KEENE'S STABLE IS REMARKABLE

Established World's Record Last Season and Is Away Ahead Now.

HOLDS SOME GREAT HORSES

Everyone of Nineteen Has Won One Or More Races and Over $200,000.

New York, Aug. 31.—James R. Keene's racing stable passed the $200,000 mark in its earnings for the season of 1908 last Saturday at the Sheepshead Bay track, when the single item of the Futurity made the biggest addition of the year to the stable's earnings.

The stable, which last year made a new world's record for winnings, with a total of $400,000 is well in the lead of the winning list of the present year, and in spite of the altered conditions of racing under the new law has every prospect of closely approaching the remarkable record of 1907. With Maskette's victory in the Futurity the filly took rank among the great winners of the stable, with three races and a total of $36,600 won in her brief career. Maskette's record ranks in brilliancy with that of the champion Colin, winner of three races and $50,000 this season and of 15 races and $15,000 in his two seasons of racing.

The stable has still a third horse that practically is unbeaten in Celt, which was second to his stable-mate Colin in the Flatbush stakes last season, and which won all of his other races, one at two-year-old, and two at three-year-old, with $20,000 to his credit. The other most notable winners of the stable this season are Ballot with $28,500 and Helmet have each won one or more races and with $18,200. In the big stable 19 horses a total of $220,686.

HOODOO IS BROKEN.

Well, Salt Lake has at last walloped the brunettes. Honest! But the game wasn't much to look at and was made more tiresome by wrangling on the part of Chief Brown in the Face Black. The score was 9 to 7. The first four innings were awful, both teams being up in the air and unable to come down. In the fifth both settled to earth and it wasn't so rotten from that time on, although Salt Lake had won the game in the fourth by scoring six runs, with two runs in the first and one in the second. Fuchell occupied the box for the White Wings until the eighth when he was relieved by Chevalier. Walsh and Marx appeared in Salt Lake uniforms for the first time, but no one could shine in such a game. The score by innings follows:

Sal Lake	210 00 000—9
Occidentals	101 20 030—7

Earned runs—Salt Lake, 5; Occidentals, 4. Sacrifice hits—Marx. Stolen bases—Deane, Fuchell, Clark, Gans. Left bases—Salt Lake, 8; Occidentals, 10. Bases on balls—Off Hanson, 4; off Fuchell, 1. Two-base hits—Lumley, C. Burns, Langford. Hit by pitched ball—Deane. Struck out—By Hanson, 4; by Fuchell, 1. Passed ball—Lumley. Time of game—2 hours, 10 minutes. Umpire—Spikes. Attendance—300.

WHISKERS VS. PEDLAR.

A great race set for tomorrow night at the Salt Palace is the match, French style, between Theodore (Whiskers) Devonevitch and Pedlar Palmer. Devonevitch is just getting into his swing, getting the greatest ovation of the season when he won the two-mile pro., Friday evening. Devonevitch is talking match with Frank Kramer for any time at any place, the size of the purse to govern entirely.

Chicago, Aug. 30.—Chicago made it three straight by winning from New York today, 2 to 1. The game was the hardest fought and the best played of the series. Each team got five hits and a run was scoreless ball. The champions scored their first run in the opening inning. Hoffman was given a base on balls, took second on Schreckard's sacrifice and scored on Chance's single over second base.

In the first Tinker singled and scored from second on Hoffman's single to center field.

New York scored its one run in the second inning. Donlin walked, took third on Seymour's single and scored on Devlin's slow bounder to Evers.

Another record-breaking crowd witnessed today's combat. When the gates were opened at 10:30 this morning, hundreds of people were in line, and the grandstands were soon filled. Many took their places at the entrances to the park as early as 7:30 a. m. When the game was called every available spot in the grandstand and on the field seemd to be occupied. The crowd overflowed in to the field, making ground rules necessary. A detail of policemen kept the crowd from encroaching on the playing field. By making a clean sweep of the series, Chicago goes to second place in the great race for the National league pennant, holding the lead by the small margin of half a game.

Lively Splashing Sets Large Crowd to Cheering and Results in Establishment of New Marks.

Several records went glimmering at the Y. M. C. A.'s third annual state aquatic meet Saturday, as was expected. A large crowd lined the banks of the big pool to watch the youngsters splash their way to victory and some of the events brought out no end of applause.

G. M. Adamson came out with most points in the senior class with 13, Ballantyne of Ogden was second with 11, and Altree of this city third with 9. World's Greatest Batter Tells How to Use Willow.

It is no use trying to make a study of pitchers. The only way I have ever been able to hit is to study the ball, says Hans Wagner, greatest batter of the National league. The minute a batter begins figuring on what kind of a curve the pitcher is going to give him he gets nervous and will be fooled more than half the time. The batter must simply watch the ball, and if he sees it is coming within easy reach of his bat he must step out and meet it. Most any batter after he has reached the big league can tell which way the ball is going to curve the minute he sees it start. All this stuff about a pitcher sending in an outcurve when the batter is looking for a straight one and fooling him is bosh.

The greatest faculty a batter needs is that of being able to meet the ball squarely. All batters can hit the ball, but the greater part of them do not hit it squarely. The art of placing a ball is not nearly as necessary as the art of hitting it on the nose. If you hit a ball squarely on the nose with a good swing full safe nine times out of ten, no matter in what direction it goes.

While judging the ball is an art in itself, making the bat land where you aim is more important. Many batters know exactly where the ball is coming, but they swing so hard that they loose their balance and do not hit where they intend to. It is not the pitcher who fools them. They fool themselves.

There are two distinct kinds of good hitters, those who use the short, choppy swing and those who start them from the hip and come all the way around. That old notion about a batter not being able to hit a ball as far by swinging hard as he can by chopping it is rot. Whenever those hard swings land you will see the fielders backing up to fence. But there are mighty few ball players who can swing hard and not lose their aim. That is the trouble. They either hit the ball too low or too high. Consequently they are thrown out on the grounders or lift up flies to the outfield. You will notice that the men who hit the ball hard are the good batters. Look at Mike Donlin and Lajoie. Both of those fellows sling the ball every time they meet it. No light licks for theirs. On the other hand, Willie Keeler chops scientifically and wins out on his ability to place the ball. He can also hit it hard when he wants to. Don't fool yourself about that.

I really think that good batters have it born in them. Very few had batters at the start ever get to be good ones. I was a good hitter, if you'll excuse me boosting myself, when I played on the town lots. In some way I got the knack of hitting where I aimed when a kid, and that's all there is to it. Of course, I am naturally strong in my shoulders and arms and that has helped me out.

What kind of pitchers can I hit best, id you ask? Wel, I'll tell you—it doesn't make much difference. Sometimes did you ask? Well, I'll tell you—it the lol, and the very next game I cannot hit him at all.

MURRAY TAKES THE GAME

Defeats White Wings in Fast Game Through Errors at Just the Wrong Time.

Murray won from Salt Lake yesterday but the contest was so close and fast that no soreness resulted over the White Wing's defeat. The score was 4 to 2. Hits were divided evenly but Murray was a wee bit luckier than the locals and an error at the wrong time or for Murray at the right time, would give the Smeltermen a lift towards victory. JACKIE CLARK WINS TWO

Little Australian Shows Heels to Fast Ones on Eve of Departure For the East.

Clarke and Mayer leave for the east today to ride during the winter season. To leave name and fame behind Jackie Clarke won both professional races at Saltair last evening. In the half-mile open he went to the front right from the start and held first until the tape had been crossed. In the two-mile handicap Mayer pulled Clarke up and then the little Australian ran away from the bunch. In the half-mile open Wisehead Downing tacked on to Clarke's rear wheel and let the rider pull him in for second. DeMara fought gamely for second, however.

Lawrence took a jump two laps from home in the half-mile amateur and won easily. Al Halstead rode a terrific race to win the two-mile handicap amateur and succeeded in winning out. The summary of all events follows:

POLICE HOUSE PRIDE IS HUMAN TUG-BOAT

New York, Aug. 31.—Dragging two heavy row boats containing nine people through the water after him, Julius Teck, the dorman of the Delancy street police station, swam the half-mile distance from the Blackwell's island light to the Cygert Boat club at the foot of East Eighty-sixth street, Manhattan, in 30 minutes, amid much excitement among his fellow members, the passengers on the boats and a crowd of 500 spectators in East river park.

The tow rope was tied over his left and under his right shoulders. He swam the English side stroke, pushing ahead, his left shoulder submerged every time a stroke with his right arm. Until his tows slowly gathered momentum, their dead weight of almost 2,000 pounds, pulled him back every time he took a stroke forward and the tow rope wore a red bruise through the shoulder of his jersey long before he got through.

MURRAY TAKES THE GAME WITH AMATEUR STARS

Corner Lot Diamonds See Good Games Served by Clever Youngsters.

Hurray for Saint Patrick! The Shamrock team won two games yesterday, defeating the Doolittle Twisters in the forenoon by a score of 7 to 6 and the Auerbachs in the afternoon by a score of 16 to 6.

The Twenty-third warders defeated the Wagner team by a score of 9 to 8. It took 10 innings to decide this game.

The Z. C. M. I. wizards are home from a scalp-getting trip throughout the country localities. Heber fell before the locals Friday, the Z. C. M. I. aggregation making it 16 to 7. Lehi went down the following day, the score being 8 to 5. The line-up of the locals follows: Winn, catch and right field; Barber, pitch and center field; Ash, pitch and center field; Williams, catch and right field; Margetts, first; Fitzgerald, second; Winn, third; Romney, third and left field; Bloomquist, short; Elins, left field.

Murray firemen were victorious over Bingham firemen in a game of baseball yesterday. Sensational plays were plentiful and a big crowd yelled itself hoarse.

Coach Milne of the Wandamere baseball team takes exception to the action of the University officials who awarded the Y. M. C. A. the amateur baseball pennant. Milne says his team won 9 out of 10 games, a score no other team in the city has and for that reason the resort players should have been given the pennant.

Manager McClelland says he has $100 which he will risk on a baseball match between his team (the Wandamere bunch) and the Z. C. M. I. A great deal of rivalry exists betwen these two teams and as both are boastful,a game will have to be played to shut off the flow of talk.

RIFLE SCORES.

Averages made by shooters in yesterday's stiff wind on the local rifle club's range were as follows: E. T. Letchfield, 67 4-5; Van Arnam, 67 1-5; Hirschvogel, 66 1-5; C. T. Letchfield, 65 4-5; Myers, 51. The wind made good shooting impossible.
