Brother Peterson thought, that the child had swallow-
ant and choked, but this was afterwards proved
ndless. It was a rush of

blood to the head that immediately induced death, but the primal cause was not determinable. The body com-
menced to turn black very soon after life was extinct. The child had always been full of life, and as a general thing, remarkably healthy. About a year ago, while playing in the yard, he fell in a fit similar to that which resulted in his death, but on being prostrated, recovered. Several weeks afterwards, while on the floor in the house, another fit came on, which by the prompt action of the mother, in straightening the child's body out upon the floor, passed off like the first. On Thursday, after the fit came on, the same method was tried, but to no effect, as the spirit had departed.

GOOD TESTIMONY!

SALT LAKE CITY,

June 22nd, 1881.

Wayne Agricultural Company,

Gentlemen.—Your Agent, A. J. Johnson, started a Royce Self Rake Reaper for us this morning. We have used it all day and we think it is perfection, very light draft, easy to operate and lays the best Sheaf we ever saw from any Self Rake Machine. We cut to-day, Eight Acres of Rye in Seven hours and a half, and think it the captain of all Reapers.

Will Save the Hair and keep it in a strong and healthy condition, be- cause it will stimulate the roots of the hair, and restore the natural ac- tion upon which its growth depends. Burnett's Flavoring Extracts are absolutely pure.

To Whom it May Concern.

I hereby certify that for two years I have been suffering with very bad health, and having heard of Dr. E. L. Plant, I called upon him at 10 a.m. this morning and after exami- nation he undertook my case and gave me some medicine, and at 7 p.m. I passed 45 feet of tape worm which was alive when passed, and I now feel easier than I have for two years past. JACOB BAUMAN, Of Burton Sons & Young's Woolen ds & w Mills, Sugar House Ward.

THE proper course to be pursued by any one troubled with a disease of the skin is to procure and use without delay Glenn's Sulphur Soap, the most reliable of purifiers. It completely removes those eruptions which ointments so often fail to cure and remedies irritation, abrasions and roughness of the skin. Pimples, blotches, tan, freckles, in short all complexional blemishes are eradicated by it, and it affords prompt relief to muscles and joints racked by rheumatism. Clothing and linen which have been used in the sick room, can be thoroughly disinfected by it, and diseases of an obnoxious nature prevented by its use. It completely does away with the neces- sity of costly Sulphur Baths, since at a merely nominal expense it pro- duces the same effects. Physicians of eminence speak in the highest terms of its remedial properties, and it has been used as a disinfectant and deodorizer in hospitals and in- firmaries with the most satisfactory results. It is extremely popular with the fair sex on account of the clear- ness and smoothness with which it endows the cuticle, thus heighten- ing personal comeliness as well as promoting a healthy condition of the porous system.

Sold by druggists. Price 25 cents per cake. 1 box (3 cakes) 75 cents, sent by mail, post paid on receipt of price. C. N. CRITTENTON, Prop'r, 115 Fulton Street, New York.
