

## NEWS OF THE WEST.

Last Owners Pleased at the Knock-out of the Wright Irrigation Law.

## PECULIAR DROWNING OF TWO MEN.

UNIVERSITY TRAIN OVERHEATED—The killing of Robert Trichet—Deaths of several interest.

Five cows at a herd owned by a man near Globe, A. T., died of rinderpest.

The Rio Grande and Colorado railroad will not open its line, A. T., six weeks from now because it has not been completed.

The Missouri and Pacific railroad will not open its line, A. T., six weeks from now because it has not been completed.

A general assembly, A. T., is discussing the energies of the population of state in public. It is said to be making a good showing.

An Oregon stock raiser has sold his entire herd of horses to the Union Pacific Railroad. He has about 1,000 head in the herd, and the price realized was a little more than \$1,000.

General Price, a young Puritan, living near Silver City, Cal., was drowning in Silver Creek, while bathing at 11 o'clock yesterday morning. He was 21 years of age. A mile below General Price, another Puritan, was swimming in the creek, where he met the drowning man and took a strong hold of him, pulling him ashore.

An eastern train on the California and Nevada railroad was wrecked today morning on a steep grade about two miles east of the town of Park, Cal. Two cars containing 100 men and their families were overturned, but no lives were lost. The conductor and engineer were both severely injured, and one of them died.

An eastern train on the California and Nevada railroad was wrecked today morning on a steep grade about two miles east of the town of Park, Cal. Two cars containing 100 men and their families were overturned, but no lives were lost. The conductor and engineer were both severely injured, and one of them died.

The engine of the Birmingham irrigation district, San Bernardino county, Cal., exploded so that Judge H. S. Davies, against the Wright irrigation law. A new committee was held a new meeting, and with the exception of two, voted to let the district have, as they are convinced that it would be only a matter of time when, under the present system, the water company would cut off all the water, but all the land as well.

A Portland lawyer who has been down to Columbia, Ore., tells of the conference between the law professors in the court, all the river towns receive at the hands of the authorities. When the law professor, Mr. Clegg, and his men, make their rounds on the streets, they collect \$100 at all. As they do not get the contract, and when they have got a price, now they take the last of the hotel and he gets his money back, respectively.

Some time after 1 o'clock Saturday night Dr. F. W. Williams, a prominent member of the California dental college, came to his death by strangulation in his room at 1,002 Park street, San Francisco. His mother and two sisters, who also reside in the house, are still residing in the house, and are the only ones left, but they say that he kept good hours and seldom remained out later than 11 o'clock. From indications, it is almost certain that death was due to negligence.

The following story of the killing of General Trichet, who was accused of having caused a stage coach to be driven into the river, is given:

Dr. F. W. Williams, a prominent member of the California dental college, came to his death by strangulation in his room at 1,002 Park street, San Francisco. His mother and two sisters, who also reside in the house, are still residing in the house, and are the only ones left, but they say that he kept good hours and seldom remained out later than 11 o'clock. From indications, it is almost certain that death was due to negligence.
