porary chairman, and Beach, of New estimated expenditures for the ensuing York, and Breckenridge, of Kentucky, fiscal year aggregate \$339,588,000, while acted as secretaries. No permanent the estimated revenues for the same period amount to only \$315,000,000, hecus immediately proceeded to select ing an estimated excess of expendi-officers, and Hon. John G. Carlisle was tures over revenues of \$24,528,000."

nominated for Speaker by Willis of Kentucky. He was unanimously elec-ted. A committee consisting of Randall of Pennsylvania, Hewitt of New York and Willis of Kentucky, was appointed to notify Carlisle of his nom-ination, when that gentleman appeared

"GREYSTONE, Yonkers, N. Y., December 1, 1885.

on the floor and said: For the-first time in a quarter of a Dear Mr. Carlisle: century we find ourselves in political As public opinion points to you as Speaker of the next House of Repreaccord with the Executive of the Government, and therefore charged with entatives, I desire to submit a sugthe responsibilities which have heretofore-rested upon our opponents. Al-ready I think this is demonstrated to the satisfaction of all reasonable men that the interests of the country are estion as to one of the public objects for which an appropriation ought to be provided, and a liberal one, considering the state and management of the public revenues. The subject involves safe in our hands, notwithstanding the gloomy predictions made before our occession to power. I trust that durthe questions whether we shall extinguish the surplus by reducing the revenue or whether we shall apply the ing the time we are associated here in the Forty ninth Congress we may be surplus to the payments on public debt able to diminish the expenditures of the tovernment, lighten the burdens of the people, reform the abuses in the public service, complete the restora-tion of confidence and fraternal feeling among the people in all sections of the among the people in all sections of the or whether we shall selze the occasion country, and give such assurances of a and ought also to precede an excessive wise and patriotic policy as will guar- rapidity in the payment of the public antee the long life of the Democratic Administration. There is much to be done and the responsibility for its accomplishment rests largely on the gen-tlemen who are assembled here this vening.

be less in value than \$5,000,000,000. To this must be added the vast amount of The caucus then proceeded to nominate minor officers as follows: John B. Clarke of Missouri, the present incumproperty dependent for its use on these sea-ports. Nor does this statement afbent for Clerk of the House; Leedom, of Ohio, re-nominated for Sergeantford the true measure of damage which might be caused to the property and business of the country in the future at Arms; Samuel Donelson of Tenat Arms, Samuel Donelson of Fen-nessee, Doorkeeper; the name of Trainor, of New York, was with-drawn, Postmaster Dalton was also re-nominated; for the Chaplaincy, Rev. Milburn, a blind preacher of Chi-cago, was nominated. The nominato protect these sea-ports from hostile naval attacks. They are centers not only of a foreign commerce, but of most of the international trade and exthis state of things the machinery of transportation of the whole country has become adapted. The interuption tions agreed upon will be presented in the House on Monday by Mr. Tucker. Adjourned. of the currents of traffic by the oc-

 of Militia, and State troops being armed with the same weapon as the central shows that 1,000 enlisted men in the army were tried by court-martial during the year, but a majority of the offenses charged were trivial in
 CHANGE OF RULES.
 Of the currents of traffic by the oc-cupation of one or more of our prin-cipal pea-ports by a foreign enemy, or the destruction of them by bombard-ment, or holding over them a menace of destruction for the purpose of ex-acting contribution or ransom, would inflict upon the property and the busi-inflict upon the property and the busi-inflict upon the purpose of the country an intury which

same into control of the federal gov- cau neither be foreseen nor measured.

With my highest regards to Mrs. Cars.

OMARA, 5. Late last night it because known that invsterious erders had been received at military headquirters was out of the city, but was fele-graphed for and returned at 60 clock this morning. He refused to give any definite information on the orders. It learned, nowever, that Battery from Fort Omaha, was ordered to Fort went larve been ordered in readiness. or movement at a moment's notice. From the fact that the troops are wund for Utah, the general impression is that Morinon troubles are expected, but of what nature all efforts have failed to disclose. One theory is an outbreak of some kind is feared from internation in possession of the Gov-ernment. Another is that the President's message will contain expres-

ate disturbance. As there are no Indian troubles in the section to which the troops have been ordered, the contheory.

necessity of numerous courts-martial, The Judge-Advocate-General having cen convicted of certain grave offenses and suspended from duty for twelve years, the Secretary recom-mends that Judge-Advocate-General be appointed in his place, or some legislation by Congress that will meet the case, in view of the fact that it will Advocate-General to occupy the office, as before the expiration of the sentence, he will be retired from the army by operation of law. The report recommends legislation o enable the arrest of deserters by ivil process, and to limit the claims of dicers and enlisted men for losses of oncers and consider men for losses of personal property in time of peace. The report recommends the enlistment of a trained cook for each company, troop and battery, and a baker for each

unds

The Secretary speaks of the reports abmitted and upon the necessity for oast defences and the improvement of the Mississippi river, but makes no general recommendations. He urges the necessity for the appointment of an Assistant Secretary of War. The Democratic members of the louse of Representatives met in cauus to-night and nominated Carlisle, of Kentucky, for Speaker. In explanation of the rules recently

ssued by the Department of the Interior, requiring land-grant railroads to make certain reports to the Govern-ment, Assistant Secretary Jenks to-"The object, broadly speaklay said

log, is to place in possession of the Department information in regard to which certainly the Government as stockholder to the extent of \$100,000,000, and as proprietor of public lands of about the same value held by the roads, has a right to have, even if the law did not explicitly require the roads to furn-ish just such information. The new rules require roads to give ten days notice of meeting of directors, with a statenent of all the business to be brought up, in order that the Government may have sufficient notice of what is in con-
