HAPGOOD SAYS IT'S "ALL ROT." New York Nov. 5.—Norman Hapgood, editor of Collier's Weekly, is quoted in the Times today as having made the following statement regarding the charge made by John Moran, candidate for governor in Massachusetts, in a letter to Dist.Atty, Jerome, that a story treating of alleged bribery by what he termed the "tobacco trust" had been suppressed and would not be published until after election:

"That is pure rot. It is true that we are to publish a story of the tobacco trust and that story will be the story of the trust from its beginning to the present ime. It is also true that a part of the story will deal with the influencing of legislation by the trust. We are very sorry that the story was not ready for publication some time ago, for we would have been very glad to publish it before election."

IMPORTANT DEVELOPMENT IN COLORADO SITUATION.

Denver, Nov. 4.—The important development in the political situation in Colorado today was the publication of a letter signed by State Treasurer John A. Holmberg, urging his personal friends to vote against the Republican state ticket with the exception of the candidates for Congress and Charles F. Caswell, candidate for supreme judge. Mr. Rollmberg was defeated in the Republican state convention in the race fo the governorship in spite of the fact that he is recognized as one of the strongest men the party has in the state. He attitibutes his defeat to treachery to the Denver primaries anno double dealing on the part of the local county committee. The letter, in part says:

double dealing on the part of the local county committee. The letter, in part, says;

"The state ticket bearing the name Republican is not a Republican ticket. It is simply and solely a corporation ticket, and no Republican, in my judgment, is bound on account of party duties or obligations to support it. I do not include the Hon. Charles F. Caswell in the foregoing. No better man could have been nominated for judge of the supreme court, and Judge caswell is entitled to the support of all good citizens, regardless of party.

"All Roosevelt Republicans should vote for the three Republicans should vote for the three Republican congressmen, who are pledged to stand by the president and support his policies, and, fortunately, they are men who will keep their pledges. But President Roosevelt himself would never support the Colorado state ticket nor ask any of his friends to do so. The Republican state committee has used every possible effort to obtain the president's indorsement of this corporation-made and owned ticket, and has always met with the same stern and indignant refusal.

"The corporations pleaded with Vice President Fairbanks when he was in Colorado to say a word for their ticket, and they pleaded in vain. They have published column after column about the sceretary refuses to come. They have told that Speaker Cannon would stump the state, but the speaker wisely remains away. Not a Republican of national prominence have they been able to secure, either to speak or write a word for their boss-made state ticket, and yet they expect Republicans at home to put on their collar, gratefully wear fit, and shout for their chosen tool, Buchtel."

To Get More Strength from Your Food.

WHEN the Bowels are filled with undigested food we may be a great deal worse off than if we were half starved.

Because food that stays too long in the Bowels decays there, just as if it stayed too long in the open air.

Well, when food decays in the Bowels, through delayed and overdue action, what happens?

The millions of little Suction Pumps that line the Bowels and Intestines then draw Poison from the decayed Food, Instead of the Nourishment they were intended to

This Poison gets into the blood and, in time, spreads all over the body, unless the Cause of Constipation is promptly removed. That cause of Constipation is Weak, or Lazy Bowel Muscles.

When your Bowel-Muscles grow flabby they need Exercise to strengthen them, not "Physic" to pamper them.

There's only one kind of Artificial Exercise for the Bowel-Muscles. Its name is "CASCARETS," and Its price is Ten Cents a box.

So, if you want the same natural action that a six mile walk in the country would give you, (without the weariness) take one Cascaret at a time, with intervals between, till you reach the exact condition you desire. One Cascaret at a time will properly cleanse a foul Breath, or Coated Tongue.

Don't fail to carry the Vest Pocket Cascaret Box with you constantly. All Druggists sell them-over ten million

boxes a year. Be very careful to get the genuine, made only by the Sterling Ramedy Company and never sold in bulk. Every tablet
