We cut to-day, Eight Acres of Rye in Seven hours and a half, and think it the captain of all Reapers.

YOU CAN BE HAPPY
If you will stop all your extravagant and wrong notions in doctoring yourself and families with expensive doctors or humbug cure-alls, that do harm always, and use only nature's simple remedies for all your ailments—you will be wise, well and happy, and save great expense. The greatest remedy for this, the great, wise and good will tell you, is Hop Bitters—believe it. See "Proverbs" in another column.

NATURE has provided a most potent specific for diseases of the skin, rheumatism and gout, viz: Sulphur. That admirable remedial agent is made available at an infinitely less cost than formerly in consequence of the introduction of Glenn's Sulphur Soap. Sulphur baths are expensive, so are visits to sulphur springs, but at a cost of sixty cents, the price of the above article per box containing three cakes, precisely the same curative results can be effected as sulphur bathing accomplishes. Glenn's Sulphur Soap likewise heals bruises, sores, and all abrasions of the skin, whitens and softens as well as purifies it. The ladies prefer it to any cosmetic, not only because it is a more effective complexional beautifier, but also because it is eminently conducive to health, which cosmetics are not. It is a capital disinfectant of clothing contaminated with disease, and its timely use prevents maladies communicable by contact. It is far preferable to any salve or ointment for the cure of affections of the skin, being infinitely more effective and cleanly.

Sold by druggists. Price 25 cents per cake. 1 box (3 cakes) 75 cents, sent by mail, post paid on receipt of price. C. N. CRITENTON, Prop'r, 115 Fulton Street, New York.

L. B. MATTISON.

A beautiful head of hair is appreciated by everybody. And how to secure it interests everybody. The hair and scalp must be kept free from scurf and dandruff, and not be allowed to get dry and harsh. The roots must be stimulated to healthy action. Flexibility and a handsome gloss are essential. All those requisites are easily secured by the use of Ayer's Hair Vigor.

Diseases, like rivers, spring from small causes. The roaring river may not be easily diverted from its course, nor the neglected disease from its destructive work. Taken in time, disease, which is merely an interrupted function, may be averted by the use of Nature's remedy.

Tarrant's Seltzer Aperient,
It combines the medicinal properties of the best mineral waters in the world.
