WATCHES JEWELRY

ABOUT three months ago all the watchmakers in this city agreed and subscribed to certain prices for work in their lines for the purpose of obtaining uniform and Cheap Rates. This agreement, however, has already been broken by several watchmakers, who are underselling their colleagues and thereby proving themselves untrue to their written word. In consequence of which, the undersigned has withdrawn his name from said agreement and established his own prices, cheaper than any other Watchmaker's in Salt Lake City.

CLEANING WATCHES $1.50 A PIECE

And everything else in the line of

WATCHES and JEWELRY

Reduced in the Same Proportion.

Articles and Workmanship Guaranteed to Give Perfect Satisfaction.

CARL C. ASHUSSEN,

Per J. NEILSEN, Manager.

Salt Lake City, Sept 12 dâm

For You, Madam,

Whose complexion betrays some humiliating imperfection, whose mirror tells you that you are Tanned, Sallow and disfigured in countenance, or have Eruptions, Redness, Roughness or unwholesome tints of complexion, we say use Hagan's Magnolia Balm.

It is delicate, harmless and delightful article, producing the most natural and entrancing tints, the artificiality of which no observer can detect, and which soon becomes permanent if the Magnolia Balm is judiciously used.

Meeting of Police Board.

NEW YORK, 2.—At a meeting of the police board to-day, Commissioner McLean (anti-Tammany) waived the appointment of one Tammany inspector for each election district for the First Assembly District, and named the leaders of the opposition to Robinson and Tilden, including David Dudley Field, Cyrus W. Field, August Belmont, Augustus Schell, E. W. Stoughton, ex-minister to Russia, and Lyman H. Trumbull. Commissioner Wheeler asked what are their political opinions. McLean answered: "I am not certain about the politics of Cyrus W. Field or E. W. Stoughton." "Then," said Commissioner French, "I move to substitute for the names of Cyrus W. Field and E. W. Stoughton, those of Samuel J. Tilden and Commissioner McLean." By the votes of Commissioners French, McLean and Morrison, Commissioner Wheeler declining to vote, the amended list was adopted. After this performance the board took a recess. The inspectors receive $5 for each day's service.

Quaker Indian Agents Resigning.

A special from Richmond, Ind., says: The Hicksite and orthodox Quakers' yearly meeting for Indiana and Western Ohio is now being held. In the orthodox conference the committee on Indian affairs reported that owing to an order from the Interior Department compelling Indian agents to employ only head clerks nominated by the Department, who are to have charge of the books and disbursements at the agencies, without being under the control of the agents, and also to numerous orders and decisions of Secretary Schurz, crippling them in their work, the committee had requested its agents to resign, and that they had severed all connection of the meeting with the Department.

In the Hicksite meeting the committee reported their agents intended to resign for the same reason. The Quakers claim they are being ousted to make room for politicians, and that all agents under care of their society will be dismissed within a year from this time.

Grant's Feeling Toward the South.

Speaking of Grant's reply to the greeting of the ex-Confederates, the Augusta (Ga.) *Chronicle* says: This is a short and sensible speech. Nothing could have been in better taste. Grant is right. Nothing expands the mind more than going abroad. We have no doubt Grant is in all respects more conservative than ever before. Not a particle of bitterness toward the South seems to have an abiding place in his nature.

De Lesseps Coming.

The chamber of commerce, meeting to-day, received a letter from De Lesseps informing them he would be in this country shortly to look after the proposed Darien Canal. It was suggested that the officers of the chamber should meet him on his arrival. The matter was referred to a committee.

Later Indian News—Tyner's Party Safe.

COUNCIL BLUFFS, Ia., 2.—This evening Lieutenant Gilbert, with 240 soldiers from Fort Snelling, arrived over the Northwestern, and took a special train over the Union Pacific for the scene of the recent Indian fight in which Major Thornburgh was killed. The soldiers were all in good condition and spirits.

Washington, 2.—Gen. Knapp, chief clerk of the Postoffice Department received to-night the following reply to his telegram to the postmasters at Laramine, asking information relative to First Assistant Postmaster General Tyner and party:

Laramie City, Wyo., Oct. 2.

To W. A. Knapp, Chief Clerk of the Postoffice Department:

A party just arrived who saw General Tyner and party on Big Creek, about 15 miles from Tinkham's ranch, at entrance to North Park, says: Messengers have been sent to warn them of danger from Indians. Think they are all right and will telegraph you when I hear from them.

(Signed) C. W. SPAULDING, Acting Postmaster.

This places General Tyner and friends some miles east of the scene of Thornburgh's disaster, with a mountain range between them, and free from danger unless an outbreak among the Indians is more general than is supposed.

A Utah Land Decision.

WASHINGTON, 2.—The Acting Secretary of the Interior to-day rendered a decision in the case of the city of Grantsville, Utah, against Thomas McBride, affirming on appeal a former decision of the Commissioner of the General Land Office in favor of the appellee, on the grounds that the entry of McBride was not confirmed by section 2 of the act of March 3d, 1877, and his settlement prior to the date of his homestead entry cannot be recognized as conferring on him any rights under the homestead law.

The Establishment of Military Schools.

ST. LOUIS, 2.—The committee on military education reported to the military convention certain recommendations to be laid before Congress and the people. They include military schooling in the public schools in every State; the establishment in each State of military academies of the grade of West Point; graduates to command State forces, and after full service to be eligible to the United States army. The course at West Point is to be advanced to meet the requirements of more highly educated young men.

Indiana State Fair.

INDIANAPOLIS, 2.—The grand industrial parade to-day was a complete success. Every branch of trade was represented. President Hayes and Gen. Sherman, escorted by the military, were at the head of the procession, which was reviewed by Mrs. Hayes from a platform in front of the post office. It occupied two hours in passing.

The President visited the fair this afternoon, and spoke in his usual cheerful style of better times. He alluded to the large crops of Indiana, saying it was understood she had raised 50,000,000 bushels of wheat and 150,000,000 bushels of corn, and would continue to do so in future years. He congratulated the State upon its peculiar prosperity, upon its loyalty during the rebellion, and upon its being the home of Oliver P. Morton, to whom he paid a glowing tribute. The whole address was enthusiastically received. He was followed by Gen. Sherman, who reviewed the general prosperous condition of the country. In dwelling upon the late Indian massacre, he said the Indians should be punished, notwithstanding Congress had cut the army down until it could barely do picket duty on the frontier, and urged that influence be brought to bear to have the army strengthened. Gen. Sherman then introduced Col. Thompson, who spoke at length on matters of local interest.

Suspected of Wife-Murder.

NORWICH, Conn., 2—Wm. B. Riddle, of this city, was arrested to-day, on suspicion of having poisoned his wife. Mrs. Riddle died on the 22d of May, 1878, under somewhat suspicious circumstances, and since then rumors have been circulated regarding Mr. Riddle's connection with the event. First action taken to day.

Bonds Recovered.

BALTIMORE, 2.—A box, containing $28,000 worth of bonds, which were stolen from the National Bank of Baltimore in September, 1878, was unearthed a few days ago, near Woodbury, by some young men while hunting. Thirty-five thousand dollars, which was stolen from the bank at the same time, has not yet been recovered.

Frightful Accident.

DETROIT, 2.—An Adrian special to the Detroit *Post-Tribune*, gives the particulars of an accident that occurred at the county fair grounds in that city this afternoon. About 2,000 people had assembled in the newly erected grand stand to witness the races. The centre of the grand stand gave way with a crash. The front part fell outward, and the back fell into the river, precipitating a mass of people among the ruins. Work was at once commenced to extricate the dead and wounded, and the opera house was opened and many of the dead and wounded, as fast as extricated, were conveyed there. The following is a list of the killed: M. M. Merck, Adrian; Mrs. John Hubbard, Jasper, Mich.; two boys about 22 years of age, named Hyde and Mosher; David Plumadore, Petersburg, Mich.; aged 18, and Wm. Mulzer, of Adrian. Many of the injured were taken away by friends, so that the actual number injured cannot be given, but it is known that forty-four persons, men, women and children, mostly residents of Adrian and towns in the immediate neighborhood, were more or less seriously injured in every conceivable way. Everything possible is being done for the relief of the wounded.

The Jay Cooke Estate.

PHILADELPHIA, 2.—A committee of the creditors of the Jay Cooke estate to-day declared a third cash dividend of 2½ per cent., payable November 3d. They also declared an asset scrip dividend of 10 per cent., in accordance with the provisions of the plan for closing the estate, the certificates which will be delivered to the creditors at the time of the payment of the cash dividend.

WESTERN.

Western Pedestrians.

SAN FRANCISCO, 2.—The pedestrian match commenced at the Pavilion last evening, in the presence of an audience of both sexes, numbering five or six thousand. The Pavilion was handsomely decorated for the occasion. A fine band was in attendance and the preparations were of the most careful description. Of the 40 entries for the match heretofore published, all started with the exception of Smith No. 13. Each contestant is provided with a tent and encampment so arranged under the east gallery that an unobstructed view of the track is obtainable from any part of the hall. The building is brilliantly lighted by both gas and electricity. A billiard room, bar, restaurant, promenade, shooting gallery and archery range is provided in the building, and everything promises a successful and well attended contest. The match is for 144 hours. Half of the gate money to go to the four leading competitors, in addition to the prize medals. The reputation of Messrs. Lawton & McNeill, of the Olympic and Caledonia clubs respectively, are a guarantee of the fairness of the contest.

The pedestrians were called up a few minutes before 11 and received their instructions from referee Colonel H. G. Shaw of the Pacific Life. At eleven the bell struck and a start was made. The men went off briskly several running and the first mile was made by Wilcox in 8.10½. All the contestants have been trained carefully and appear in good condition and confident of success. King Hedley of the Baldwin Theatre, and McIntyre of the Caledonia Club seem to be the favorites.

Score of the walking match at 9 p. m: Bozenham, 53 miles; Blake, 49; Wilcox, 99; Callahan, 82; Merrifield, 65; Thompson, 67; California Boy, 51; Udden, 76; Chenowith, 79; Murdock, 75; Allen, 82; Vance, 75; McGinn, 69; Mattson, 68; Dunn, 68; Wilson, 80; Franco, 77; Stomart, 80; Harmon, 72; Duplisser, 81; Carmichael, 84; Hedley, 65; Santo, 60; Scott, 84; Reed, 80; Bowman, 96; Lee, 70; McLennau, 80; Gannon, 55; Ferguson, 75; Wagner, 73; Green, 68; Berger, 54; Brooks, 71; McIntyre, 95; Curtis, 81; Meany, 81; Dewey, 66; Evans, 72.

THE AMERICAN CAESAR.

His Rambles in California.

A dispatch from Clark's Station, on the road to Yosemite, says:

Gen. Grant and party arrived here at 6.45 last evening, after an uneventful ride from Madera, which they left at 7.15 a. m. Previous to his departure from Madera he had a brief reception with the citizens and residents of Fresno City, and among the number who congratulated him upon his return were several Union and Confederate veterans. At Fresno Flat he received further congratulations and calls from the Fresno County veterans. The coach which conveyed the party was handsomely decorated. Thirty-six horses were used in the trip. Six changes being made. Upon the arrival of the distinguished party here, they were met at the stage and welcomed by J. B. Bruce and S. Washburne and escorted to the parlor of the hotel. The Mariposa brass band had crossed the mountains, a distance of thirty-six miles, to join the ceremonies, playing "Hail to the Chief." Dinner followed, after which an informal reception in the hotel parlors followed. The General was serenaded and retired at an early hour. This morning at 8:30 the party enter the Yosemite Valley. They will remain there until Monday and then return by way of the Big Trees and Merced to San Francisco. The weather yesterday was delightful, and less dust than anticipated was experienced. Along the route the people of the surrounding country were in strong force by noon yesterday, and patiently waited the coming of the stage. General Grant expressed last evening that he was highly gratified by the attention shown him and appeared to be particularly interested in the band, which is composed of young men of Mariposa from 14 to 19 years of age. The party are in excellent spirits and look forward to a very agreeable sojourn in Yosemite Valley.
