# Rheumatism

Is a blood disease and only a blood remedy can cure it. So every people make the mistake of taking remedies which at best are only tonics and cannot possibly reach their trouble.

Mr. A. Smith, Greenfield, Indiana, says: "For years I have suffered with Rheumatism, which doctor physicians were unable to relieve. I took many patent medicines but they did not seem to reach my trouble. I gradually grew worse until I was unable to take my food or handle myself in any way. I was absolutely helpless. Three bottles of S. S. S. relieved me so that I was soon able to move my right arm, before long I could walk across the room, and when I had finished one bottle I was well as ever. I now sleep peacefully."

A Real Blood Remedy.

S. S. S. cures Scrofula, Cancer, Eczema, and all cases of blood trouble. If you have a blood disease, take a blood medicine. S. S. S. (Standard Family Relief) is exclusively for the blood and is recommended for nothing else. It cures all blood diseases permanently.

We will send to anyone who writes for it a valuable book, "The Blood and the Skin," which will tell you all about the blood and the skin, and how to keep them in good health.

Write for it today. S. S. S. is sold everywhere. If you cannot get it, write to the S. S. S. Co., 123 North Second St., St. Louis, Mo.
