POLITICAL POINTS.

Edmunds Re-elected—Blaine, Hewitt and George.

MONTPELIER, Vt., 19.—The Vermont Legislature to-day elected George F. Edmunds, United States Senator.

Huntington, Pa., 19.—Jas. G. Blaine and party left Harrisburg for the west at 8 o'clock this morning. When Lewiston was reached a large crowd assembled and Blaine spoke for about fifteen minutes. His remarks were mainly on the subjects of tariff and prohibition.

The party was met at Huntington by a large and demonstrative crowd. In the course of his remarks Blaine characterized as the height of impudence the request of the Democratic papers that he state that while the Democratic party was in power National prosperity continued and that the warnings of Republican orators of danger to the industrial system of the country because of

DEMOCRATIC SUPREMACY

had been falsified. Fortunately for the Republican party, he said, it is not possible to obliterate current history. After the Democratic party had tried six months at the last session of Congress to break down the protective tariff, they failed, and it is in consequence of that failure and because of the maintenance of the tariff, that we see our industries spring forward with renewed activity all over the country. Speaking of the civil service, Blaine said the Democrats wanted a civil service patterned after that of England. This he proved by reference to statements of Lord Randolph Churchill. England's civil service was one of excessive staffs, high salaries, short hours, extravagant pensions and general incompetency. His speech was followed by a general hand-shaking.

At Tyrone City, Blaine made a brief speech of the same tenor as those at the previous stopping places.

At Altoona the arrival of the train was signaled by the

FIRING OF CANNON.

The guests were escorted to the base ball grounds, where 10,000 people, mostly workingmen, gathered. Blaine was hoarse, but spoke briefly.

At Johnstown and Greensburg, Blaine bowed his acknowledgements, but declined to speak because of hoarseness.

Pittsburg, 19.—The train bearing Blaine arrived here to-night. His voice was so husky that he declined to respond to calls for a speech.

New York, 19.—Hon. Abram S. Hewitt, Democratic candidate for Mayor of New York, has written an open letter to Henry George, the labor candidate for the same office, in which he declines the latter's challenge of a public discussion between them.

The Irving Hall wing of the Democratic party to-night endorsed Henry George for Mayor.

The M. B. L. A.

ST. LOUIS, Mo., 19.—The eleventh annual convention of the Mutual Benefit Life Associations of America held its first session at 10:30 o'clock to-day at the Lindell Hotel. The convention is composed of delegates from the assessment insurance companies, and all secret societies in the United States which have the life insurance feature, including the Ancient Order of United Workmen, the Knights of Honor, the Royal Arcanum, Knights of Pythias and kindred organizations. Ninety representatives from 18 States responded to the roll call.

President B. Harper, after the preliminary proceedings, read his annual address. This, together with the appointment of various committees, consumed the morning session. The convention adjourned till 2 o'clock this afternoon.

St. Louis Beats Chicago Badly.

CHICAGO, 19.—When time was called this afternoon for the second game of the world's championship series, there were between 8,000 and 9,000 persons on the grounds. The weather was decidedly warm and pleasant, and in marked contrast with yesterday. The score of the two games also presented a remarkable contrast, and one that is unaccounted for except on the basis that the batteries of the two teams had materially altered. Notwithstanding the introduction of the new system of double umpire, there was considerable dissatisfaction with the various decisions, and the system was voted not a glittering success.

Score by innings.....1 2 3 4 5 6 7 8 9—
Chicago.....0 0 0 0 0 0 0 0 0—0
St. Louis.....2 0 0 2 3 0 5 0 0—12

The Strike Over—A Teamster Shot.

CHICAGO, 19.—The strike is ended. All the packing houses are preparing to resume with full forces as speedily as possible.

Sortly after noon a special train was made up at the stock yards to convey one hundred discharged Pinkerton men back to Chicago. As the men marched into the cars they were greeted with yells of derision by crowds of strikers and sympathizers. The same scene was repeated at Fortieth street. The crowd was very large, and the abuse great. At this, one of the Pinkerton men, exasperated at the jeers, pushed a Winchester through the window and fired into the crowd. The shot struck Bailey, a well to-do teamster of the town of Lake. He is believed to be fatally wounded. The crowd made a desperate rush for the train, which, however, started off at a high rate of speed. Another train load of Pinkerton men will start down from the yards this afternoon. Serious trouble is feared. The crowds are furious at the shooting and vow vengeance.

When the train came inside the city limits the city police boarded it and arrested one hundred and sixty Pinkerton and forty non-union workmen who were on the train. The Pinkerton men say the strikers stoned the train and injured some of their number, and that they were exasperated into firing ten shots.

It is said large numbers of the strikers are dissatisfied at the order of the Executive Committee sending them back to work and that they are holding a secret meeting to discuss the situation.

The Daily.

LINCOLN, Neb., 19.—The construction train on the Nebraska & Colorado Division of the B. & M. was thrown from the track nine miles south-west of Fairfield this afternoon. The whole train was precipitated down the embankment and wrecked. Five men were killed outright and nine more or less seriously injured. The killed are:

Robt. B. Maryen, hotel keeper, Dewese, Nebraska, married.
Geo. Burke, St. Louis, Missouri.
Daniel O'Connor, Weston, Missouri.
Robt. Collins, England.
And an unknown man, still under the wreck, supposed to be Dennis Hamilton, of Michigan.

John Fitzgerald, President of the Irish Land League and the contractor in charge of the work, was slightly injured. But one of the injured is considered dangerously hurt. The wreck was caused by the engine runing over a bull.

Prohibition.

ATLANTA, 19.—Atlanta is to-day a complete prohibition city. All the bar-rooms closed on July 1st, but several wholesale houses' licenses held over. They have been expiring gradually until to-day when there was only one in the city, and that would have expired six days from now, but by the decision of the Supreme Court of the State to-day that store was closed. Two weeks ago the City Council passed a resolution allowing the City Brewer to deliver beer in the city to residents on order. Mayor Hillyer last night vetoed the measure, which makes the city absolutely prohibition. The city authorities are mostly prohibitionists and it will be regularly enforced.

The Knights' Salaries.

RICHMOND, 19.—The committee on appeals and grievances obtained the floor when the General Assembly went into session and still held it when the noon recess was taken. Their report relates to matters of general discipline that are of little interest to other than members of the Order.

At the afternoon session the General Assembly continued the consideration of the report of the committee on appeals and grievances, and adopted a resolution deciding that the members of the International Cigar Makers' Union must elect whether they are to remain members of the Union or of the Order of Knights of Labor, but they cannot remain members of both.

The report of the committee on finance was presented and adopted. It provides that the salary of the Grand Master Workman shall henceforth be $5,000 a year, and those of the General Secretary, General Treasurer and Secretary $2,000, and that the members of the Executive Board and the General Worthy Foreman shall receive $4 per day and expenses while on duty.

A resolution was adopted that when the Assembly meets to-morrow, it shall remain in session until its session is concluded.

FOREIGN.

FROM ABROAD.

Trouble Anticipated Through the Socialists' Demonstration—King William Failing.

LONDON, 19.—The *Times*, commenting on the request of the Chief Commissioner of Police to the Social Democratic Federation not to allow the proposal to have the workingmen of London to follow the Lord Mayor's show, for the purpose of exhibiting side by side the aristocracy and the poverty of the metropolis, says: "The head of the police is not a spiritual or moral adviser. When he speaks to those plainly meditating mischief, he should compel and not entreat them to yield obedience. It is quite possible that the Socialists may be enabled to boast they prevented the annual Lord Mayor's show. The outlook is very disagreeable. They offer the public the alternative of the risk of a serious disturbance or the sacrifice of the ancient pageant."

Champion, the Socialistic leader, was interviewed this afternoon by an Associated Press reporter. He declared that the Democratic Federation would not abandon its intended

COUNTER-DEMONSTRATION

to the Lord Mayor's show, unless the Government promised to institute an inquiry into the condition and needs of the London poor and unemployed, similar to the inquiry made last winter after the riots. Champion declares if the police issue the order prohibiting the demonstration, the leaders will stay at home, but the people will be sure to make a demonstration anyhow, and he asked: "Who will be able to control them?"

The Executive Committee of the Socialist Union has decided to hold their procession in spite of the warning of the police. The leaders estimate that 100,000 persons will take part in the demonstration.

Champion, one of the leaders has written a letter to the Chief of Police, saying if he can't guarantee peace, the Socialists themselves will be prepared to maintain order, provided they be given control of the police.

The Waning Monarch.

BERLIN, 19.—Reliable private advices from Baden affirm that the bulletins reporting Emperor William as being in good health, are positively untrue. According to these advices the Emperor is subject to attacks of syncope and prolonged drowsiness, and recently was in a semi-comatose condition for twenty hours, from which the doctors were unable to rouse him. His condition is aggravated, it is said, by chronic disease of the bladder. It is feared it will be impossible with the utmost care to preserve his life for more than a few months longer.

Its rolling stock is perfect as human skill can make it. It has all the safety appliances that mechanical genius has invented and experience proved valuable. Its practical operation is conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.
