With a right good royal will Nor a Lopoless vain desire; Would beg of him, all the while, Is a source of ondiess obcor." Whatman. DIPHTHERIA

The was always singing, in tupeful time, In pute of his shining wheel. He may as the break of the dawning day, He sang when the night grew chill, In a stet of reckless, rejatering way, And serrow slid off from his careless illo, Like drops of rain from a spire, And he hadn't a froiful thought of sirife, So wherever be west, and whenever he so His manus r, so free from guile. Made over; one giad, and the weikin rang At the eight of his sunny smile. And the women and children, and grown To tell them the secret, there and then, Of his overlasting smile. "I ride a good desi, on a wheel of steel," Baid the man; "and a conscience clear Will make you feel that a real steel wheel James Clarence Harcey, in Novembe THRILLING WOLF STORY. Robe Wexford ought to have been a happy fellow. He was certainly considered one on the day when Kate Wilde lecame his bride. He was the envy of every young man in the rude Western hamlet where the caremony took place, and many were the good wishes showered on the heads of the newly-wedde I pair for their future happiness and pros-perity. Still there were those who not only insinuated but beasted that if What is it. Kate²⁷ perity. Still there were those who riedly: "What is it, Kate?" not only insinuated but beasted that the helpmate of her choice was unworthy the woman he had won. Kate's father and mother were par oried: tionarly opposed to the match, and did all in their power to provent it, but the girl, besides her unwavering love, possessed a determined will which, when once arouse i, carried "Rube, guess you have been dreaming." 'Yey," he replied, foolishiy; 1 He glanced at the elcck and said:

much before it. Rube Wexford was never accounted a strictly temperate man. Indeed, there had been times enve," was the general cry. "No, no; not to-night." before marriage when he was for days under the influence of liquor, and Kate had seen him in this state, and therefore knew fully the extent the snow. It would be after 2 o'clock lay the man with his feet and legs of his weakness. But the woman when he reached home. One thing clear up to the knees worn to the

of his weakness. But the woman loved the man, and within herself resolved that his reclamation should be her duty. That success must crown her efforts she little doubted. Autumn drifted away, the crops had been gathered in, and all the indications pointed to an early and severe winter. Rube's spress con-tioued. No wind was too cold, no the was incapable of estimating the straightened, out the bones creaked severe winter. Rube's spress con-tinued. No wind was too cold, no snow too deep to keep him from Washburn's, a not distant tavern. One evening in the latter part of December, he took down his leg-gings and gun from the pegs where they hung and was preparing to go out. Kate went to him and said: "Rube, you must not leave me to-night. Give in to me this time and stay at home?" "I am only going for a jaunt," he replied. "I'll be back soon."

replied. "I'll be back soon." river bank, and soon he was been for whiskey the acoldent

EVENING NEWS. door, went to a cheest, and took from it a pair of old fashloned states, whose steel runners gleamed in the divelent the pair of old fashloned states, whose steel runners gleamed in the divelent the manner, whose steel runners gleamed in the divelent the state of excitement. Several days ago there stated from St. Paul two tramps, one an old veteran, whose only chair, rolling uneasily and getting "Fo'de lord, dat rezels" down and took the back on me at black in the state dimense dawn with the stated scross the clearing. After reaching, the timber she left

ifted her tenderiy in her arms, and with the states slung over her After reaching the timber sheleft the beaten path and made for the river. It was coaled heavily with nest entirely free from wnow, leav-ing a nesity naked suiface. Kate and the buby down for a few mo-ments while she fastened on her skates. Then abe lifted her baby fitteen miles away. The morn shone brightly, she was a wonder-rally rapid skater, and she knew no slute. Werford sat near the warm fire which was surrounded by a drz inches wide, and when the brakes en men Leside himself. He had are off the beam, which is hung on bien there for hoprs listening to an-ecdotes of hunters' lives, even ad-ding to the general fund with some of his own experiences, but though his companions coaxed and persuad-ing the feet against the truss-rods ing the feet against the truss-rods and grasping a cross-rod with the with a determined look. The first his companions coared and persuad-ed him, they could not prevail upon him to taste liquor. This was something ab entirely new that insays a laugh and joke was had at his expense. He answered all per sumaions to imbibe in the same way, sumaions to imbibe the same way, sumaions to imbibe in the same way, sumaions to i saying only, "Not to-day, boys; not en condition.

to-day." When sunset came he was still in his sent. He wanted to be home, he wanted to keep his promise, but he thought he would walt a while and start later, so as is it would not look to Kale too much as it he ware allo. Mathematical as a chance to the cars rolled out from the station the tramps resumed their perilous to Kale too much as it he would not look

"What is it, Kate?" A foud roar of laughter brought him to his senses, and a rough voice

his usual round, inspecting the care, cluse, all retired more or less in a Norri slown Herald. thought my wife was calling me." the tramps were discovered in their place of hiding, and when ordered "Have something before you gisdly obeyed the summons, while "Have something before you the young man let go his hold and the young man let go his hold and fell on the track. ted it he noticed with a his ride of 15 miles seemed to him as t of shudder how cold and dark centuries. As his daugling legs UCK water looked as it tumbled strick the ites he ead hours scentd way. For thirty feet above the lis there was no ice. It broke of imptly, and the current rushed om beneath with terrible velocity. Syond in the moonlight glistened unbroken sorface of clier ice for "Partner, if you had as much expe TONO n unbroken surface of classice for ally hall a mile before there was a end in the river's bank. The eight as an old one to Rabe, and he paid tile heed to 1', but stalked on lently, still thinking of Kate and ondering if the cabin would be mantkes. Buddenly he stood tock-still and listened. Many an ar would have heard nothing but the sound of rushing waters. Rube's bute and practiced hearing detect i something mere, and he felt in-inctively for his ammunition and oked to the priming of his riffe hen from a distance the sound ame sgain—a peculiar cry, followed N STABLISHED CORTICELLI THE UNEQUALLED SPOOL SH Ladies Should Insist on Using these Relia Brands of Silk. A discrete FIGHTING WITH WHALES. led in a chorus of uncarthly yell; SHOOTING THE MONSTERS OF THE DAVID JAMES. About a week ago Mr. Peter War-ner, the well-known contra tor, and a veteran fisherman started out on very instant. Herore he could decide on splan i action there swist looked to the file and a short out from the end do the river whist looked to the file and a short out in order ter file and a short out out in order ter file and a short out out out ter file and a short out out the hour out out out out out room the short. They had cover the doar. Mr. Warner inmediately orange dhis file, file, file water do file over swere indeced before. The file came nearer and neares. Great of the work was were upon the war of the work was were upon the war do form, and wide deprection. A fire second the form a bow, she wavered to are allo, she matice add a arow from a bow, she wavered a arow from a bow, she wavered a arow from a bow, she wavered the file she matice add the short. They then be and shird short, she short out of y one an arow from a bow, she wavered a arow from a bow, she wavered a arow form a bow, she wavered a nor the bank in the meanilme ting rapidly, end picking off work and the bank in the meanilme and the bank in the meanilme and the short. The short and the bank in the meanilme and the short, file add a short short and the short, and a splan. Short file to do host her arow and the bank in the incosen a short file the short is a set diletions at an do is a set diletion and the bank in the incosen and the bank in the incosen and the short is a set diletions at a set diletion at a set diletion and the bank in the incosen a set add the danger arose. and the bank in the incosen a set add the danger arose. and the short is a set diletion at a set diletion at a set diletion and the short is a set diletion at a set diletion at a set diletion and the bank in th a fi-hing excursion in a small boat. efore he could decide on a plan They carried with therit a Winchesaction there shot out from the ter rifle and a shot gun, in order ဟ O ဟ Π п I О M 於依然國家以 AND THE REAL PROPERTY OF P ဟ D -CAR LOADS JUST ARRIVED TWO PRICES, \$80 to \$75.
