The Relief Society Woman's Mercan tile Association

Is opening a store for the sale of home manufactures in the building lately occupied by the Woman's Centennial Territorial Fair, known as the Old Constitution Building, opposite Z. C. M. I. store.

We are now ready to receive home-made useful and ornamental articles of all kinds, which we will sell on commission.

Many of our citizens have felt the want of a place devoted exclusively to Utah productions, and now that we are, in accordance with the wishes of President Young, uniting our humble efforts in this direction, we confidently trust that we shall not only have the support of all branches of the Relief Society throughout the valleys of the mountains, but also of our brethren and all others who feel an interest in the future welfare and prosperity of Utah.

Commencing as we do without capital, we wish it distinctly understood that at present we can only sell on commission. ELIZA R. SNOW, President.
