PER WESTERN UNION TELEGRAPH LINE.

EASTERN.

The Situation on the U. P

OMAHA, 24.—The situation on the U. P. is practically unchanged. Since yesterday a snow storm has prevailed over the entire line from Evanston to the North Platte, in some places falling a depth of five inches, which will make the transfer more laborious and uncomfortable. Everything is being done to relieve it. All the delayed east bound passengers and mails passed the break this afternoon; the west bound passengers are not yet cleared, but if the expected passenger cars arrive from the east to-morrow every passenger will be moving to-morrow night. The Company have 650 men on the ground to work. Two bridges, each 140 feet long, remain to be rebuilt; one of them will be finished to-morrow, the other on Tuesday. The dumps and tracks will be finished by that time, and the Bitter Creek washout will be passable, which puts the whole line in shape.

Best Time on Record.

PHILADELPHIA, 24.—Last night at 12 o'clock Daniel O'Leary, of Chicago, began a walk of 115 miles, to be accomplished in 24 hours; to-night at eight minutes after 11 he completed the distance of 116 miles, thus beating his distance with a mile to spare, in fifty-two minutes less than the time set down; this is the best time on record.

Adjourned—Mexican Raids.

NEW ORLEANS, 24.—Both houses of the legislature adjourned *sine die* to-day; in the senate the resolution suspending Auditor Clinton from office was postponed till the session of 1876. But few, if any, of the reform measures were finally passed by the legislature.

Texas advices continue the report of robberies and murders by roving bands of Mexicans, and there is an intense feeling of indignation among the white settlers on the borders at continued outrages, which appear to be committed with impunity so far as either government is concerned.

The Beretta Ceremony.

NEW YORK, 24. — The preparations for conferring the Beretta on Cardinal McCloskey are almost completed. The programme for the religious service is very elaborate. At the conclusion of high mass the Oblegate will take the Scarlet Beretta and present it to Archbishop Bailey, of Balto., who will perform the ceremony of imposition. He will deliver an address which will be replied to by the Cardinal, after which a choir of 100 voices will sing a Te Deum composed expressly for the ceremony. The Cardinal will then retire and, after putting on the robes of the cardinalate, will reenter the sanctuary and give the episcopal benedition.

Not Yet Accepted—Paid.

WASHINGTON, 24. — The President has not yet accepted the resignation of Attorney General Williams.

The Spanish government has paid $45,000 of the $80,000, on account of the *Virginius* affair.

International Steeple Chase.

LONDON, 24.—The opening meeting of Sundown Park, at Esher, Surrey County, within a run of the metropolis, closed to-day with a grand international Steeple chase, in which twenty horses started; Goldfinder won, La Veine, the favorite, was second, Revenge third.

PHILADELPHIA, 25.—The Rev. Thomas A. Jaggar, D. D., rector of the Protestant Episcopal Church of the Holy Trinity in this city, will be ordained bishop of Southern Ohio on Wednesday.

$36,000 Fire—In the Hands of a Policeman—Dead.

New York, 25.—A fire this morning destroyed the Union League Club House, at the corner of 26th and Madison Ave.; loss $36,000.

Chas. L. Lawrence, Secretary of the American Club and the fugitive smuggler, is expected here from England, next week, in custody of an officer who has followed him since last February. The value of the silks and laces which Lawrence smuggled through is estimated at $3,000,000. The frauds began four or five years ago, under a deputy collector in the Custom House, now dead. Lawrence is said to be worth half a million, mostly in bonds; what real estate he has is in his wife's hands, and cannot be attached.

Tyler Curtis, of San Francisco, whose wife died here recently from abortion, killed himself on Friday, from the effects of cold contracted on the voyage from California.

Will Investigate.

WASHINGTON, 25.—The President has assigned Dr. Linderman, director of the mint, to make the examination ordered by Congress as to what point in the western States and Mississippi Valley possesses the best advantages for a mint. The investigation will be made during the coming summer.

Fire.

RUTLAND, Vt., 25.—The *Herald* building and book store and press rooms of Tuttle & Co., were considerably injured by fire this morning; fully insured.

WESTERN.

SAN FRANCISCO, 25. — A building containing a book store and the post office was burned last night in Oakland, Oregon; loss $20,000. The mails were saved.

OTTAWA, 25.— A proclamation was issued yesterday, granting a pardon to all persons engaged in the Northwest rebellion, except Riel, Lepine and O'Donnahue; the two former are banished for five years.

Revivalism—Not True—Dead.

LONDON, 25. — Moody and Sankey's revival meetings to-day were well attended; among the distinguished persons present to-night were Mr. Gladstone and Lord Kinnaird.

The report that the Marquis Decaux had been killed in a duel is wholly without foundation.

The morning papers announce the death of the Rev. Wm. Selwyn, chaplain to the Queen, aged 69, and H. W. Pickers Gill, the portrait painter, in his 94th year.

HER VAPOR BATH.—Says a writer in the St. Louis *Republican*—"She will not take a vapor bath again very soon, though the one she took recently was by no means lacking in results. One of her friends had been telling her of the beneficial effects of baths of this kind and giving definite advice regarding its preparation, so she resolved to try it. The extemporized bath was arranged by filling a saucer with whisky, in which was placed some boneset and sassafras. Then she placed the saucer on the floor, and over it placed a cane-bottomed chair, taking a seat in the chair dressed a *la* Eve, save that a huge blanket completely enveloped the whole outfit. An attendant then lifted a corner of the blanket and applied a match to the whisky in order to produce the gentle, soothing vapor which was expected to arise and do words of good. Would that a veil could be drawn over the subsequent proceedings; but any ordinary veil wouldn't cover 'em. The gentle, soothing vapor didn't arise, but a red-hot, scorching flame did arise, like lightning, to the hight of about five feet from that saucer; there was a terrific report, and the bath-taker was lifted off the chair on the wings of a sirocco, and deposited, half-grilled, in a corner of the room. And now she is nearly well, but opposed to extempore vapor baths."
