Chinese Antique Specimens.

PHILADELPHIA, 22.—The collection of rare and antique specimens of China and porcelain ware belonging to the minister of finance of China, which was held by the custom officials at San Francisco, and so failed to reach the Centennial, will soon arrive, and will be taken to New York for exhibition.

One More.

KEOKUK, 22.—The *Constitution* states it has direct, reliable information that Rutledge Lea, republican presidential elector for the first Iowa district, was, when elected, a United States commissioner, and has since resigned.

The Striking 'Longshoremen.

NEW ORLEANS, 22.—The striking 'longshoremen, numbering nearly 1,000 had, a marching display this afternoon. No disturbance.

Report of the Board of State Canvassers.

COLUMBUS, S. C., 22.—The board of State canvassers yesterday, reported to the Supreme Court, stating the candidates who had received the highest vote; also giving a memorandum of the board, stating that, in their opinion, certain irregularities, affecting some republican candidates, should be corrected; also the vote of Lawrence and Edgefield counties, both largely democratic, should be excluded on account of frauds and intimidation. This morning the court ordered the board to issue certificates of election to the candidates for the legislature shown by the board's report to have the highest votes, including Edgefield and Lawrence counties.

The court, to-day, issued a rule for the board to show cause why they should not correct the statements of the county canvassers by the precinct returns pending these proceedings, however, the board held a session and issued certificates to all the members of the legislature except Lawrence and Edgefield counties, thus securing a majority in the legislature republican, the defeat of Hampton and the election of Chamberlain. The board also issued certificates of election to the republican electors and republicans on the State ticket. The board then adjourned *sine die*. This action has created much excitement, but the citizens will rely on the courts, and exhaust all legal means of redress.

Wool Market.

BOSTON, 22.—Wool is firm and prices have been fully sustained, with considerable inquiry from manufacturers and speculators. Sales of Ohio and Pennsylvania at 42 @ 48, including medium, XXX and above. Wisconsin and Michigan, prices firm at 38 @ 41; combing and delaine is in demand at 45 @ 55. California ranges from 17 to 25 for fall, and 25 @ 30 for spring. Desirable pulled fleeces are scarce. Good and choice superfine is in demand at 40 @ 45.

The Democrats Deprecate Partizan Feeling.

COLUMBUS, Ohio, 22.—The democratic State Central Committee, with a number of representative Ohio democrats, met here, to-day, and passed resolutions declaring that patriotism demands a ready acquiescence in the result of the presidential election fairly ascertained; deprecating partizan feeling in discussion of the fact and law on which the result depends; appealing to the canvassing officers to allay suspicion by an open and impartial action, but remembering the record of the Louisiana returning board; demanding that the Senate and House of Representatives exert their constitutional powers to have the fairly elected President inaugurated; declaring the concentration of troops at Washington ill-advised and a reflection on the honesty of the people; recommending correspondence among the various Democratic State Committees for the purpose of establishing a perfect understanding of the facts and a concert of action in maintaining the rights of the people.

Thomas Ewing, Geo. H. Pendleton, Geo. W. Morgan, and others spoke endorsing the resolutions.

Address of Gen. Hampton to the People of South Carolina.

Gen. Hampton has issued the following:

To the People of South Carolina:

The board of canvassers, have, by their unprecedented action, to-day, shown not only their contempt and defiance of the Supreme Court of the State, but their utter disregard of their own official integrity. While the grave questions of determining the result of the election were pending before the Supreme Court, composed of three judges belonging to the republican party, and in direct violation of the orders of this tribunal, the board have issued certificates of election to the republican presidential electors and to republican State officers, and have refused to give certificates to the democratic members of the legislature, shown by the returns to this same board to have been elected in the counties of Edgefield and Laurence. This high-handed outrage is well calculated to arouse the indignation of our long-suffering people, but I assure them that this daring and revolutionary act of the board can have no legal force whatever. I appeal to you, therefore, in the fullest confidence that the appeal will not be unheeded, that you will maintain, even under that provocation, your character as orderly and law-abiding people. During the past exciting canvass you have studiously avoided the semblance of the purpose to disturb the public peace, or to transgress the laws. Your cause, and it is the cause of the constitution and government of the country, has been carried to the highest Court of the State, and we are willing to abide by its decision, feeling assured that this tribunal will see that the laws shall be enforced and justice secured.

(Signed) WADE HAMPTON.

Under Orders.

NORFOLK, 22.—The United States monitors *Wyandotte*, *Montauk* and *Passaic*, under convoy of the United States steamer *Shawmut*, to-day, steamed down to Hampton roads, under orders to be in readiness to sail immediately.

The House Appropriation Committee.

WASHINGTON, 22. — The House committee on appropriations failed to meet, to-day, on account of the absence of the Chairman, Randall. Estimates of all the debts are in possession of the committee, except for the deficiency bill and legislative appropriation bill. The estimates call for, in round numbers, $175,000,000, as against $150,000,000 appropriated at the last session of Congress.

The Troops.

Gen. Barry arrived to-day from Fort Monroe, and is now in command of the United States soldiers stationed at Washington. No troops arrived to-day.

Gen. Sherman says none have been ordered to this city except the eight companies or batteries now in barracks at the arsenal and navy yard.

Litigation Looming Up.

NEW YORK, 22.—The *Times* New Orleans special says the democrats here estimate the votes lost to the republicans by the omission of the five names, will aggregate nearly 2,000. Litigation is likely to follow, as the tickets were headed Hayes and Wheeler, and the voter undoubtedly designed to vote for all. A well-known Louisiana lawyer contends that if the five electors referred to were defeated by the means indicated, the three who are elected would have the power to fill the vacancies; in short, that the places of those defeated by a mistake in the ticket, should be considered vacant, and to be filled in the same way as in case of death or resignation of an elector.

It is reported that the reason why the vacancy on the returning board is not yet filled is because of a conspiracy entered into by the democrats and Casarue and Kenner, two colored members of the board. By the terms of the reported agreement, the members named were to act in concert with the democrats who should be appointed to fill the vacancy, and with them count the whole democratic ticket. For this treason to their party they were to receive $100,000 each. It is but just to state that Packard and Kellogg disclaim all knowledge of this transaction.

Billiard Tournament.

Maurice Daly was defeated by Joseph Dion this afternoon by 115 to 300.

This evening Daly defeated Garnier, 300 to 186; and Rudolph beat Cyrille Dion, 300 to 160.

Arrest of Counterfeiters.

RICHMOND, Ind., 22.—Charley Ling and Henry Boland, counterfeiters, were arrested this afternoon with $6,000 of excellently done bogus money in their possession.

WESTERN.

The Nez Perces Indian Commissioners.

PORTLAND, Oregon, 22. — The board of Indian commissioners, consisting of Gen. O. O. Howard, Hon. W. Stickney, A. E. Barstow, D. H. Gerome, and Col. Wood, appointed by the Government to confer with the Nez Perces Indians with a view to the adjustment of existing difficulties relative to the possession of Willows-Valley, returned to Fort Lapwai last evening. The Commissioners held a four days' conference with the Chief, Joseph, with regard to the question as to whether the settlers or Indians are entitled to possess the valley. Good feeling and harmony characterized the conference, and it is thought the question in dispute will be amicably settled.

FOREIGN.

WEST INDIES.

Gen. Campos and the Insurgents.

HAVANA, 22. — Nothing whatever is known respecting the plans of the General-in-chief, Martinez Campos. Some assert the General has warned the newspapers not to publish anything without special permission. He is paying flying visits in the town called Cinco Villas, where, it is reported, he is summarily dealing with the suspected and convicted insurgents. It is reported that he has a ordered a number to be shot in Cienfuegos. He expects to clear Cinco Villas of rebels in two months, and will then pursue them beyond La Trocha. Last Thursday, while Gen. Campos was on a railroad train between Sagua and Las Cruces, the car containing his equipage and ammunition was burned. Suspected Cubans are arrested daily.

RUSSIA.

Loose Torpedoes.

KERTCH, 22.—Torpedoes in the harbor are placed loose near the battery, and a gunboat has been stationed to conduct vessels through Kertch Straits. The Riga is partly obstructed, but not entirely closed, by ice.

GREAT BRITAIN.

A Serious Question in the Chamber of Deputies.

LONDON, 22.—A dispatch from Paris states the Left recently introduced into the Chamber of Deputies an interpellation to the ministry, asking why the military escort, to which the funerals of all members of the Legion of Honor are legally entitled, had been refused in cases where the deceased had been buried without religious ceremonies. This question is becoming very serious. The Left refused to compromise, and it is feared a ministerial crisis may ensue.

Protestant Ministers to be Prosecuted.

A dispatch from Madrid reports that two Protestant ministers, one a citizen of the United States, were recently forbidden to hold religious services by the mayor of the village of Flares, near the French frontier, in the Province of Santander. They were subsequently detained pending a prosecution begun against them, although the prayer meeting they held was conducted according to law. Only eighteen persons were present.

Specie Shipment.

Ninety-nine thousand pounds sterling, in American eagles, for the United States, and 52,000 sovereigns for Canada, were withdrawn from the bank yesterday.

MEXICO.

The Political Situation Complicated.

CITY OF MEXICO, 12.—The political situation is much complicated. Ex-Chief Justice Iglesias proclaimed himself provisional president of the republic at Leon, in the State of Guanajuato, whose legislature and governor sustain him. A portion of Iglesias' escort to Leon attacked American missionaries, crying, "Death to Protestants," but were driven off by the police. Two ex-judges of the supreme court have joined Iglesias, who has a regular cabinet of foreign ministers. Troops are advancing on Guanajuato, and it is expected Iglesias will flee shortly, as no other State aids him. Lerdo De Tejada receives offers of support from all parts of the country.

On the 12th advices reached Mexico that Aplzaco had been evacuated by the revolutionists upon the approach of the Government troops. Some fighting occurred, but no particulars.

Mr. Foster, United States minister, has arrived at Mexico.

FRANCE.

The Marquis of Salisbury Desires Peace

PARIS, 22.—It is reported that the Marquis of Salisbury, in a conference with the Duke de Cazes, expressed confidence in the sincerity of the Czar's pacific declarations, and said he was going to Constantinople with no preconceived intention, but with an ardent desire to preserve peace. He was disposed to agree with all propositions tending to ameliorate the condition of the Christians in Turkey.
