EVENING INEWS.

- February 9, 1887

FRAGMENTS.

ROTAL B. YOUNG's term of imprisonment expired yesterday.

JUDGE STATNER 'lectures in the Twelfth Ward this evening.

HON. JOHN SHARP will return from the east on Thursday evening.

MARSHAL DYER is expected to arrive in this gity this evening .:

A LETTER from Show Low, Arizons, does not appear because the writer's name is not given.

To-morrow evening a stereoptican eutertainment will be given in the

to-day.

KATER PUTNAM, with a choice company, appears in "Erma, the Elf" at the Theatre on Friday evening. THE wires were working badly east

to-day. This accounts for the lightness of our telegraphic report this afternoon.

THERE is more than one Richard White in the city, and the one referred to in yesterday's NEWS meant the one in the police court, not any of the others.

THERE was a harmless runaway Sunday. A horse with a light vehicle attached to him dashed down Commercial Street, thence to Main and one block north, being stopped at Godbe's corner. No damage.

J. I. DEVLIN, press agent of the Katle Putnam company, called on us of firemen living in that vicinity. to-day. The company were blockaded There was too much apparatus now at for s while at Spring Hill, this side of Medicine Bow, Montana, by snow, but will be here on time.

THOMAS WILCOX is anxious to hear from relatives named Lewis, who emigrated to Utah among the first settiers, from Macoupin County, Illinois. His present address isTomales, Marine County, California, but he will shortly pass through this city on his way east

THE only arrest made by the police lastinight was that of Al. Householder, who was drunk and raised considerable of a disturbance. He was arraigned before Justice Pyper to-day and pleaded guilty. Owing to the fact that Householder has not ibeen ibefore the court for several ; montas, a light fine of \$10 was imposed.

THE Co-op. makes a special announcement in to-day's News of bargains which cannot be beaten if even appropriated: equaled anywhere. To specify in this brief space would be to make an un-satisfactory notice; therefore the

CITY COUNCIL. The City Council met in regular ses sion at 7 o'clock Tuesday evening Mayor Armstrong being absent, Alderman Webber presiding. South Street, between First and Fourth West, which, despite the fact

that it had been ordered improved in March, 1885, was still in the same shameful, muddy, wreiched, bottom-less condition as ever. Petitioner, in behalf of many others, wanted to know

what recourse he had when the work had been ordered done, and the order remained disregarded. Some debate took place on the muddy tract in that section and the impossibility of gravel-ing it all suitably (owing to the ex-pense). The petition was then referred to the street supervisor with instruc-tions to do the work as soon as possi-

eutertainment will be given in the Fifteenth Ward Music Hall. The grand jury were investigating alleged cases of unlawful cohabitation canal

A communication was read from the Song Book to [societies, schools, or Gas Company, accepting the terms of the new contract for gas supply. The police justice presented his re-port for January. It shows 116 cases to have been-tried and \$3,387 assessed in fines. Referred to the committee on police other organizations that desire them. The work is well printed, and contains a good collection of original and selected songs and hymns, set to music The work was arranged by Brother E.

The marshal's report for the same Beesley, leader of the Tabernacle choir period, showing expenses of \$380,88 for Price 40 cents. the month, was read and referred to

the same committee. The report of the committee on fire More Releases .- This morning 'an department on the petition of J.C. Royle and others, haid on the table agreement was made with District Atlast week, was taken up. It recom-mends the establishment of branch engine houses or sheds in the Eleventh Ward and the Twentleth or Twentytorney Dickson to have those imprisoned in the penitentiary for more than first Wards, for the storing of apparatus, hand fire engine, hose carts, etc. this, hand hire engine, hose cares, etc. Chief Engineer Ottinger was asked to give his views upon the recommenda-tions of the committee. He said he had looked into the matter and found several places in the Eleventh Ward this. The attorneys for the de-

fendants applied to Judge Zane, who ordered that all who had served where an engine house could be built their time be liberated on payment of or leased. There were also a number the fines and costs imposed on 'them, or if they were unable to do this, on the Hall-more than was needed. He Commissioner.

the Hall-more than was accurd. He thought ultimately there should be four fire districts in the city, and houses in the Tenth, Twentieth, Nineteenth and Sixth or Seventh Wards. At present the Nine-In accordance with this order, Wm H. Pidcock and Ambrose Greenwell, of Ogden, were released. The former had teenth and Sixth and Seventh Wards were more or less an protected-though no fine attached to his seatence, and water was much more plentiful in the latter paid the amount. Bisapp those districts then in the eastern part Wm. M. Bromley, of American Fork, of the city. For this reason he would and Isaac Pierce, of this city, were advocate the establishment for the present of the houses named by the ordered to be brought before the committee. Considerable discussion ensued, during the progress of which Commissioner this afternoon, preparatory to their discharge. Chief Engineer Ottinger, in reply to questions by the Council, gave it as his opinion that the city must soon have Of these brethren, Wm. H. Pidcock

was sentenced on June 30th, 1886, au electric system of fire alarm, with a thirteen months' impristo paid department, located in four quar-ters of the city. To do this it would onment; Ambrose Greenwell, on July 27, 1886, to twelve months' imbe necessary to make an outlay of some \$25,600, and the annual expense to the city would be about \$20,000. The Coun-cil seemed in favor of establishing an engine house in the western part of the town as well as in the eastern and prisonment and \$300 fine; Bishop Bromley, on August 3, to ten months' imprisonment and \$300 fine; Isaac Pierce, on October 9, to fifteen months

finally the report was referred back to imprisonment and \$100 fine. The imthe committee for amendment. The following amounts were then count was fixed at three months.

itentiary on one indictment, and four

"For ways that are dark, and tricks "Indisposed .- We regret to learn that Brother James Needham is seriously that are vain, the beathen Chinee is

ill. He has not been well for some peculiar." It is claimed that notwithstanding the stringent laws enacttime past, but on Saturday last he became so much worse that he had to be ed against the importation of Chinese conveyed home from his post of duty on the Pacific slope that many are In a petition, James T. Snarr drew at Teasdel's store, and has not been landed on fraudulent certificates. In able to leave his bed since. His many order to prevent this Judge Hoffman suggests issuing the certificate in friends will doubtless feel to unite with us in wishing him a speedy recovblank, without mentioning even the name, age, height,

cupation date of arrival, place of residence, name of vessel They Got Wet .- On Thursday last on which he arrived, etc., but all these Deputies Pratt and Cannon went to details should be fully recorded on the the west side of the river to subpoena books of the custom " house and quesa lady witness. On the way they drove tions on these points propounded to into a slough and were compelled to the holder on presentation of the cerget out of the buggy linto about three tificate, which would infallibly confeet of water. Afterward they applied found him if he was an impostor and to and were freely granted permission not the individual to whom it was

"Wanted, a Christian that can carry two hundred pounds," was an advertisement published about one hundred Snelgrove are now prepared to furnish years ago in an English newspaper. It copies of the]Improvement Association is difficult at this late date to understand exactly why the advertiser insisted on his being a Christian, provided he was blessed with the other qualification. Although the Pacific Coast papers have not yet advertised exactly in this slyle, there is no doubt that such Christians would be warmly welcomed in Alameda, California. An exchange says Not long since, passers-by in a suburb of Alameda were treated to the sight of a piece of light sandy soil being broken up. An ordinary plow was in one count released on the expiration of use and a stalwart laborer grasped the the first count sentence and payment handles thereof, but occupying the poof fine. Later application at the Mar- sition of a draught animal, was neither shal's office was met by a refusal to do horse, mule, cow, nor any other fourfooted beasi, but a sturdy man harnessed to the plow by an arrangement of straps and buckles like a harness.

making a satisfactory showing before a He thinks news of his expedition may reach Europe by July next.

DEATHS.

BROWN .- In Salt Lake City, February 6th of convulsions, Francis Thomas, son of Francis and Lydia Brown, aged 4 days.

ALLEN - In Toquerville, Washington County, Utah, Feb. 2, 1887, Hannah E., wife of John Allen.

Deceased was born in Pilley, Yorkshire England, October 28, 1852; emigrated to Utah with her parents (George and Encora Batty) in 1862. Her infant son survived her but a few hours. She hved the life of a Saint, and true wife and mother, leaving a husband and six children, besides father, nother and friends, to mourn her loss. Millennial Star, please copy.
