Another sale of Salt Lake City school Another sale of Salt Lake City school bonds has been made by the Anderson-Callister Investment company. The sale was made for N. W. Harris of Chi-cago, and the amount of the deal was \$18,400. The bonds sold at \$1063%.

Private Elmore of the Twelfth bat-First at Fort Douglas, re-enlists in the Ninth battery, at the Presidio. Wil-liam J. Martin of New York, a prac-tising attorney, enlisted yesterday at Fort Douglas with the Nineteenth battery.

The funeral services over the remains of the late Eliza P. Willis, wife of George W. Willis, will be held in the Nineteenth ward meetinghouse on Sun-day, Jan. 7, at 12 o'clock noon. The re-mains may be viewed between 9:39 and \$1:30 at the residence, 232 Center street.

A meeting of the Boys' Betterment league was held yesterday in the ju-venile court room, at which the work of the boys' band was discussed. The membership of the band is 32 boys, and it is believed that it will soon be ready for its first public appearance.

"Teddy," the first monkey born in Utah, died yesterday afternoon at La-goon, from pneumonia, despite the ef-forts of physivians to save him. Monkeys have naturally weak lungs, and when in captivity in these latitudes have to be watched very carefully else they do not last long.

The juvenile court was yesterday honored by a visit from Dr. G. Stan-ley Hall, the distinguished educator, who is in attendance at the State ley Hall, the distinguished educator, who is in attendance at the State Teachers' association in this city. It was his first visit to a fuvenile court and he soon became deeply interested in its workings, and after seeing sever-al cases disposed of he expressed him-self as very greatly pleased with the may the young people of this city are kooked after by the court. The state chemist returned a second

The state chemist returned a report The state chemist returned a report this week to the state food inspector of a dozen articles of food he had sam-pled for adulteration, as free from for-eign matter, and suitable for food. The chemist says the local grocers and pro-vision men are doing their best to keep impure goods off their shelves, and that the wholesalers are also acting in sym-methy with the law so that manufacture the wholesalers are also acting in sym-pathy with the law, so that manufac-turers have come to understand that adulterated foods must be kept out of Utah. The manufacturers are therefore sending their impure stuffs to Colorado and California and the southern states which have no protective laws, and whose citizens therefore have to suc whose citizens therefore have to suffer.
