

TO THE MERCHANTS OF UTAH!

A. T. GREEN,

Successor to

JAMES LINFORTH,**Commission Merchant,**

3 FRONT STREET, near Market,

SAN FRANCISCO, CAL.

Merchandise and Machinery of all descriptions purchased or imported at UTAH TRADERS on the most favorable terms and at lowest current rates.

The near approach of the CENTRAL PACIFIC RAILROAD to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of Foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woollen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper.

SAN FRANCISCO

Unquestionably

The Market for Utah!

And ahead of all others in the advantages offered. Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this city, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business intrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

A. T. GREEN,

No. 3 FRONT STREET, SAN FRANCISCO.

**IRON
WARE**

WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE
ST. LOUIS STAMPING COMPANY,

A new line of

TINNED AND POLISHED WROUGHT IRON
WARE, suitable alike for

**HOUSEHOLD,
MINERS' OR CAMP USE.**

And take pleasure in calling the attention of Stove, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade, but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every housekeeper to see our Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Tea Kettles, Camp Kettles,
Mess Pans, Dish Pans, Sauce Pans,
Dish Kettles, Fry Pans,
Fadles, Dippers, &c., &c.

We are now preparing a new Catalogue and Price List, and we believe Stove and Hardware Dealers will find it to their interest to send for a copy of each before purchasing elsewhere. Address

By Telegraph.

New Orleans, 26.—The city, to-day, has been filled with exciting rumors of trouble in St. Bernard parish, adjoining, but below New Orleans. From information brought to head quarters by the Sheriff, it appears that a difficulty occurred yesterday, on the occasion of a public display by two Democratic Clubs, in which one white man was wounded, and two negroes were killed. At night the negroes proceeded in a body to the house of a Spanish baker, and killed him, his son, and sister-in-law. They afterwards set fire to his house, which was burned to the ground. His wife escaped with a child in her arms. Two other houses are reported burned, in one of which were four children, who are said to have been killed. The rumors are various and conflicting as to the extent of the outrages. Many of the white inhabitants of the parish deserted their houses last night, and fled to this city. Early this morning, on the first notification of trouble, Gen. Buchanan ordered a company of Infantry to march down the river. Later in the day he dispatched another company of Infantry in the same direction on the steamer *Elle Morse*, instructing the officers in charge to arrest all the ringleaders who could be found.

Evening.—It is currently reported this evening that the first body of infantry were attacked, but by what body of men could not be ascertained. A staff of officers had been dispatched to investigate the matter. When the rumors spread this morning, large numbers of white men congregated on the levee in the lower part of the city, and chartered three steam tugs to convey them to the scene of action, but were prevented from leaving the city by order of General Rosseau, as the number of troops sent were sufficient to restore order. The disturbed condition of affairs deterred the internal revenue officials from entering the parish to-day for the discharge of their duties. Prominent members of both parties had an interview with Gen. Rosseau. He generally agreed to discountenance and prevent, as far as possible, any further political demonstration. General Rosseau intends removing all troops in this vicinity into the city to prevent a recurrence of the scenes of last Saturday night. The recent disturbance has demonstrated the utter helplessness of civil government. No effort on its part appeared to have been made, and until the soldiers appeared on the ground on Saturday night, and for two hours after the riot on Canal street, not a single policeman was to be seen, though it is thought that numbers were congregated on St. Charles street, within four blocks of the scene of disturbance.

Wheeling.—The *Intelligencer* publishes the returns from thirty-three counties, from which it appears that the nett Republican majority is 4,054; the other counties are small, and will not materially change the result.

San Francisco, 27.—A sharp earthquake shock at midnight caused considerable fright; no damage was done.

New Orleans.—Two white men were killed last night. Several fights occurred between the whites and negroes to-day, resulting in the death and wounding of several of both colors. The metropolitan police were almost demoralized. Troops have been stationed throughout the city. Governor War-mouth has issued a proclamation, requesting both parties to abstain from public processions or demonstrations, till after the election. Some negro policemen, who waited two days without reporting for duty, have every one been discharged; about 100 whites have been appointed. Some discharged Federal soldiers and about 200 citizens will be sworn in as special officers.

New York.—An immense Democratic mass meeting was held in Tammany Hall to-night. Frank Blair and others spoke.

The Republican National Committee has issued the following address:—

New York, 28.—Fellow-citizens, on the 3rd of November you are to register your decision at the ballot-box, which will control government for four years, and affect the destinies of the country for all time. The Democratic party, entering into the campaign with practical repudiation on its banner, and a determination to reconstruction, by declaring all acts relating thereto void, has met a signal defeat, in those States holding their election in October, and a positive condemnation of its policy. It now seeks to change its Candidates, and deny its purposes, as declared on its platform. But be not deceived, the
