Selitor Deseret Neues:

The election here passed off peaceably and orderly, the "Ped-ple's Ticket" being sustained by an overwhelming majority. It is, however, a deplorable fact, that mesons, who assume to don the style of "Liberal," should so far be last to dignity and manhood, as to go from house to house, threatening the gentler eex with the terrible things government in-tends to do in case the "Mormons" should fail to send a Gentile to Congress. Unfortunately for these intimidators, no "Mormon" lady could be found, up to the time of the election, with sufficient guili-bility to swallow such doess. There
