19.—Chas. S. Wilkinson, ex-collector of Internal Revenue at St. Joseph, Mo., against whom there are three indictments for the violation of the revenue laws and complicity in the whiskey frauds, arrived here to-day; he will be arraigned on Saturday.

A Tremendous Crevasse.

NEW ORLEANS, 19.—The levee is broken at Point Lookout, in Carroll parish; this is the largest protection levee in the State of Louisville. The break here is a mile wide and the water is flowing through without making a ripple. The loss here is tremendous, and it is estimated that it will reduce the crop sent to this city two hundred and fifty thousand bales. On the Mississippi side the Buckridge and wade breaks will devastate Bolivar, Joquina and Warren Counties, and it will be equally as large on the opposite side.

Goods for the Centennial—Suspended Bridge Damaged.

NEW YORK, 19.—The steamer *France* has arrived at Philadelphia, with an immense amount of goods for the Centennial.

The Lewiston, Me., Savings Bank suspended to-day, owing to a protracted run of the depositors.

Two spans of a bridge near Ottawa were carried away by ice yesterday; much other damage was caused.

$20,000 Fire, &c.

It now seems that there was only $10,000 taken in cash at Moody's meeting, the remainder being given on condition that $20,000 be raised.

A fire at 21 South street, last night, Sherwood & Penfield, flour merchants, did damage to the amount of $20,000.

FOREIGN.

TURKEY.

News From the Seat of War.

CONSTANTINOPLE, 19.—The Minister of War has received a telegram from Mukhtar Pasha, dated Tuesday. Mukhtar says: "We have arrived at Gatzko. Victorious engagements have been fought continually during the six days occupied in advancing towards and returning from the neighborhood of Nicsic. We gained striking advantages, although the rebels, who are 14,000 strong, are twice as numerous as we. The Prince of Montenegro has openly made war upon us, about seven thousand well armed regularly organized Montenegrins having joined the insurgents."

An official telegram from Mostar coincides with the foregoing, and states that Mukhtar had returned to Galzko, after leaving provisions for Nicsic in Fort Prejeka, which is three hours march to the northward of Nicsic.

GREAT BRITAIN.

Sailors Imprisoned.

PLYMOUTH, Eng., 19.—Thirteen of the crew of the British ship *Caledarn*, from Dundee to San Francisco, were sentenced to-day to twelve weeks imprisonment each, for refractory conduct.

TO THE BISHOPS AND PRESIDING ELDERS IN ALL THE SETTLEMENTS OF THE LATTER-DAY SAINTS

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this purpose we request the Bishops and Presiding Elders in the various settlements to give especial attention to the collection of the debts due to the Perpetual Emigration Fund from those who have been assisted in past years. In view of the near approach of the season of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much good as possible this present year.

It is the duty of all the Saints who have the means to assist in the gathering of those of their brethren and sisters who are still scattered in Babylon, and we should be pleased to have the local authorities solicit donations from those who are not in debt to the P. E. Fund, and who are able and willing to do their part for the gathering of scattered Israel.

Your Brethren,
