HOLIDAY FELICITATIONS.

Five Couples Wed-Forty Below Zero

-Normal Graduates.

Cardiston, Canada, Jan. 5.-A few evenings ago President E. J. Wood in-vited the heads of stake organizations and a number of intimate friends to assemble at his office in honor of Coun-

selor Thomas Duce. The untiring energy of President Duce is always mani-

rest and the felicitous speeches made by these present were well merited. A spiendid light luncheon was served un-der the auspices of the stake improve-ment associations.

or snow fell, which continued today. This morning the thermometer regist-ered 15 degrees below zero. This snow storm is unawail in that it was not accompanied by high winds.

SHOCKING MURDER.

Winter Phenomenally Mild-Shafer-Cardston, Alberta, Canada, Dec. 28

The last week of the old year with The list week of the only year way nessed the union of the following young people in the district. A. A. Walson of Mt. View and Mary Wil-son of Leavit; James H. Jensen and Nellie Woodward of Actus; Geo. Gibson Four of these couples were united by President Wood.

#### FORTY BELOW ZERO.

The weather was decidedly changed this morning when the register showed 40 degrees below zero. About six inches of snow has fallen the past two days, giving the country the appear-ance of winter.

#### NORMAL GRADUATES.

The normal students from Alberta stake all achieved honors at Calgary in the term just closed. Philip Sheffield assumes the principalship of Kimball school, Osborne Wight goes to Taylor-ville, Rose Archibaid is engaged in Leavitt, Mary Smith at Beazer, while George Parker and Vere Olsen consti-tute the staff at Mountain View. The numerous friends of Mr. E. W. Barker will be pained to learn that he was suddenly summoned to New York through the critical condition of his through the critical condition of his wife, who is not expected to live.

# MUNICIPAL FLECTION.

Folsom Nuptials-Business Houses.

-So far, the winter in Alberta has been phenomenally mild. Bricklaying. plastering, etc., continued up to Christ-mas. Roads are dry and almost like macadam, thus giving the people the opportunity, so much needed, of get-ting their produce to market in this country of magnificent distances. That prosperity abounds is also evi-enced by the great numbers who are taking advantage of holiday excursions, to visit friends and relatives in all parts, more especially to the south, whence most of the good people here
