MINISTER'S STATEMENT.

Expect to be Believed in all I am about to say-I write for the good of others.

" [ am now at an age when a man should speak words of truth and soberness, having reached the alloted term of three score years and ten, and having devoted my time in the pulpit impressing essons of wisdom to my fellows. Mine is a common story of physical suffering and how I was delivered from it; and my desire is to mention the facts as though no one were interested save myself and those who may read these lines. I was long troubled with a stubborn affection of the kidneys and bladder. I had painful gravel deposits, and at times enlargement of the prosdeposits, and at times enlargement of the prostrate gland. Despite all the professional help I could get I grew steadily worse. In this extremity I first learned of Dr. David Kennedy's Favorite Remedy, made at Rondout, N. Y. I took the wise course. I privately inquired into Dr. Kennedy's personal character and professional standing at his home in Rondout, N. Y. The resuit was more than satisfactory. I discovered him to be a highly educated and experienced physician and surgeon, respected and trusted at home and and surgeon, respected and trusted at home and abroad—a man whose carrer has been a long and open success. I bought a bottle, however (the price being only \$1.00.) taking nobody into my confidence. The good effects cheered and emboldened me. I bought another, following the clear directions; and now I want to make known the good it has done me. The disease has relaxed its hold and I look forward to spending the balance of my life free from bodily torture, and with a heart grateful for the medicine which affords me so plessant a prospect."
