## THEODOSIA WAS NOT BOMBARDED

Reports Sent to London Papers From Odessa That It Had Been All Untrue.

## KNIAZ POTEMKINE ESCAPES.

Left Theodosia Before Black Sea Fleet Arrived, Whose Warships Are Now In Pursuit.

## SHE COALED FROM A BRITISH SHIP

Reports as to Direction She Took Numerous and Conflicting—Said To Have Been Captured.

Theodosia, Crimea, July 7.—The reports sent from Odessa to the London newspapers regarding the bombardment of Theodosia are untrue. Order is fully maintained in the town by the troops.

Before leaving Theodosia the Kniaz Potemkine sighted a British collier which she followed seaward and from which she took a quantity of coal.

### PURSUING THE KNIAZ POTEMKINE.

St. Petersburg, July 7, 12:40 p. m.—The Kniaz Potemkine escaped from Theodosia before the Black Sea fleet arrived there from Sevastopol, and as the fleet did not put into Theodosia, it is presumed the warships are in pursuit of the Kniaz Potemkine. The advices received by the admiralty, however, are meager and most conflicting. It is considered possible that "Admiral and Quartermaster" Alexeoff, who commands the Kniaz Potemkine was advised of the fleet's coming and left Theodosia. At any rate it is clear that she coaled from a British ship which she subsequently released and then sailed away. The reports as to the direction taken by the Kniaz Potemkine do not agree. Admiral Wiresky, chief of the general staff of the navy, informed the Associated Press that one report said that she had sailed westward in the direction of Livadia, raising the suspicion that it is the intention of her crew to bombard the emperor's summer palace. Another rumor said that when the Kniaz Potemkine was last seen she was headed southeast as if bound for the Caucasus littoral. This subsequently was supplemented by a report from Sevastopol that the Kniaz Potemkine had put into Tauris, half way to Port, and had been captured in some mysterious fashion by the Russians.

The torpedo boat destroyer Svetlilly, manned by a crew of sailors and bluejackets who volunteered to sink the transports, reached Theodosia several hours after the Kniaz Potemkine had departed and after hurriedly coaling the Svetlilly left, presumably in pursuit of the rebel ship.

## HON. ELIHU ROOT SECRETARY OF STATE

### Official Announcement of His Appointment Made by Authority of the President

### WHO IS VERY MUCH GRATIFIED

Will Take Up Duties at Once—Abandons Law Practice—Goes to Washington Permanently in Sept.

Oyster Bay, July 7.—Official announcement was made here today that Elihu Root has been appointed secretary of state.

The announcement was made on the authority of President Roosevelt in the following statement given out by Secy. Loeb:

"Elihu Root has accepted the tender by the president of the United States of secretary of state. He will take the oath of office in a couple of weeks, but it will necessarily be some little time before he closes up his business affairs. He will not go to Washington permanently until sometime in September."

President Roosevelt is much gratified by Mr. Root's acceptance and is deeply sensible of the personal sacrifice made by Mr. Root in taking upon himself the burdens and duties of a member of the cabinet.

It is the intention of Mr. Root to accept the tender by the president of the United States of secretary of state.

This is the intention of Mr. Root to assume the duties of secretary of state practically at once, although it will be perhaps two weeks before he formally takes the oath of office. His professional interests are so large that he will have to devote considerable time to make a satisfactory arrangement of them before he goes to Washington to take permanent charge of the state department. When he takes active charge of the department he will give up entirely his law practice.
