Will Attend N. E. A. Meeting-State Supt. of Schools Nelson left last night for Los Angeles where he will attend the annual meeting of the National Educational association. Tomorrow night City Supt. of Schools Christensen and a large number of Utah teachers will start for the con-vention. It is expected that fully 300 teachers will attend from this state.

An Inconsistency-According to the custom house returns, not a few Salt Lake merchants who are anxious to have everybody boost for the town, are having their importations still en-tered at the coast custom houses instead of having them entered at the Salt Lake custom house. Collector Greenwald fails to see why this dis-crimination should be made against Salt Lake

Lighted Cigar Causes Fire—A lighted cigar locked up in a desk caused a slight blaze in the Electrical Workers' hall at 12:30 this morning. The fire was extinguished by means of a hand chemieal. No material damage was done to the furniture in the room but a number of valuable documents and records belonging to Louis Lynn. president of the district council, were destroyed.

Express Business Good—The agents of the local express companies ex-press some astonishments at the way business continues to hold up this season. They say that it is even 50 per cen better than a year ago at this time when there was so much being sent to stricken San Francisci, and business then was away in ex-cess of what it was the year previous, Everybody seems to be busy.
