

The young man is a brother of Kath-crine Elkins, who is reported engaged to marry the Duke of Abruzzi. speaking trip was announced at Republican headquarters last night. It

A summons was served on young El kins at his country home at Elkins to appear before the federal court to anappear before the fuertal court of the swer the charge. In a talk over the long-distance tele-phone, Senator Elkins said: "My son never promised to marry this young woman, and there is nothing in it. Donies the whole charge ab-

much yesterday, was in decidedly bet-ter condition when at 8 o'clock he ad-dressed a large crowd in Dewit Park

tional treasurer. The allegations of President Roose-velt and William R. Hearst, reflecting on the fitness of the Oklahoma execu-tive to hold positions of public trust were not discussed, save in a negative way, with reporters. Josephus Dan-iel, chairman of the Democratic Press committee, had heard nothing, he said, of any resignation by Gov. Haskell. There was a repart, which could not be confirmed, that Mr. Haskell, would meet the Bryan special on its way from Terre Haute, Ind., to Chicago tonight, but the general belief was that the conference between the two leaders would not occur until Mr. Bryan ar-rives in this city tomorrow morning. Gov. Haskell is due here at 8 o'clock

bas been caused by the street walkers and women thieves who have infested the street. They have caused the trouble and not places like this."

REFUSES TO MOVE.

In the city cases the record will show that about 98 per cent of the complaints against the vicious ele-ment have been disposed of by mo-tion of the assistant city attorney. This morning, E. A. Rogers, assist-ant city attorney who prosecuted the cases in the police court, admitted that not more than 3 per cent of these cases have been tried. The ARE VERY FRIENDLY. these cases have been tried. The cases have either been dismissed or the accused were permitted to plead guilty and were given "floaters." But the cases have not been tried.

Brown & Co., stock brokers, were arrested on charges of grand larceny as they were leaving the federal courtroom, where they were ex-amined by a United States commission-er today. er today,

WAR SHIPS MAY VISIT JAPAN BEFORE MANILA.

Manila, Sept. 25 .- Following the receipt of advices from Washington to the ef fect that the visit of the American battleships must be made under restricted conditions, should the city continue to be infected with cholera to a dangerous extent, it has now been proposed to postpone the reception planned in honor of the officers and men until the war-ships return from Japan. Gov.-Gen. snips return from Japan. Gov.-Gen. Smith is expected to call a sonference of his associates in the territorial gov-ernment, representatives of the business interests and members of the reception committee tomorrow or Sunday to for-mally discuss the advisability of a post-comment.

ponement. The number of new cases daily report-ed is diminishing and the plague is said to be not virulent *m* form, but it is feared that it will be impossible in the short time available absolutely to cleanse the city, whereas, if the recep-tion is postponed, the committees will have a full month to rearrange and com-plete their plans for the campaign of entertainment. ponement. entertainment.

FOREST FIRE SITUATION IS WELL IN HAND.

Washington, Sept. 25.-Forest fires have broken out in Minnesota national forest, says a telegram received by the national forest service from Supervisor Marshall but the government officials

Marshall but the government officials appear to have the situation in hand. The fires are reported as having start-ed mostly from the railroad. Forest officers in Washington declare there is little danger of widespread dam-age to the minnesotu national forest, though the general conditions are so bad that until heavy rains have fallen there is bound to be anxiety. The present fires have caused the loss of only the very young growth.

RUSSIAN PROFESSORS SUBMIT.

St. Petersburg. Sept. 25.-The Rossia, the official organ of the government. the official organ of the government, announces today that Serge A. Mouromt-zeff, and the other professors and lectur-ers of the University of Moscow, who were ordered some weeks ago to re-nounce their membership in illegal politi-cal parties or resign from the govern-ment service, have submitted declara-tions entirely satisfactory to the minis-try of editation, and that there is no obstacle to their continuing their uni-e-rstiv work. bstacle to t versity work.

in it. Denies the whole charge ab-solutely."

IRISH VOTE.

Inflicts Crushing Blow on Govern-

ment in a Bye Election.

Newcastle-on-Tyne, Sept. 25 .- The Irish vote, alienated by the action of the government in prohibiting the procession in connection with the recent eucharistic congress in London, in which the host was to have been carried through the was to have been carried through the streets of that city, and strengthened by the idea of tariff reform, has inflicted a crushing blow on the government in the bye-election heid here today to fill the vacancy in the house of commons representation from Newcastle-on-Tyne caused by the recent death of Thouse

representation from Newcastle-on-Tyne caused by the recent death of Thomas Cairns, Liberal. With a majority of over 6,000 in the general election of 1906 the Radicals went to the polls full of confidence; the outcome, however, was a great surprise. The Unionist candidate, G. Renwick, who was returned from this constituency in 19:3 was elected with a majority of 2,143 over Mr. Shortt, the Liberal candi-date. The Labor-Socialist candidate, Mr. Hartley, polled 2,371 votes.

TUBERCULOSIS CONFERENCE.

Philadelphia, Sept. 25 .- With all the oreliminaries incidental to formal opening and organization out of the way, the delegates to the international con-freence on tuberculosis today gave un-divided attention to the technical discussion on the care and prevention of contumption. The leading men of Europe and America in the war on the disease joined in the discussion. Provisions for advanced case of tuberculo-sis, prophylactic measures in tuberculo-sis, hygenic requirements for sanatoria were among the questions taken up at the morning session.

at Clinton. The candidate devoted himself to the labor question, reitering what he has heretofore said on the subject, by holding up the Republican legislative record in comparison with Democratic promises, and finally pledg ing himself to do everything in his power if elected, as he expressed confi-dence he would be, to put labor on an exact equality before the law with all

other citizens. Gov. Cummins preceded Mr. Taft in an address in which he pledged the national ticket his most hearty support.

LESLIE CARTER DEAD. Chicago, Sept. 25 .- Leslie Carter, one time capitalist and president of the South Side Elevated Railroad company of Chicago, died in this city after a prolonged illness.

prolonged filness. Death occurred today. Mr. Carter has not been active in business for some years. He suffered a stroke of paralysis a few years ago and recent-ly his system became poisoned from the fumes of gas which, presumably by accident, had escaped into his room. A wonth ago he was declared unefally month ago he was declared mentally incable of caring for his estate, and : conservator was appointed. The de cedent was a lawyer, but devoted him self chiefly to commercial pursuits. He was interested in many civic and finan-cial organizations both in Chicago and

in New York, The present Mrs. Carter Payne was, up to the time of their divorce some 15 years ago, the wife of Mr. Carter.

INTERNATIONAL CONGRESS ON MORAL EDUCATION.

London, Sept. 25 .- The first interna tional congress formed to direct the progress of moral education was opened today at the imperial institute under the presidency of President Mi-chael Ernest Sadler, professor of his-tory and administration of education in the Victoria university of Manchester. The object of the congress is to secure the co-optration of the various gov-ernments for the improvement of the moral education offered in schools and 17 nations, including the United States,

were represented officially. Prof. Said-ler in welcoming the delogates laid em-phasis upon the special indebtedness of the world to educational though and experiments in the United States.

SENATOR GORE ON HASKELL CONTROVERSY.

Seattle, Wash. Sept. 25.-1 think the governor is amply able to take care of himself. In my opinoin the president has tackled the wrong man, and will get the worst of it before the controversy is over," said United States Senator Gore of Oklaboma. If the answer was not sal-isfactory you may depend upon it Gov. Häskell will make it so. Everybody in Oklaboma knows of the Prairie Oil and Gas company, and that it is a branch of the Standard Oll company, there never has been any doubt of it. The governor instituted proceedings to hve the injunc-tion against the company dismissed, which was done, and his action has been sustained by the state supreme court. The ationny-general exceeded his day "Gov Haskell vetoed a child-labor law

"Gov. Haskell vetoed a child-labor law

because it went to such extremes that if should have been veteed, and the gov-ernor's action in doing so met with ap-proval from all labor unions."

rives in this city tomorrow morning. Gov. Haskell is due here at 8 o'clock onight

BIG FIRE IN CAIRO, ILL.

Cairo, Ill., Sept. 25 .- Fire here early today destroyed manufacturing proptoday destroyed manufacturing prop-erty valued at \$125,000. The flames started in the office building of the Kelly Brothers' Lumber company, de-stroyed it and the lumber yard of the firm, and also consumed the plant of the Three States Implement company and several houses.

of ill fame, was most indignant. "Me move? Well, 1 guess not," said she. "Who has a right to tell me that I shall leave the city or go to a new district? I own property in this city. I pay taxes and am a citizen, and I I pay taxes and an a childran, and a don't propose to get out or move into some other district unless I want to. I have fulfilled every requirement de-manded by the city administration and will stay here as long as I wish, of course, if the authorities are deter-mined to close up the houses they will be closed up and we will have to suf-fer the consequences, but if the officers will pay more attention to the hop-head niggers and the female nigger dips who rob people right and left and get then out of town or in jail where they be

long there wouldn't be such a big howl."

Carpenters in Executive Session Delegates Will Visit Tabernacle And Saltair This Evening.

Two business sessions today and an organ recital in the tabernacle this afternoon was the schedule of the Brotherhood of Carpenters and Joines. The sessions were held behind locked doors carefully guarded and the press representatives were referred to Secy. Duffy for nformation as to what occurred.

According to his statement the morn-ng session was given up to a report of the committee on laws, and the after-toon session continued the same busi-

Trains tomorrow will run to Saltair at 2, 4, 6 and 8 p.m., to accommodate the carpenters and their friends who official-ly spend the afternoon at the lake. Held's band will go out at 6 o'clock pre-pared to play for a large erowd of danc-ers who are expected to remain at the resort during the evening. The bathing, too, will be available for all who may dare to take a dip into the water.

HARD ON EXPRESSMEN.

Local railroad ticket offices are exasperated with the repeated failures of several local papers to realize that the

new baggage checking arrangement described in yesterday's "News" is not without a cent's cost to the public. without a cent's cost to the public. Travelers pay draying charges, but their baggage is handled from their home to any station in the United States. The assertion that no charges are made is absurd in itself. A travel-er buys his rallroad ticket and pays whatever charge, drawnen, and er buys his rallroad ticket and pays whatever charge draymen make on baggage hauling from residence or ho-

The Oregon Short Line took the ini-tiative in adopting this up-to-date idea in the west. The Salt Lake Route, Rio Grande, Southern Pacific and other important western lines have fallen in-

to line. Discussion has been centered on the effect the innovation will have upon expressmen. That it will take business away from the small drayman is not For instance, the Salt Lake denied. Transfer company is under bonds to the Rio Grande to haul baggage and express in a satisfactory manner. No small expressman with a horse, a wagon and a street corner, constituting his all, could furnish any big bonds with a railroad company.

Caracas, Monday, Sept. 25.-President Castro has received a telegram from Sir Vincent Corbett, the British minster, to Venezuela who is returning to ister, to Venezuela who is returning to the capital from a trip to Port of Spain, Trinidad, indicative of the friendly relations existing between Venezuela and Great Britain, Sir Vin-cent, who is at Cuidad Bolivar says: Foreign Minister Paul has acknowl-edged receipt of the note from the gov-ernment of the Netherlands. He is reon the differences that have arisen be-serving his detailed reply until he has in his possession Holland's second note ween the government and Venezuela.

ENGLAND AND VENEZUELA

WALLY YOUNG IN TOWN.

Comic Opera "The Kingmaker," to Be Produced by the Shuberts.

Waldemar Young, known in the days of his newspaper career in Salt Lake as "Wally" Young, is a visitor in the city today, en route from New York to San Francisco, where he is dramatic editor of the Examiner, and incidentally author of "The Kingmaker," a musical comeo, much of which was prepared in the rouns of the Salt Lake Press club, when Mr. Young was joint author with the autor Eace Whitney of the Press club's production of "The Old Bedstead." "The Kingmakers" has been on the tapis in New York, where Eddy Foy will in all probability be given the leading role under the direction of the Snu-berts, for the latter well known anuse-ment caterers have definitely closed with Mr. Young has been busy today sink-ing hands with old friends and tomor-row will leave for the coast. He is at present at work on another opera, this itime by himself without collaboration. "Plays are not written." he said this afternoon. "They are built, and the problem is not so much a literary one as one of creating and corelating drama-tic stuations and incidents." "It was eight years ago that Mr. Young farce, then to the Sna Francisco Chroni-cle, of which he became sporting editor. Earthonaked out of the San Francisco Chroni-cle, of which he became sporting editor. Earthonaked out of the city in 1996 he came to Salt Lake for a summer and then went back to become dramatic critic of the San Francisco Examiner, a position which he still holds. of his newspaper career in Salt Lake as "Wally" Young, is a visitor in the

CANAL NEARLY COMPLETED.

Engineer M. S. Da. row returned last vening from Price where he has been or some time superintending the exten for some time superintending the exten-sive improvements being made there by the Irrigated Lands company of this city. Mr. Darrow says the water ought to be running in the new canal before Nov. 1. and active construction is under way at the Gooseberry Valley reservoir, with 75 teams, 75 Japs and 75 white men on the dam. The dam will be so far along by the time the next flood water begins to flow that enough can be im-pounded to supply all the irrigation wat-er needed during the next season.

The Jewish New Year services begin this evening in the two local syna-gogues. At the Temple B'nai Israel Rab-bi Freund will speak on "Is Time a Mound Builder?" and tomorrow morning will speak on "The Significance of the Shofar's Note." The Congregation Montefiore is also to have special exer-class. cises.

DIEHL'S STATEMENT.

Judge Diehl was asked for a statement in reply to the attack made by the Tribune this morning, and said: "If Chief Pitt is correctly quoted, he is not familiar with the workings of his department, because the rec-ords of the court will show that 97 per cent of the cases which have been brought before the court of what the Tribune terms the vicious ele-ment, have either been dismissed on ment, have either been dismissed on motion of the city attorney, most often at the request of some member of the police department, or have, at the suggestion of the arresting of-ficer, pleaded guilty and upon the particular request of the city attor-ney been permitted to leave the city.

CONVICTED WHEN TRIED.

"Of the remaining cases, or those which were permitted by the Ameri-

"Of the remaining cases, or those which were permitted by the Ameri-can police force to be tried, the rec-ords of the court, which are always open, will show that a very large ma-jority were convicted." One of the court officials said, in this connection: "Do they expect a court to find a person accused of crime, guilty before being tried? Is the court supposed to know all the facts in a case before the matter is properly tried and evi-dence introduced? Are not the prosecuting attorneys paid to handle the cases, furnish the evidence for the prosecution and present the same to the court? If charges and arrests are made and the cases are either dismissed or continued upon motion of the prosecution, or if so-called 'floaters' are given at the re-quest of the prosecution, what is the court to de?" VIEW OF ROGERS.

VIEW OF ROGERS.

Assistant City Atty, E. A. Rogers

said: "I will admit that not over 3 per cent of these particular cases have been tried. Not many of them have been dismissed, but 97 per cent of them have been disposed of by the accused pleading guilty and given a chance, upon motion of the prosecu-tion, to leave town." The records were gone over careful-

chance, upon motion of the prosecu-tion, to leave town." The records were gone over careful-ly for the past 30 days. They show an average for the 12 months in the year. This morning there was but one state case called on the docket, and that was dismissed upon motion of the assistant county attorney. State cases are now set up to Oct. 21. Clerk Gutch is responsible for the statement that for some weeks cases have been called day after day, but rarely prosecuted, and the court rec-ords clearly show that a majority of the cases which have been tried, con-victions or an order binding the de-fendants over to await the action of the district court have resulted. But most of the cases have either been continued with or without date, ar dismissed and always upon motion of the prosecuting attorney. It is true that the court may decline to dismiss a case at the request of the the that the court may decline to dismiss a case at the request of the prosecution, but it is not expected that a fair-minded court is supposed to know the facts in a case until the facts are set forth by evidence and in manner prescribed by daw. The Tribune in effect charges that
