## INTERURBAN RAILROAD LINE.

J. F. McCarron of Michigan Will Build Line From Salt Lake To Brigham City.

## WEBER COUNTY FRANCHISE.

Requires Work to be Begun Before May 1, 1907 and Completed in Four Months After.

Ogden, Jan. 26.—J. F. McCarron sent a communication from Detroit, Michigan, which was received yesterday afternoon by County Clerk David Matson stating that he will accept the franchise granted him by the Weber county board of commissioners, to construct and maintain an electric car line over Weber county and asked that the county clerk have the franchise published in a local newspaper as required by law, and to send him the bill for such publication which amount he would remit.

Last October Mr. McCarron was in Ogden and appeared before the county commissioners and asked for such a franchise, setting forth that he intended building an electric car line between Salt Lake City and Ogden and that he had obtained a franchise through Davis county to the Weber county border. After due consideration the board granted him a franchise on October 5, which he must accept or reject within 90 days and just on the last day of acceptance arrived. The franchise provides that the line must be com-

mened between May 1, 1906, and May 1, 1907, and must be completed within four months from the time work is commenced. It is a 50-year franchise and provides as a revenue to Weber county that the receiver of the franchise must for the first 15 years of operation of the line furnish the county with 50 car loads of gravel, that the following 10 years the county will receive 75 car loads and during the balance of the life of the franchise 100 loads.

Those in a position to know state that Mr. McCarron is in earnest in his acceptance of the franchise and will build the line which will connect Salt Lake City and Brigham City with an electric car line. Mr. McCarron before leaving Ogden for the east after securing the franchise, entered into an agreement with the Ogden Rapid Transit company to use its line through Ogden City and to use its motor line from the city limits on the north to the Hot Springs, and to build to Brigham City will build a new line.

WM. H. ADAMS, JR., LAD TO REST.  
Impressive funeral services were held yesterday at the Wilson yard meetinghouse over the remains of William Henry Adams, Jr., eldest son of Mr. and Mrs. W. H. Adams who died Tuesday evening at the family residence. Bishop John Rackham presided and the ward choir rendered a number of beautiful musical selections and Orson Griffin sang solo. Many words of comfort to the sorrowing parents were offered by Bishop's Counselor Eugene Bingham, Elders Luther Buck, Heber Bingham and Bishop Rackham. Each testified of the purity of life of the youth who had been called home,

who was an exceptionally bright boy, obedient and kind.

The funeral services were largely attended by relatives and sympathizing friends, who placed many beautiful floral tributes on his casket. A funeral cortege two blocks long followed his remains to the Ogden City cemetery where they were laid to rest, Bishop's Counselor F. W. Stratford dedicating the grave.

The little, infant daughter, Hannah May, of Mr. and Mrs. Thomas Plittton died yesterday at the family residence at Clearfield, Davis county. The funeral took place today, interment being made at Clearfield.

## MRS. GOODRICH WANTS DIVORCE.

Suit for divorce has been filed in the Second district court by George Anna Goodrich against Charles W. Goodrich. The complaint alleges that the couple were married in Missouri, Sept. 26, 1899, and that in June, 1904, the defendant deserted his wife and since that time has failed to provide for her. She asks for divorce, restoration of her maiden name, Georgia Anna Ewing, \$50 attorney's fees and costs of suit.

## INQUIRY FOR LOST SON.

Mrs. N. P. Mason of Boise City, Ida., has written a letter to Chief of Police Browning inquiring about Frank Mason, the man who was found dead in the Allen rooming house a couple of weeks ago. In the letter she states that her son left home about three years ago and the last heard of him was at Ogden, where he was working, and was in love with a milliner, and the description of the man found in the room described her son pretty accurately, except that the son of the writer is about 25 years of age, while the dead man was perhaps 10 years old. The police, however, are unable to locate the missing son of the Boise lady.

## THOMAS B. BRYAN DEAD.

His Advice to Boys Was: "Take Care Of Details, Beware of Cocktails."

Chicago, Jan. 26.—Thomas B. Bryan, who died yesterday at Washington, D. C., was one of Chicago's pioneer citizens, and a leader in all public enterprises from the civil war until world's fair days.

Chief among Mr. Bryan's public services were his work in the Union League committee during the war, and his work as president of the Northwestern Sanitary fair held in Chicago during war time, and which netted more than \$300,000 for the support of the union soldiers; his service as commissioner of the District of Columbia under President Hayes, and lastly, his work as head of the committee which won for Chicago the fight made before committee of Congress as to the location for the World's Columbian exposition.

In arguing for the location of the fair in Chicago before the senate committee he was pitted against Chauncey Depew, who spoke in behalf of New York, and argued against the feasibility of holding a great international exposition in a city 1,900 miles inland.

Later, as speaker of the location for the World's Columbian exposition, Mr. Bryan traveled throughout Europe, gained audiences with the pope and with many sovereigns, and won from all their endorsement for the project.

At one time Mr. Bryan's wealth was rated at \$2,000,000, but he lost heavily by the fire of 1871, and during the panic of 1873. In recent years he was in moderate circumstances financially. He was a patron of art and was noted as an after dinner speaker.

Once upon a time he gave advice to a boy's club he wrote this for them: "Take care of details." "Beware of cocktails."

## A HARD LUCK STORY.

Alleged Son of Ex-Atty.-Gen Garland Tells One.

Chicago, Jan. 25.—Just a plain hard luck story with no excuses to offer, was the way William Garland, 24 years of age, summed up his own story after he had been arrested at State and Washington streets tonight.

Garland told the police he was the son of Augustus H. Garland, former United States attorney-general. His actions had aroused the suspicion of two detectives, and when they searched him they found a piece of stone wrapped in a stocking concealed under his coat. He had been lingering near a large jewelry store for several hours. When taken to the Central station he made the following confession:

"I simply was down and out, and I had hunted for work without success. Then I read in the papers of the easy way in which bold men had amassed jewelry store windows and got away with the goods and I decided that I would turn robber."

When the police went to his room to search them they found several unfinished stories, which evidently he was preparing for a magazine. A college diploma also was found in his possession. The arrest of Garland was the first result of the work of a squadron of detectives detailed to guard the jewelry stores of the city, following the many recent robberies. Windows of two stores were smashed yesterday by men who escaped with jewelry valued at \$1,000.

## INTERNATIONAL JEWISH LEAGUE.

San Francisco, Jan. 26.—Permanent organization has now been effected by the International Jewish league, formed in this city last month for the purpose of aiding Jewish communities in any part of the world in the attainment of civil and religious liberty.

It is believed that within two months the whole Pacific coast will be thoroughly organized. In time state leagues will be formed and the heads of these state leagues will constitute the delegates from whom the national and subsequently the international executives will be organized.

## GREAT Y. M. C. A. HOME.

Movement on Foot to Have One Built In New York.

New York, Jan. 26.—Seth Low and Cleveland H. Dodge addressed a large gathering of men and women last night, advocating the building here a great Young Men's Christian association home. It is hoped that this home may be such that young professional men coming to

In office and factory, shop, store or kitchen girls are at work all over this land, and, alas! far beyond their strength. Young women who work are especially liable to female ills. Too often the girl is the bread winner of the family and she must toil unremittingly, no matter if her back does ache, her limbs and abdomen throb with dull pain and dragging sensations, and dizzy spells make her utterly unfit for work. These are the sure signs of female irregularities which kill beauty and youth.

## Lydia E. Pinkham's Vegetable Compound

builds health and strength for all women who work and are weary. It creates the vitality that makes work easy. From the thousands of grateful letters written by working girls to Mrs. Pinkham we quote the following:

DEAR MRS. PINKHAM:—I feel it my duty to tell you the good Lydia E. Pinkham's Vegetable Compound and Blood Purifier have done for me. Before I took them I was very nervous, had dull headaches, pains in back, and was very irregular. I had been to several doctors and they did me no good.

Your medicine has made me well and strong. I can do most any kind of work without complaint, and my periods are all right.

I am in better health than I ever was, and I know it is all due to your remedies. I recommend your advice and medicine to all who suffer.

MISS ABBY F. BARROWS, Nelsonville, Athens Co., Ohio.

Oh, if American girls who work would only realize that they have but one life to live, and make the most of their precious health and strength!

Mrs. Pinkham extends to every working girl who is in ill health a cordial invitation to write her for advice. Such letters are always kept strictly confidential, and from her vast experience Mrs. Pinkham probably has the very knowledge that will help you—and may save your life.

this city to seek their fortunes may be looked after morally and physically in it to the end that these new young citizens may become potent in the life of the city and helping clean government come about with fair ballots and honest counts. The money is thought to be in sight. "It should come from one man or a group of a few men," said Mr. Dodge.

The site now in view is in Fifty-seventh street, near Columbus avenue. The building as contemplated will be one of the largest used in Y. M. C. A. work in the world.

"One of the chief needs of this country," said Mr. Low, "is a greater number of men who do not have to work for a living. This class of people can give their time and ability to working for their communities."

"We do not know how many men of great power and ability we are missing by not being able to get in touch with them and guide them to the right places where their influence for good will tell."

On the advisory board of the international branch of the Y. M. C. A. are Mrs. John D. Rockefeller, Mrs. Edwin Gould and other prominent women.

## MR. CLEVELAND DENIES.

That He is Thinking of Giving up His Post as Arbitrator of Rebates.

New York, Jan. 26.—A dispatch to the Times from Princeton, N. J., says: Former President Cleveland was asked at his residence last night about a report that he is thinking of giving up his post as arbitrator of rebates for the insurance companies. Mr. Cleveland denied this statement.

"There is not a particle of truth in the report nor any excuse for its circulation."
