LONG SESSION OF THE COUNCIL

Ogden City Fathers Debate a
Number of Improvement
Schemes at Length.

WILL TAKE TRIP UP THE RIVER

On Thursday the Inspection of Dam
Site Will Be in Order—Liquor
License Granted.

Ogden, Oct. 6.—The city council was
in session until the early hours of this
morning discussing the proposed new
curb and gutter districts and attending
to routine business generally in addi-
tion to liquor licenses, the purchase of
the new waterworks proposition and
other matters. Before they adjourned
the members of the council decided to
take a trip up the Ogden river Thurs-
day to inspect a number of sites for
prospective dams to increase the water
supply of Ogden.
Owing to the large amount of work

Use Ivory Soap five or
six times a day, drying
the face by "patting"
(not rubbing) it with a
very soft towel, and your
complexion will be
clearer and cleaner and
healthier than that of
women who rely on lo-
tions and "beautifiers."

There is no "free" alkali in

ter; no harmful ingredient of
any kind.

On hand the council decided that no
more curbing and guttering districts
in addition to those already created
will be made this year. A partial esti-
mate from P. J. Moran for curbing and
guttering, amounting to \$2,778, was
approved and ordered paid.

Ezra Richardson and a number of
other signers petitioned for a new
curbing district on Grant avenue be-
tween Twenty-first and Twenty-third
streets. Petitions were also received
for curbing and guttering on Lincoln
avenue, between Twenty-first and
Twenty-third streets, and sidewalk dis-
tricts Nos. 2 and 15, extension 3, which
include Twenty-eighth street from
Madison avenue to the Union Pacific
tracks, and Wall avenue between
Twenty-seventh and Twenty-eighth
streets; these were created.

Forty-eight liquor licenses, compris-
ing renewals and new licenses, were
granted after much discussion. Two
applications for licenses were turned
down.

The ordinance providing for the pur-
chase of the waterworks system by the
city and the sale of the bonds passed
its third and final reading tonight.
Payrolls amounting to \$2,055.84 were al-
lowed. The report of the clerk of the
municipal court for the past month
showed that \$2,098.50 had been received
in the office during the past month in
fines and forfeitures. The sanitary in-

spector reported a total of 14 cases of
contagious and infectious diseases for
the past week. This does not include
16 cases at the State Industrial school.
Upon the favorable report of the street
committee, the plat for the new Eccles
addition were accepted, with the pro-
vision that the park in the new addi-
tion shall be maintained by the owners
of the property.

HEAVY RAINS.
During the 60 odd hours that the
rainstorm continued in this district,
beginning Friday morning and contin-
uing until Monday morning, 2.35
inches of rain fell is the statement
given out by A. E. Van de Graaf, the
local weather observer at his station
at the joint freight depot. Since the
first of the year 15.95 inches of mois-
ture has fallen in Weber county.
Mr. Van de Graaf says that the
cloudy weather during the past few
days has had the effect of keeping
out frost and saving the crops in the
agricultural and horticultural districts
of northern Utah.

FREIGHT TRAIN DERAILED.
Traffic was delayed on the Union
Pacific yesterday morning on account
of the derauling of a freight train.
A freight train at a point about two
miles east of Castle Rock. No one
was injured in the accident and after
about seven hours the train was
cleared for traffic.

COMING TO CONFERENCE.
During the past two days conference
travel from Ogden to Salt Lake has
been extremely small. It is stated
that the greater portion of the peo-
ple are waiting toward the end of
the week before going to Salt Lake
at which time they will be able to
attend Weber county day at the state
fair as well as attend the sessions of
conference in the tabernacle. Tes-
terday a train of eight cars was made
up on one of the railroads as a con-
ference special but before time for
leaving the train was reduced to three
cars. Before the train left it is
stated that several thousand people
from Ogden will go to Salt Lake.

IN THE DISTRICT COURT.
In the district court before Judge
Howell yesterday the following crim-
inal cases were taken up:
Jesse Rice charged with burglary in
the second degree was arraigned and
entered a plea of guilty. He will be
sentenced on Thursday morning. Rice
is charged with burglarizing the Mil-
waukee saloon about three weeks ago.
Frank Lopez and C. A. New, charged
with burglarizing the residence of Mrs.
Mary Cardon, on north Washington
avenue, were arraigned. Lopez pleaded
guilty to the charge and New asked
for more time to consider the matter,
and was given until Thursday morning
to plead.
C. Bibb, charged with stealing a
diamond ring valued at \$50 and a
locket worth \$15 from Lottie Malloy
was arraigned and will enter his plea
Tuesday. Attorney Joseph Chey was
appointed to defend him.

The case of the State against A. N.
Terry, charged with mayhem; Bert
Whittle, charged with a statutory of-
fense and C. E. Crawford charged with
forfeiture, were continued for the term.

TAKES CHAPERONE ALONG.
Detective James Pender of the Ogden
police force left yesterday afternoon
for New York with Alice DeVal, the
French woman, who will be deported.
Accompanying Detective Pender and
the woman was a chaperone. The
Yul woman was brought into this
country about two years ago by a man
who is at present in New York, for
immoral purposes in violation of the
immigration laws of the nation. While
in New York, the detective will cause
his arrest and have him tried by the
United States commissioner of New
York city for deportation.

FUNERAL OF MRS. SLATER.
Funeral services over the body of
Mrs. Anne E. Slater, were held yester-
day afternoon at 2 o'clock at the
Fourth ward meetinghouse, Bishop's
Counselor Thomas Farr presiding.
The speakers were Patriarch David
McKay, E. A. Larkin and Bishop's
Counselor Thomas Farr. Duets were
rendered by Diana Brown and Dot
Hobson and a solo by Orson Griffin.
The interment was in the city ceme-
tery.

MRS. COOK SEEKS DIVORCE.
In the district court yesterday after-
noon a complaint was filed by Nellie
M. Cook against J. H. Cook asking for
a divorce upon the grounds of non-sup-
port. The couple were married in Og-
den, Feb. 27, 1907, and have one child,
of which the plaintiff asks the custody.
She further alleges that the defendant
is a railroad brakeman in the employe
of the Union Pacific railroad company
and is earning a good salary. He also
owns real estate in Ogden City to the
value of \$550. The court granted a
restraining order asked for by the
plaintiff stopping the payment of any
money to him by the railroad company
until the settlement of the action. The
plaintiff asks the dissolution of the
bonds of matrimony, the custody of the
child, \$50 attorneys' fees and \$25 per
month alimony.

COUNTY COMMISSIONERS.
At the session of the board of county
commissioners held yesterday, the
application for a franchise made by
David Eccles and associates for a
line through Ogden canyon was not
brought before the meeting. It is
stated that the reason for the delay is
the commissioners are waiting for the
applicants to file a map of their pro-
posed route through the canyon.
A number of cases of furnishing rel-
ief to poor and indigent persons came
before the board and were referred to
Joseph Stanford, the commissioner of
poor.

HOUSE WORK

Thousands of American women
in our homes are daily sacrificing
their lives to duty.
In order to keep the home neat
and pretty, the children well dressed
and tidy, women overdo. A female
weakness or displacement is often
brought on and they suffer in silence,
drifting along from bad to worse,
knowing well that they ought to
have help to overcome the pains and
aches which daily make life a burden.
It is these faithful women that

**LYDIA E. PINKHAM'S
VEGETABLE COMPOUND**
comes as a boon and a blessing,
as it did to Mrs. F. Ellsworth, of
Mayville, N. Y., and to Mrs. W. P.
Boyd, of Beaver Falls, Pa., who say:
"I was not able to do my own work,
owing to the female trouble from which
I suffered. Lydia E. Pinkham's Vege-
table Compound helped me wonderfully,
and I am so well that I can do as big a
day's work as I ever did. I wish every
sick woman would try it."

FACTS FOR SICK WOMEN.
For thirty years Lydia E. Pink-
ham's Vegetable Compound, made
from roots and herbs, has been the
standard remedy for female ills,
and has positively cured thousands of
women who have been troubled with
displacements, inflammation, ulceration,
fibroid tumors, irregularities,
periodic pains, backache, that bear-
ing-down feeling, flatulency, indiges-
tion, dizziness, or nervous prostration.
Why don't you try it?

five small children, his father and moth-
