A. J. Knott, late of Dillon, Mont., was arrested in this city yesterday by Deputy Sheriffs Cowan and Burbidge, charged with embezzlement. The man is wanted in Dillon and it was on information from that city that the arrest was effected here.

Samuel Saddler, a veteran of the late Civil war, died in this city yesterday at the age of 67 years. Deceased was born in Carthage, Ill., Aug. 22, 1835, and leaves a number of sons, all residents of Salt Lake. His funeral was held at the residence of his Albert, 332 East Sixth South son street, at 2 o'clock this afternoon, and the burial took place in the soldier's plot of the city cemetery. Members of the G. A. R. and Utah Philippine Veterans attended the services.

St. Paul, Feb. 11.-The League of American Sportsmen convened in th commercial club rooms in this club oday with delegates from all pa for y with deregates from all parts of the country. This report of the Na-tional president, G. O. Shields of New York, reviewed the work accouplish-ed during the year for the better protection of and inforcement of laws affecting birds and fish. In the course of his second he sold, "A very import of his report he said: "A very import ant event in the year's work is th act that the president of the Unite States has at our request extended th Yellowstone and Telon forest reserve

on the cast and south of the Yellow stone park by adding thereto more than \$,000,000 acres of land, and has appointed Mr. A. A. Anderson, on has appointed Mr. A. A. Anderson, one of the vice precidents of this league, superintendent of this vast same range. Mr. Anderson has exercised great care in employing forest rangers, and is keeping in close touch with their work at all times. These rangers have proseculed and convicted 14 men for killing game illegally within these for-est reserves during the year."

A fill is now before Congross au-thorizing the president to set apart such portion of the various forest reserves in the west as he may deem secessary, as game preserves. Another till is pending in Congress, the object of which is to clothe forest reserve rangers with police rower in or. ier that they make arrests whenever and wherever necessary without waiting to procure warrants. The growth of the league during the

Secretary. On the 3rd of February last I was meditating on the prevalence of the meditating on the prevalence of the tradition of Rear's day, or Candlemas, Groundhog day, and, indeed, the day of all hibernating animats. I presume, Aimost every nation and people, Indian and white man, hold to this tradition. There must surely be something more than mere fancy in the matter. I have soon the tracks of the griszly more seen the tracks of the grizzly more than once on that day in Cache county Utah, and there was a circumstance when the Indians lassed a grizzly bear and brought it into camp on that in Cache counts
