The home of A. C. Read of the Salt Lake route, at No. 3 Denver court, was burglarized on Thursday night about \$ o'clock, during the absence of Mr. and Mrs. Read from the city, and quantity of silverware, including many wedding presents, was stolen. Some clothing was also taken. Mr. Read re-turned to his home about an hour after the burglary and reported the matter to the police.

The selection of State Mine Inspector Gomer Thomas as special expert to examine and report to the city council on the asphalt claims, which the city proposes to huy from Messrs. Clark and Pope, has been vetoed by Mayor Mor-ris, who has appointed Robert Forres-ter, expert geologist for the Utah Fuel company, to make the examination. The sum of \$250 was appropriated by council to defray the expense of the examination.

A small blaze in the rear of the Onyx bank saloon on west Second South street late yesterday afternoon caused a number of patrons of the place to make a hurried exit without waiting to finish their drinks. The fire was caused by someone dropping a lighted cl-gar or cigarette into a clothes closet. The room was soon full of smoke, and an alarm was sent in to the department. The entire apparatus from sta-tions No. 1 and 2 responded to the call but the blaze was extinguished by the chemical. The damage is placed by Proprietor McTernay at \$200, the entire loss being of personal apparel.
