Why not swear he do s not believe in what he swore and the cruse he advocated year after year, that if the State may establish to precept and practice, unforced and unbidden? Way not refuse to longer countenanced those who countenanced therefore the responsibility of the and looked upon him for a long time as a slacere and earnest friend as well as staunch co-worker in a cause responsible for the supremacy of true will as staunch co-worker in a cause religion and the suppression of error which he has already abandoned? This at once opens the door for One only needs to take the oath or make the promise, and great will be his reward, He can then vote, even hold gines of force and cruel oppression the temporary triumph of the pelf-

tering the domain of full citizenship. organization for its special patronage The process is much more simple in the inter case than in the former; you have but to fill out the ambiguous and poorly-constructed blank which we have herein copied, swear to its contents and hand it in. It is as easy as letter as the domain of full citizenship.

Organization for its special patronage. He might have added, and when the State selects any particular faith or religious system on which to exercise its powers for suppression and destruction, it commits an outrage not only upon the people who suffer from its vengeance, but upon the sacred principles of religious liberty, which belong of right to every living man.

A greater man than any of us was once tempted or sought to be tempted by as stupid a proceeding as the one referred to, but more plausible, per-

haps; He was standing on a mount, swer to which is, the State oversteps overlooking valleys carpeted with nature's glorious verdure, redolent with a religious ordinance or custom that He was offered all these, and great honors and privileges besides if He would but recant and serve the donor -who, by the bye, did not own any action, is but the shado w of a sham. one or the other of his proposed gifts, but made believe he did to accomplish ligious freedom, a government framed his purpose. To the reader of the under a Constitution which makes Scriptures, it is unnecessary for, us to say that the offer was not accepted.

the subject of saving breadstuffs, quish their religious faith as well as which appears in this issue from the pen of Brother D. M. McAllister, and in the rightfulness of a certain tenet, the several others on the same theme lock and the support of family, are ex-pected to fill up, swear to and forward to headquarters, prepaying postage. If rom himself and other writers which have been published of late, ought to arouse in the minds of those who read immunity from punishment for them serious thoughts. With a strong | the practice of his faith if he will disprobability of short crops next year and consequent scarcity of the staff of life, wheat is now being sold and shipped out of this Territory at such prices as will not yield the producer could only unite upon holding their that

.18 ... nor do I now believe in, advocate, any profit; whereas, if the farmers grain for higher prices, there is no doubt in the mind of any intelligent person, but what they could soon command from fifty to one hundred per cent, more than they are at present getting for it. If the non-producers of the Territory could be induced to an obnoxious Church, it is much more buy the surplus wheat at the present ruling prices and store it away

there would be no special cause of complaint, but that it is hat is certainly to be deplored. A number of the leading farmers and organziation for controlling the sale of grain and other produce, that the producers may be protected against spec plators. The example might be profitalny followed in other parts of the

As will be seen by the dispatches

OUR LONDON LETTER.

ENGLISH PUBLIC REVIEWED IN A TERRE AND INTELLIGENT STYLE.

LONDON, Sept. 21, 1885. Englor Desert News:

'It approaching struggle between suble of any fixed and medalte the next six eyears, is the topic which time; the "holding out" scheme of the engages the chief attention of the trap the suppliant for pardon under columns of the London dailies. Speeches of great length and more or less gested, and, while his chances for the men of either party, and of course they consist to a great extent of sur acc remarks, thin humor at the exprove that the salvation of the ountry depends on its government he sents, and that the certain consequence of a victory by the other party will be national distrace and decadence, if not

anarchy and destruction.
Mr. Chamberlain, one of the bright ights of the Liberal party, a member believe in, advocate, or in any way up- of the late, and prospective member of nold or countenance the practice of the future, Gladstone cabinet, defines

then of the adocument might to be othe science of human happi-ne swallowed by a man who ness." This is very pretty and ought thinness was then appributed to his number of wives and to be true. But as at present in pracchildren: It could consistently be taken by one of those who, to escape temporary punishment by the punishing it really is now an art rather than a power, announces that he is not now living with his wives, that he will live with only one of them in the future, and that he will encourage and advise which he touched on two important. The headsome modern monament

CHURCH AND STATE would be return oper word to use things complete overterning ers, and it involves many con-

isliment is a problem not to be solved in a moment. What portion of its financial endowments belongs to education and what to theology, is a knotty men's projects and calculations. Some den whites a way went asting a way went asting a distribution and what to theology, is a knotty question. And when the time-honored privileges of the clergy, the right of them appear to favor the doctrine of them appear to favor the doctrine of them appear to favor the doctrine of the privileges of the clergy, the right of the privileges of the clergy, the right of the appear to favor the doctrine of fate. A striking instance is the bishops to sit in the flouse of Lords, and the laws and customs of centuries, and the laws and customs of centuries, and the laws and customs of them appear to favor the doctrine of fate. A striking instance is the discovery which occurred recently to a clergyman. He was riding in a carbinosis grown and hoary like the churches endeared to millions by the mem's projects and calculations. Some memorles of many generations, are considered, the task of peacefully setting the question of disestablishment is seen to be no boy's work. Yet it

Hament, depends upon the course of The error of the claim on which this union of church and state is founded, namely, that "it is duty of the State to support some form of religion," is becoming clearer and plainer, as the Why not say he does not now advocate the grays be advocated year of the clergy diminishes and the units they have gathered over the popular mind are dissipated. It is seen time as a slacere and earnest friend as rests upon the State, then the State is responsible for the supremacy of true religion and the suppression of error religion and the suppression of error.

office if he can find enough of his which have made horrible the history a new sphere he can find how peaceful cling to the faller, those barbarities a new sphere he can find how peaceful is the mind, how tranquil is the repose, how great the honor of the man whose mental grasp compasses all of life and many transportance of principle and covenant which has marked to the fallacy, those barbarities and persecutions still perpetrated, sometimes under color of law, upon the devotees of unpopular creeds.

Mr. Chamberlain rightly response. of hope within the narrow conflues of mortality, whose pains and pleasures for himself his religious faith, to hold are conduced to the road which begins at the cradle and ends with the grave. Let those who think they have sinned | State oversteps its proper field of duty by entering into a contract bind-ing on both sides of the tomb, make haste to undo their sinning by re-cn-toward the domain of tall citizenship belong of right to every living man.

is not essentially criminal, and be-It is not a little remarkable that in a land supposed to be dedicated to recomplete religious liberty a funda-mental principle, in the full electric glare of the nineteenth century both

BRIBES AND PERSECUTES The interesting and timely article on in order to induce citizens to relinthe practice of that faith. This is now avow his belief in it and persuade others to do so.

"RECANT!" is now the cry of the Federal judge as it once was of the State endowed priest. To-day the mild persuader is not the rack, the gibbet, or the flame that quickly burns to death, that quickly burns to death, but the refined torture of prolonged incarceration in a hell-hole and with diet undt for dogs, and in close companionship of the lowest elements of humanity. The spirit in both cases is the same, the purpose similar, the means even are not altogether unlike. When the State undertakes to crush outside of its proper limits than when it assumes to establish or support a favored religion.

THE LAND QUESTION peing shipped out of the Ter- is likely to figure prominently in public ritory with a strong probability of and in Parliament. Mr. Chamberlain favors a change in the land laws by having to be imported after awhile at which the actual occupants and tillers greatly advanced prices is something of the soil may be able to obtain it on secured tenure, at reasonable rent fixed by an impartial tribunal, and purchase it at its ordinary value. To ousiness men of Cache County met in facilitate this, the law of entail must be Logan on Monday last and effected an abolished and the law of primogeniture, and an easier and cheaper method of transfer must be adopted than that now in vogue. Mr. Glad-

But an agitation is now in progress It seems simple enough at a glance, but a careful inspection reveals some it, and at the same time feel to urge all such a str inside and outside of Parlecular features. The applicant becompelled the repeal of the corn laws. A society has been organized called the

manifesto, is in favor of these reforms.

FREE LAND LEAGUE. Its object is to abolish the restrictions which prevent the sale of land in small parcels, and which hinder the acquisiion of a clear title by holders, and by ounger sons when the land-owning father dies intestate. In other words, to clear away the legal rubbish that combers the land system, enriches the lawyers at the expense of the landowners and makes it almost impossible for any one but a rich person to be a and lide owner of real estate. The law and ties it up effectually from other ownership. Primogeniture gives to the will, the title to the real estate to the tre to be swept away, and by a n the United Kingdom are to be settled and made known, and conveyance be made easy and cheap. No one who is only acquainted with the quick and simple and inexpensive method of transfer of real estate in America can understand why the senseless and difficult mysteries and complications which surround the land system of England have been allowed to remain, to the hindrance of prosperity and the impoverishment of the tillers of the

JOHN BRIGHT

s in accord with the movement to accomplish these reforms. They will be hedged about with many ormestics but they are practical, needed, and free from the element of confiscation, which stands in the way of the sweep ing theories of Henry George. Vester ights must always be a powerful con-ideration in the discussion of any imcontant change of sustom, law or Talking of change, on the 1st of Octo-

SIXPENNY POSTAL TELEGRAPH is to fly for the first time on the wings of fightning. For twelve cents twelve words can thencelorward be sent to any part of the kingdom by telegraph. Addresses and signatures are to be counted in. Double names of towns t) be counted as one word; numbers of houses, five figures or under, as one word. The name only may be appended as signature, but address of signer must be given apart from the dispatch for use if necessary. This will be a good change, the cheapest telegram now being a shilling.

Riflemen will be interested in the

CHANGE of cartridges to be shortly inaugurated During the difficulties in the Soudar, a newspaper man called attention to the "jamming" of the Martini-Henry carridges, owing to tue thinness of the story, but it appears that the fault has been proven to exist and to have ren-dered the weapon in wich they were used, very inefficient in action. Ex-

way which formerly stood at the west limit of the city preper and divided Fleet Street from the Strand. It is often asked, what became of the Street, and now it is proposed to set up the old Bar, (on which the heads of traitors were once exposed, to the terror of the masses) in Battersea Park near the new Albert Palace, a place of public resort.

SUDDEN FATALITIES

are among the changes which upset hay. A laborer on the top slipped and fell with a pitchfork in his hand, the pronges ran through the parson's body, plercing his heart, and in a moment he lay dead upon the ground. Who knows what a day may bring forth? Who shall say that this was purely accident-

GREAT CHANGES

often hinge upon a single life. Witness the change that took place in Utah on the 24th of July. Through the death of a great man, that which was the day into the reality of a braying ass, when that Power which is above all accidents turns but a simple key! And seeking persecutors of the sons of God, into the lamentation of defeat and deep disgrace! Among the great changes which are at our very doors, let there be no change from that quiet but firm hope and confidence to the heart of

AMERICAN. LATEST BY LIGHTNING. Death of Josh Billings.

Monterey, Cal., Oct. 14.-H. W. Shaw, better known as 'Josh Billings,' died at 10 o'clock this morning of apoplexy. The body will be embalmed and sent East. About 9.45 o'clock this morning Dr. Heintz was summoned to the 'Hotel Delmonte to attend Josh Billings, who was sitting in a chair in the vestibule, apparently enjoying the best of health. When the physician arrived he complained of a severe pain in the

ordered rest of the brain," and he ad-ded throwing back his long hair, "but the perfumes of many-tinted flowers, and wealthy with its flocks and herds; and wealthy with its flocks and great which injures no one who does not be suddenly threw his hands over his head and fell backwards unconscious. He was carried to his room, and at the end of three minutes life was extinct. His wife, who accompanied him on his trip to the Pacific Coast, was with him during his last moments. His face has retained a perfectly natural expression and bears no indication of pain. He was to have lectured here Friday fo the benefit of a local Lodge of Good Pemplars. At the hotel he had made dimsell a general favorite by his good

natured ways.

Still Undecided. CINCINNATI, 15 .- There can be no absolute certainty about the result of Tuesday's election in Hamilton County until the official count is made The vote in two precincts of the 19th Ward, whose counting was not finished last night, has now been counted, and the result on Governor with county precinct missing, which in 1884 gave 17 republican majority, stands thus: Governor Hoadley 33,667, Foaker 33,362, Leonard 1,020. Houdley's plurality 305. Returns are far from complete on the legislative ticket.
The Times-Star estimates that the average vote on republican members of the Legislature will exceed Foraker's vote by 1,015. that rate is maintained it would elect

ert Harlan. Nothing can be determined in this contingency except by the official count. Since the list of countles claimed b the republicans for representatives was announced yesterday there have been two changes, one in Hancock and the other in Knox County. The vote in Knox is close. There is also a doubt about the result in Williams County. Figures from the State Ex-ecutive of Hamilton County indicate a plurality of from 18,000 to 20,000 for

the republican delegation except Rob-

Distainsed the Service.

San Francisco, 15.-J. J. Hawes, U.S. Inspector of Customs of this city, accuses U.S. Deputy Mershal Mellus with having offered him bribe to allow a Chinaman who had been remanded back to China, to come ashore. matter is being investigated. Mellus has been dismissed from the govern-

Lynching Too Good For Them. PRIMROSE, Pa., 15 .- Last evening a number of female scholars returning from the school at Oakdale, near here were met by three boys, two white and one colored, aged about is years, who attacked the girls with revolvers. Al the girls escaped but Annie K. Mc-Kemp, It years old, who was seized by the young outlaws, terribly assaulted and then left lying on the ground un-conscious, where she was found some hours later by her friends. A posse was organized, and after a long search, the assallants were run down and arrested at Primrose. The condition of Miss McKemp is serious, and it is feared she will not recover. Indignation runs high and lynching is freely talked of. The boys arrested answer the destrip-Morganiza Reformatory.

FOREIGX. LATEST TRANSATEANTIC DIS-PATCHES.

The Eastern Question Nissa, 15 .- The German ambassador, after a conference with the King of Milan restorday, sent a long telegram Paris, 15 - It is stated that Austria is in favor of the cession of Widdin to Servia, but that Germany and Russia refuse their consent. President Grevy.

Pauts, 15. - President Grevy has officially announced he will enter the coming contest for the presidency. Fatal Earthquake in Italy.

PALERMO, 15 .- A heavy shock of earthquake was felt here this incruing The disturbance caused a three-story house to fall burying its occupants be-neath the debris. Eight corpses have been recovered from the ruins.

DEATHS. FARLE.-Saturday, October 10th, 1885. Middred B. infant daughter of Edgar F, and

Emma Eakle. Funeral was held on the 11th inst. WILLIAMS .- In Tempe, Maricopa County, A. T., October 7th, 1985, of croup and in-

Sammation of the lungs, Norton Franklin, son of Robert L. and Hannah Buganda Williams, aged 6 years an 19 moughs; Lorn at Kaysville, Davis County, Utah, and was buried at Mesa City, Marieopa County Arizona, Oct. the 8th inst.
