

Died:

In Mount Pleasant, Sanpete Co., Jan. 26th, James Thomas Miller, son of Hans Peter and Caroline Margrethe Christine Miller, aged 11 months and 28 days.—Skandinaviens Stjerne please copy.

In the 16th Ward, Jan. 13th, 1868, after long illness, JOHN PARRY, Sen., (Father Parry) aged 78 years, 11 months and 3 days; he was baptized into the Church of Jesus Christ of Latter-day Saints in Newmarket, Fintshire, North Wales, September 12th, 1846, and emigrated to this country in the Spring of 1849; he was called to be a member of the High Council of the Church in 1850; he lived and died in the faith of the Latter-day work.

Mawr ei awydd am wirionedd
Ydoedd Parry 'n moreu 'i oes;
Bu yn ddiwyd yn llafurio
Am wybodaeth, dysg, a moes:
Chwiliad 'n ddwys yr ysgrythyrau
Sanotidd, fel oraclau 'i dydd;
Hoffai farddas, a pheroriadeth,
A llenoriadeth yn ei ddydd.

Yr efengyl, pan ei clywodd,
A goffiodd gyda blys,
Gan droi heibio bob rhyw ddynol
Draddodiadau ffwrdd ar frya.
Bu 'n pregethu a'i holl egni
Egwyddorion pur y saint,
Ac ymadodd i dir Saelon
I gael meddu nefel fraint.

Milwr dewr oedd yn y fyddin;
At bob gelyn minial 'i gledd;
Dygodd seiddros y gwirionedd
Drwy ei fywyd hyd ei fedd.
Syrthiodd fel tywysen aeddfed
Yno i orwedd enyd awr;
Ond daw fynu 'n ogoneddus
Iach a llon o lwch y llawr.

Ffarwel, frawd a thad yn Israel!
Madael raid ar hyn o bryd;
Ti ddiangaist ar gystuddiau
A phob rhyw heibulon byd.
Groesaw 'r adgyfodiad cyntaf,
Tyr ei wawr 'r Saint heb ball,
Pan geir cyfarch yn lle ffarwel,
Henfych well y naill 'r llall.

W. LEWIS (Gwilym Ddu).

BREVITIES.

American wines have become very popular in Berlin, Prussia.

Brigham Young preaches against smoking and drinking—which is more and better than some of "the world's" ministers do, either in precept or practice.—*New Hampshire Gazette.*

The London Review says that at this time there is no country—no matter how embarrassed or how poor—in which there is so much pressing and painful poverty, so much vice, so much misery as in England.

The immigration to this country from Germany last year increased ten thousand. That from Ireland decreased three thousand, and that from England two thousand.

A letter safely reached its destination in Iowa with this indorsement: "There is a ten-dollar bill folded in this letter, and if you want it worse than my mother does, take it."

In Louisiana, the Radicals have a white man nominated for Governor, and a black one for Lieutenant Governor. The first colored "gentleman" to whom the position was offered, declined to accept "any inferior position," under a white man.—*Ec.*

A Brooklyn Presbyterian, who has great faith in catechism, and teaches it with a pertinacity that would challenge the admiration of a Luther or a Calvin, was putting a youngster of four through a course, one day, when the question came up:

"Who tempted Eve?"

The little fellow after a few moments thought, with an air of confidence, exclaimed:

"It's the gentleman who lives in hell, but I've forgotten his name."

The English fashion of dividing rail-wagons into apartments is gradually being introduced into this country, much to the delight and comfort of all who have to travel by rail. These cars can now be taken at this city to Chicago, via the Pennsylvania Central, and are really the most comfortable ever offered to the traveling public. The rooms are as good as those furnished at the first class hotels.—*Cor. Atchison Free Press.*

The velocity of the Gulf Stream is reported by experienced navigators plying between New York, Key West, Havana, and New Orleans, to have recently been increased from three and a half miles an hour to five miles per hour, almost drawing a steam vessel on the reefs. The fate of sailing vessels on this course is yet to be learned. No doubt the recent earthquakes have had something to do with the phenomenon. The Navy department has ordered a vessel from the Brooklyn Navy Yard to steam along the route, make observations and report the result.—*Cor. Atchison Free Press.*

PUBLIC NOTICE.

YEAR 1868.

C
R
B
G

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap. A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get held of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors, wanting money badly.

JOY TO THE AFFLICTED!

LAUGHING GAS!

FOR the Million! I take pleasure in informing my numerous friends and the Public, that I have been to great expense and trouble in buying the Patent Right for Salt Lake City for the best Nitrous Oxide Gas Apparatus that is in existence, as is proved by its being used by the Royal Families of England, France and Belgium, also by Dr. Colton, in the Dental Institute, New York.

The Gas made by this Apparatus only is absolutely pure, and no unpleasant choking or strangling sensation is experienced, or any disgusting bag used in taking it, but you can breathe perfectly natural every way, and you would not suspect that you were breathing anything but the purest air. It is, in fact, the *plus ultra* of all methods for the painless extraction of Teeth.

I have a large supply of the same Teeth which took the First Premium in Paris last summer.

Also five different kinds of Rubber for inserting Teeth, including the kinds used in England and France.

Particular attention given to preserving the natural Teeth. Terms moderate. Call and see.
