averaged \$750,000 annually appropriatad for science and art during the last

unknown philosopher, "are the laws journed. governing human existence. Were it not for tight lacing all civilized coun-tries would be overrun with women." A Michigander presented himself to

the sheriff weeping, said he could not tell a lie; he had killed his wife and child with his little hatchet. The sheriff told him he was too good to live much longer, and the chances 'are

"What do you mean by cat and dog "Look at Carlo and Kitty seleep on the rug! I wish men lived half as peacefully with their wives." 'Stop," said the lady, "tie them to-

gether, and see how they will agree." "I keep the best bread," said a certain baker the other day to a poor fellow who complained of the inferior quality of the article he had purchased of him the day before. "I don't doubt it." replied the customer. "Then why do you complain?" asked the baker. "Be-

son, is a rare vice in the British Islee. that netwithstanding he met rags fore Congress approaching senators and poverty and themost importance begging, though it was interviews and solicitations unusual on still available.

The loss of the national banks by fire was \$1,006,000, leaving their capital unimpaired and a surplus of \$1,800,000 still available. then eighteen days since he landed in Queenstown, he had not, up to that time, heard a profane oath. To our shame be it said that the United States of America leads the world in profanity.

An Iowa editor speaks for the sisterood of his county in the following

straw about the female-suffrage business, which seems to concern so many women elsewhere. The fact that the nerease of children in the county in the last year was over four hundred and nay may explain the reason why they don't care to vote-being otherwise em-

side of every question that came before must be admitted as sufficient ground When the temperance reform was in full feather, and the question was discussed in the church of which he was an officer, he, as a matter of course, opposed it. He would not sign the pledge; he would not consent to its presentation in the Sunday school ; he objected vehemently to the distribution of tracts. One day, in the resence of a full house, one of the members of the church made the case of the deacon a subject of prayer: "Oh,

an excellent wife and mother, has been annoyed by the overwhelming attentions of a young down-town jeweier. At last his notes and bouquets becoming too frequent, ahe mentioned the fact to her husband, who immediately direct to her husband, who immediately direct up and threatened to punish the croft of New York envoy extraordinary in faturated wouth. infatuated youth. A powerful athlets and minister plenipotentiary to the he armed himself with a came of the genus bludgeon, and left his hotel the next morning with the avowed intention of giving his rival a few blows and teaching him to mind his own business. Entering the shop where he was employed, he strode hastily through and inquired if there was a young man there named H—, "There is," said the owner of the establishment, "he is present force is inadequate in case of extended the present force is inadequate in case of the present force is inadequate in case of extended the present force is inadequate in case of extended the present force is inadequate in case of extended the present force is inadequate in case of extended the present force is inadequate in case of extended the present force is inadequate in case of the present force is inadequate in case of at the window tinkering watches. Mr. great confiagration.

H—, you are wanted." As Alexis leaves to-me the little male first arose and confronted the large man, he trembled and turned pale. "Did you send my wife these notes?" said he, producing some of the offending billet-down. "I-I- arrest of all saffers of the fleet found in

of the offending billet-down. "I—I—
yes—I did," stammered the culprit,
trembling in every limb. He saw the
weapon, and he thought his time had
come. "Well, well," said the broadshouldered, big-hearted actor, reaching
over the counter and patting the poor,
frightened fellow gently on the top of
the head, "Look here, bubby, you must
not do so any more." And he left poor
