has forwarded to the State Department \$2,355, in U. S. gold coin, to be placed to the credit of the Garfield Memorial Hospital fund. Three hundred dollars of this amount was contributed by Chinese friends of Denny, who in forwarding their subscriptions, said they "would be most happy to head a Chinese circular, and send it around among our friends; but to ask our countrymen to subscribe to a hospital to be built in a country which will not permit Chinese to enter it for ten years, is more than we dare do." cony crashed through the hoor, throwing down one thousand people, and crowding the immense audience below into a panio. Women screamed, and men in terror turned to the doors. A fearful crush followed, all struggling for the exits Several women were crushed before the managers could be heard, and the managers could be heard.

Ratiway. The commissioner directed the physician at San Carlos agency to attend to the medical wants of the Indians, and notified Gen. Crook accordingly. To-day the following telegram was received at the Indian office:

Whipple Barracks, A. T., March 16.

Captain Kinella were present and succeeded in calming the people, and the performance came to an end. Many ladies lost clothing and pocket tooks. To Price, Commissioner of Indian Affairs, Washington, D.C.: Dispatch received. The Indians need something besides medicine; they have nothing to eat, and their efforts to get something may incontate the whole country.

(Signed) GEO. CROCK,

Bris. Geo. GEO. CROCK, Brig. Gen.

Commissioner Price telegraphed General Crook, informing him there was no fund from which he can perchase supplies for the Indians. The Commissioner suggested, however, if the War Department would supply the immediate needs of the Indians, he would endeavor to have Congre's reimburse the department at the next session. The Indians referred to are accredited to the Colreferred to are accredited to the Colorado River agency, but are not on the reservation, and consequently no appropriation is available for their subsistence. The necessity of providing for these Indians (about 600 in number) was urged upon Congress by Commissioner Price in his last annual report.
