

TO THE MERCHANTS OF UTAH!

A. T. GREEN,

Successor to

JAMES LINFORTH,

Commission Merchant,

3 FRONT STREET, near Market,

SAN FRANCISCO, CAL.

MERCHANDISE and MACHINERY of all descriptions purchased or imported for **UTAH TRADERS** on the most favorable terms and at lowest current rates. The near approach of the **CENTRAL PACIFIC RAILROAD** to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of Foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woolen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper. Making

SAN FRANCISCO

Unquestionably

The Market for Utah!

And ahead of all others in the advantages offered. Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this City, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business intrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

A. T. GREEN,

No. 3 FRONT STREET, SAN FRANCISCO.

IRON STAMPED WARE

WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE

ST. LOUIS STAMPING COMPANY,

A new line of

TINNED and POLISHED WROUGHT IRON WARE, suitable alike for

HOUSEHOLD,

MINERS' OR CAMP USE.

And take pleasure in calling the attention of Store, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every housekeeper to see our Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Tea Kettles, Camp Kettles, Mess Pans, Dish Pans, Sauce Pans, Dish Kettles, Fry Pans, Fiddles, Dippers, &c., &c.

We are now preparing a new Catalogue and Price List, and we believe Stove and Hardware Dealer will find it to their interest to send for a copy of each before purchasing elsewhere. Address

CONGRESSIONAL.

HOUSE.

Washington, 21.—The House was called to order at 12 o'clock, prayer was offered by the chaplain.

Shenck offered a resolution that the President of the Senate and the Speaker of the House should now adjourn their respective houses until the 16th of October, and then, unless otherwise ordered by the two Houses, further adjourn their respective Houses until 10th of November at noon, and then, unless otherwise ordered, to further adjourn their respective Houses to the first Monday in December. This was carried without division and was afterwards reconsidered.

Shenck offered a resolution that the committee on public expenditures inquire why supervisors of internal revenue have not been appointed, and whether any of the officers of the government are trying to defeat the law, &c. This was objected to, and the question raised that no business could be done without a quorum, when the roll was called, showing 98 affirmative, and 2 nays.

Washburne moved to call the House, which was taken, when the absentees were called. After some little time the doors were re-opened, and a message was received that the Senate had concurred in the House adjournment resolution. The Speaker then declared the House adjourned till the 16th of October.

SENATE.

After prayer Anthony offered a resolution, providing for adjournment, in the same terms as that adopted by the House, which was adopted, 33 to 1, Buckalew voting "No." A message from the House announced a similar resolution, which was concurred in and the Senate adjourned.

GENERAL.

A tidal wave occurred in the harbor of Yokohama, Aug. 15th, the day after the earthquake in South America.

Arizona advises to Sept. 5th, say that Col. Price has made a treaty of peace with the Wallapai Indians. The savages consented to surrender their arms and locate on the river.

Gen. Devin has assumed command of the district of Arizona, vice Gen. Crittenden, ordered to report at San Francisco. Major Clendenin has assumed command of the sub-district at Prescott. Several Indian outrages have occurred near Wickenburg and Tucson.

The crops of the Territory are looking finely.

The case of Surratt was called up this morning before Judge Wylie, in the criminal court. The counsel on both sides appeared. The District Attorney stated his readiness to proceed with the conspiracy indictment, having decided to enter a nolle prosequi in the murder indictment. He filed a letter from Acting Attorney General Browning, approving his course, when the nolle prosequi was entered. The case was then called on the conspiracy indictment. The defense expressed surprise, as they had come prepared to try the murder indictment, and they asked a postponement till to-morrow to make a special plea, setting the forth amnesty proclamation of the 4th July last, in defense. The Judge assented to the postponement till to-morrow.

Chicago, 22.—The following account of a fearful riot at Camilla, Mitchell Co., Georgia, has been telegraphed from Augusta: Pierce, the Radical nominee for Congress, and Murphy, ex-bureau agent, with about twenty-two negroes armed and equipped, started on Friday for Camilla, with three weeks' provisions, and their intention being to overawe the citizens. Before starting, some friendly negro exposed their plans, and a negro courier was dispatched to Camilla to inform the citizens of what was going on. A deputation of three prominent citizens was sent to meet the mob at a church, five miles from town. The Governor's proclamation, forbidding armed organizations, was read, but the mob paid no attention to it, and said they were determined to march on. The deputation remonstrated, entreating the negroes to come into the town without their arms, and they should not be molested; their efforts to dissuade the negroes were fruitless, and the mob marched into the town with banners flying. They now numbered 450, many having joined them on the route. The mob halted, and clamored for a man named
