Records! Records!

We are now prepared to receive orders for BRANCH and WARD RECORDS, of a new and improved form, which has been approved by the presiding Bishop, and others.

We shall make them of four, five and six quires each, holding 2,040, 2,580 and 3,000 names each, respectively, and the price will be for four quires, \$12.00, five quires, \$13.00, six quires, \$15.00. Each book will contain a notable Index, and be bound in Cloth and Russel Leather, with ornamental lettering pieces for name of the Ward on the side. The book being of a large size, we do not think it advisable to make them over six quires.

Specimens can be seen at the Office, and orders received for size of book required.

Bishop in the Country desiring Records can order by mail, and we will see to accordingly and forward to them.
